The February meeting of the Loudon Economic Development Committee began at 5:00pm.

The meeting opened with a discussion of presentation boards for use at Town Meeting. CNHRPC staff will work with Stan Prescott to prepare draft boards that shows the 79-E area and includes background information on the statute and the bulleted list of public benefit prepared by Rodney Phillips. In addition, a board showing the approved Economic Revitalization Zones (ERZs) will be prepared.

The EDC then discussed the other economic development related tools in Loudon such as the ERZ program and the RSA 79-D program (Discretionary Preservation Easements) that cover areas in Town beyond the Village.

Upon a motion by Rodney Phillips and a second by Jimmie Hinson, the motion to adjourn the meeting was approved unanimously at 5:35pm.

Respectfully submitted, Mike Tardiff
