Legion Hall Comes Down To Start Its New Life At Sanborn Mills Farm

The Loudon Legion Hall has been dismantled and packed away to be re-erected at a later time on the grounds of Sanborn Mills Farm. The building is taking a little break in its historic life but will be handled with care. It seems odd to drive by and not see the building any more, although part of it was still there when we went to press.

The property will be put to good use as the future site of a new town office.

Maxfield Public Library News

The best way to spend a chilly winter day is reading a good book — especially one that talks about green grass and fresh, green leaves!

Story Time

A vast belay, yo ho, heave to, a-pirating we go! Board me ship on the 4th, 5th or 6th of the second month to explore treasures from Carolyn Crimi and Mo Willems: *Henry and the Crazy Chicken Pirates* and *Let's Go for a Drive*. Each buccaneer will depart with a brand new tricorne — or else they'll walk the plank!

On February 11th, story time will discover a beautiful winter story full of stunning photography. *Stranger in the Woods*, written and illustrated by wildlife photographers Carl R. Sams II and Jean Stoick, will prepare the children as they experiment with visual art to create a 3D book depicting winter scenery.

We will celebrate Valentine's Day on February 12th and 13th. Join us as we read *Henry and the Valentine Surprise* by Nancy Carlson and *There Was an Old Lady Who Swallowed a Rose* by Lucille Colandro. Yarn hearts will be the craft to follow. Please stay after craft time for our annual Valentine Party. Bring a treat to share and the library will provide juice.

There are mice in the library the week of February 18th, 19th and 20th! The stories will be Mark Kelly's *Mousetronaut* and *Mouse Paint* by Ellen Stoll Walsh. Roll up your sleeves as we combine colors from the color wheel to see what shade your mice will be.

School Vacation Week

On Tuesday, February 25th, the library will offer a drop-in craft time. Please stop in between 11:00 a.m. and 3:00 p.m. for a parent-led project. Join us to create your own Olympic ski jump!

On Thursday, February 27th, the library will be showing a movie at 2:00 p.m. Free juice and popcorn will be provided. Please call for more information.

LEGO Club Thursdays

Are boxes of no-longer-used LEGO blocks taking up space at your house? The library welcomes donations for its new LEGO Club. Boys and girls are invited to stop by the children's craft room on Thursdays from 3:30 to 5 p.m. to relax and enjoy imaginative building. Their handiwork will be displayed for a week — until the next batch of creations comes along. P.S. The larger type DUPLO blocks for younger children are also needed among the donations.

Creative Wednesdays

Art workshops continue on Wednesday afternoons from 2–4 p.m. Take this time to start a new project or to work on one you've been meaning to finish. Sometimes just being with others can provide that needed boost to completion.

At 7 p.m., the Sit 'n Stitchers meet in the most comfortable part of the Children's Room to work on needlework projects and share ideas and techniques. Choose your own craft from knitting, crochet, embroidery, beadwork, etc.

All are welcome to join in for either session.

Yoga for Flexibility

Fran Nash's schedule of yoga sessions includes four opportunities a week to get in tune with your body and improve your range of motion. Three intermediate sessions are available: Mondays at 6 p.m., Tuesdays at 1 p.m., and Thursdays at 6 p.m. Low-impact chair yoga on Thursdays at 11 a.m. have been especially popular. Offered on a pay-as-you-go basis, the classes cost \$5.00. Stop by the library for a schedule.

Guest Speaker: Yoga for Mental Health

Did you know that yoga can help you manage your mood and alleviate stress and anxiety? On February 27 at 6 p.m., Concord yoga instructor Cindy Falabella will offer a class for people of all ages, physical fitness conditions, and levels of yoga experience. The session will explore the body's natural stress response, the effects of yoga practice, and how to develop your own practice. Please wear comfortable clothes and bring a mat if you have one. This free program will take the place of Fran Nash's usual class.

Classic Book Group

The first writer from the United States to win the Noble Prize for Literature, Sinclair Lewis indefatigably probed the American psyche. His novel *Elmer Gantry*, published in 1927, examines what happens when religion morphs into business. Classic Book Group will meet at 2:30 p.m. on February 25 to discuss this book.

