

## Are you curious about Girl Scouts??

Girl Scouts is the world's preeminent organization dedicated solely to girls – all girls- where, in an accepting and nurturing environment, girls build character and skills for success in the real world. In partnership with committed adults, girls develop qualities that will serve them all their lives – like strong values, a social conscience, and conviction about their own potential and self-worth. In Girl Scouts, girls discover the fun, friendship and power of girls together. Through a variety of innovative programs and outreach opportunities, we are committed to bring Girl Scouting to every girl, everywhere. Girl Scouting helps girls grow courageous and strong, develop their full potential, relate to others with understanding and respect, develop values to guide their actions, and contribute to the improvement of society through their abilities, leadership skills and cooperation with others. The Girl Scouts of the Green and White Mountains serves girls in New Hampshire and Vermont. Membership is open to girls ages 5 through 17 who subscribe to its ideals as stated in the Girl Scout Promise and Law. It is part of a worldwide family of 10 million girls and adults in 140 countries through its membership in the World Association of Girl Guides and Girl Scouts.

Girl Scout troops who are from Loudon are very active. Troops serve girls from kindergarten through middle & high school. We have a daisy troop for kindergarten and first grade girls, two brownie troops for girls in grades 2 & 3, two Junior troops for girls in grades 4 & 5, a Cadette troop for 6<sup>th</sup>, 7<sup>th</sup> and 8<sup>th</sup> grade girls and networking opportunities for older girls grades 9<sup>th</sup> on up. Girl Scouts offers many program opportunities beyond the troop experience. Girl Scout camp, special events, travel opportunities and specific interest groups are all options for girls. *Girl Scouting builds girls of confidence, courage and character, who make the world a better place.*
