Instructions for Permit Applications: (All information must be printed legibly)

1. Owner name, address & phone number
2. Location & address of work site
3. Complete description of work to be done
4. Number of fixtures, appliances & equipment to be installed
5. Plans must be submitted on all new buildings & major renovations

It is the responsibility of all contractors, electricians and plumbers to obtain the necessary permits from the Building Department before ANY work has begun. Work must begin within six months of issuance of any permit.

Plumbers must have a valid license from the State of New Hampshire to obtain a permit. Permits are not transferable.

It is the responsibility of the contractor to obtain all inspections required. A rough-in inspection is required before any work is covered and a final inspection is required when all work is complete. A twenty-four hour notice is required for any inspection. This signed application constitutes consent on the applicant's part to allow for all inspections at the property location listed.

Permits will not be issued until all of the required information has been furnished and all conditions mentioned above have been met.

INSPECTIONS REQUIRED: (24 HOUR NOTICE REQUIRED)

1. When under slab piping has been installed
2. When rough-in is complete and visible (Rough)
3. When job is complete (Final)

Building Inspector approval certifies that the applicant can proceed with installing Electrical fixtures in accordance with the specifications submitted. Any deviation from the specifications submitted will require an amendment to this permit or additional permits.

If you have questions, please contact the Building Department at 603-798-5584.

STATEMENT OF COMPLIANCE:

This application is made with the full knowledge of the current requirements of the regulations governing such installation, which will be made in compliance with INTERNATIONAL BUILDING CODE 2018 & INTERNATIONAL PLUMBING CODE 2018, including State of NH adopted Plumbing Code Amendments. I further agree, upon accepting this permit, NOT to cover any part of the installation until it is inspected, tested and approved. PERMIT MUST BE ISSUED PRIOR TO INSTALLATION.

I have read and understand the statement and hereby agree to all the terms stated therein. I agree to abide by any and all codes relating to my field of work, including all national, state and local codes. I also realize that any false statement made in the application for permit may be grounds for revocation of said permit.