Book Sale

There's no way to tell what great finds might be in this month's book sale. Could there be almost-new books that were given as Christmas presents and then passed along to the library after reading? Children's books that were outgrown and weeded out to make shelf space? Why not stop by to see on February 22, from 9 a.m. to 1 p.m. Hope to see you there!

Between the Covers

By Kate Dockham

Some people say the book is always better than the movie. I'm going to have to agree, most of the time. I have often thought about skipping a book as to not be disappointed with the movie. I was disappointed with *The Bridges of Madison County*. In my mind deep voiced Sam Elliot should have played leading man Robert Kincaid, and Clint Eastwood should have stayed behind the camera. I was disappointed with Percy Jackson and *The Lightning Thief*. If you have read that book, you'll understand. They changed everything from Percy's age to leaving out important characters. And Tom Hanks, as much as I love him, was too reserved to play Dan Brown's Robert Langdon in *The Da Vinci Code*. Hollywood is at it again! A slew of new movies based on books are out this year. My suggestion is to read the books first and I'll see you at the theater afterwards.

Out on February 7 is *The Monuments Men*, starring George Clooney, Matt Damon, John Goodman, and Bill Murray. With a cast like this, who could not be interested?! The book of the same title, by Robert M. Edsel, is based on the story of museum curators, art historians, and other Allied soldiers risking their lives to save the artwork stolen by the Nazis. As Adolf Hitler is cataloguing the stolen art he plans to keep and the works he claims as degenerate and plans to destroy, this special force of soldiers are behind the lines trying to save thousands of years of culture. The book focuses on six Monuments Men during the period of time from D-Day to V-E Day on this seemingly impossible mission. It is full of thrilling moments and written with a passion that turns even those of us uneducated about art into fans of the main heroes.

I am currently reading Mark Helprin's *Winter's Tale*, which comes to theaters on February 14. I suggest you start reading it now because this 768-page novel is full of beautiful language, intriguing detail, and a fantastic ideal of New York City in the early parts of the Twentieth Century. Peter Lake, a middle-aged Irishman who has worked many legal and illegal jobs in his life, breaks into an Upper West Side home on a winter's evening expecting the home to be empty. He finds Beverly Penn, the owner's daughter, home alone. Beverly, a young woman who knows she is dying, welcomes the intruder and a magical love affair begins. After Beverly's inevitable death, Peter Lake is driven to stop time and bring back the dead. This is a fantasy book, yet the magic Helprin weaves into his tale is seamless and makes it all feel probable. This has the potential for a great movie if the visual comes even close to Helprin's beautiful prose!

Three upcoming movies are based on books discussed in this column earlier. First to hit theaters is *Divergent*, young adult book about a dystopian society. I was enthralled with this book when I read it, but I have heard many parents concerned with the level of violence in the story. Tris Prior lives in a society separated by personality type. Tris realizes she doesn't fit

into any of the six societies, making her a divergent and putting her life in danger. At her choosing ceremony Tris keeps her divergence secret and joins the Dauntless faction. In following this brave new path, Tris learns a lot about herself, the factions, and why they all are in danger. I am unsure how I feel about the lead actors in the movie, Shailene Woodley and Theo James, but Kate Winslet plays the villain of the movie and that should be great fun! The producers must feel like they have a winner; book two, *Insurgent*, has already begun production and the finale of the trilogy, *Alligent*, is in talks as I write.

Lois Lowry's *The Giver* is slated to open in August starring Meryl Streep, Jeff Bridges, and Taylor Swift. Written in 1993, *The Giver* was one of the first tween books about a government gone bad. In this book, the main character, Jonas, lives in a perfect world. No war, no fear of pain, and no choices. Everything is controlled and everyone is assigned a role in the community. At 12 years, old Jonas is singled out to receive training from The Giver, the person who holds the memories of the true pain and pleasure of life. As the current giver is in the end of his years, Jonas is chosen to receive these memories and hold them so life can continue on as is. During his training Jonas learns how costly this ordered and pain free society is, and decides he is not willing to pay the price. This was a great stand-alone book in 1993, winning the Newbury Award in 1994, and is even stronger as the first in a series. Lowry has since published companion books *Gathering Blue*, *Messenger*, and *Son*.

The final book I have previously written about to hit theaters is *Unbroken: A World War II Story of Survival, Resilience, and Redemption*. This book has everything to make it an incredible movie. A daredevil, bad boy is changed to the good through service to his country. While his daring ways were a plus during his days as an Army Airman, it is his strength of conviction that gets Louis Zamperini through the end of World War II. In May of 1943, Zamperini's plane goes down over the Pacific, leaving him and his pilot, Russell Phillips, adrift in a raft. Thirsty and hungry, with sharks circling the raft, the men think they are about to be saved when they are actually taken prisoner by the Japanese. The book was written by Laura Hillenbrand, the screenplay by the Coen brothers, and the movie is directed by Angelina Jolie, but we will have to wait until Christmas of 2014 to see the final product.

The Maze Runner, due out in theaters next September, is *The Lord of the Flies* on steroids! Every 30 days a teenage boy arrives in the Glade with no memory and no idea of what he is in for. The Glade is a large living space surrounded by tall stone walls which create a maze. Every day runners go out trying to solve the maze before nightfall. At night the walls close and if you're on the outside, your life is in danger. The morning after Thomas arrives, a girl named Theresa arrives and her arrival is as unexpected as the message she has been given to deliver. James Dashner has done a great job at creating new lingo and fantastic creatures for the Glade. Hopefully they will translate well to the big screen.

In a calmer, more emotional story, *The Fault In Our Stars* opens in June. Hazel has stage 4 cancer, is always dragging an oxygen tank behind her and has

never kissed a boy. Then the beautiful Augustus Waters shows up in her support group and notices Hazel. Even after pushing him away, the two fall in love. By sharing a wicked sense of sarcasm and an obsession with the novel, *An Imperial Affair*, Hazel cannot deny her feelings. And Augustus will move the moon and stars for her. This is an honest, hilarious, and heartrend-

ing story. Be sure to have tissues while reading and bring them to the theater, too!

There was a lot of buzz about Gillian Flynn's novel *Gone Girl* when it first came out in 2012. It is a thriller of a story; Nick's wife Amy disappears on their fifth wedding anniversary. With no request for ransom and Nick behaving suspiciously, he becomes the main suspect in her disappearance and possible murder. Flynn does a great job making Nick both sympathetic and despicable at the same time. The twist and turns in the novel makes it a page turner you have to finish quickly. Readers either loved or hated the ending and could be in for a big surprise as Flynn, who wrote the screenplay as well, rewrote the ending for the movie version. Starring Ben Affleck and Rosamund Pike, I'm interested to see how this story unfolds on the big screen.

Of course there are other books headed to the big screen in 2014, books, including Gillian Flynn's *Dark Places*, which I have yet to read. It always intrigues me as to why one book is chosen for movie production and another is not. This intrigue might just lead me to pick up one or more titles to read before hitting the theaters or renting from Netflix. I hope that Hollywood can live up to my expectations. Until next time — keep turning those pages. ■

What's Cookin'!

This month: Cheese, Glorious Cheese!

Jenn Pfeifer

Cheese, glorious cheese!!! I sure do love cheese and January 20 was National Cheese Lover's Day. January is also the month that Granite State Dairy Promotion (www.nhdairypromo.org) holds their annual Macaroni and Cheese Bake-Off. If you didn't make it to sample all the wonderful cheesy creations this year be sure to mark it on your calendars for next year!

The *Huffington Post* recently published an article that lists what your favorite cheese says about you. "You can tell a lot about a person from their favorite cheese. Oh, and if you're one of those people who hates cheese, or thinks the best cheese is no cheese, just go read something else."

What Your Favorite Cheese Says About You

1. Brie, Camembert, and Other Runny, Creamy Cheeses. You like to take it slow and savor the moment. We only get one shot to live, so why not indulge, right? You also really love crackers.

2. Mozzarella. You are laid back, friendly, and never sweat the small stuff. You like to keep things simple, but somehow throw the best dinner parties. Your friends refer to you as a "class act."

3. Burrata. You are just like a mozzarella-lover, except older, wiser, and more entertaining at parties. We love you.

4. Cheddar. You are reliable and trustworthy. Your friends call you the "mayor" when you go out, because everyone seems to know you. You are probably afraid that you are boring, but you make everyone around you incredibly comfortable and can adapt to just about any situation.

5. Feta. You are an unexpected daredevil. People probably say, "I didn't think you had it in you" to you a lot. But you knew you did. You knew it the whole time.

6. Gorgonzola. Sometimes you think everyone at the party is talking too quietly and you wish they'd speak up to match your volume. You love karaoke, swing dancing and shouting, "WOO HOO" when you're having fun.

7. Gjetost (Norwegian Brown Cheese). You are Norwegian.

8. Goat Cheese. People always tell you that you "march to the beat of your own drummer," but you think you're actually pretty normal. You love long walks on the beach, red wine, and 80s action movies.

9. American Cheese. You are sweet, but you might not have ever left your hometown. You definitely love grilled cheese sandwiches and cartoons. OH, you might be nine — are you nine?

10. Gouda. You understand the value of waiting for something to be perfect before you enjoy it. You also have great freaking taste in cheese.

11. Limburger. You are a contrarian, plain and simple. If someone says "black," you say "white." If someone says "peas," you say "carrots." If someone says "please don't eat that godforsaken smelly cheese," you say "pass me some of that delicious smelly cheese, please."

12. Gruyere. You are a fan of the classics. You prefer the symphony to a rock and roll show, and a glass of Burgundy to a fancy new micro-brew. You also love fondue, which is about as wise a life choice as you can make.

13. Parmesan. You love to remind people that Parmesan is the UNDISPUTED KING OF CHEESE. We know, man.

14. Swiss Cheese. You are a liar, no one's favorite cheese is Swiss cheese.

15. No Cheese. Get the heck out!!!

Now let's get to some yummy cheese recipes.

CLASSIC CHEESE SAUCE

A great cheese sauce can be used for so many things. You can use it to top vegetables, pasta or as a fondue. Any number of spices can be added to change up the flavors or try replacing half of the milk out for your favorite beer or dry white wine.

- 6 tablespoons butter
- 6 tablespoons flour
- 1 teaspoon salt
- 1/4 teaspoon ground black or white pepper
- 3 cups milk
- 2 cup grated sharp Cheddar or a combination of your favorite cheeses

Melt butter; remove from heat. Stir in flour and seasonings. Gradually add milk, stirring until well mixed. Cook over low heat, stirring constantly, until thickened and smooth. Cook for 5 minutes longer; add cheese. Stir until smooth and well blended.

FRIED CHEESE

We have been eating far too much of this delicious treat at my house.

- 4 cups canola oil
- 16 oz. block of mozzarella cheese (cut into 16 sticks)

- 1 egg
- 2 tablespoons of water
- 1 envelope of dry ranch dip mix
- 16 thin slices salami
- 16 egg roll/spring roll wrappers

In a medium saucepan, add oil and heat to 325 degrees F. In a small bowl, whisk eggs and water thoroughly. Empty the package of ranch dip on a small plate. Roll 1 stick of cheese in the dip. Place 1 slice of salami in the center of the egg roll wrapper. Place 1 stick of cheese on top of salami. Brush the edge of the wrapper with egg mixture. Roll wrapper edge closest to you over the filling. Tuck ends and continue to roll until it forms an egg roll shape and repeat with remaining ingredients. *(Cheese rolls can be frozen for future use at this point. I think they fry much better when they are frozen.)

Add 1 to 2 rolled wrappers to oil at a time, cooking 2 to 3 minutes, until golden brown. Be careful not to overcook, or cook on too high of a temperature as wraps may explode. Remove fried cheese to a paper-towel lined plate and serve immediately.

AVOCADO-FETA DIP

Food Network Kitchens

- 1/2 diced red onion
- 1 diced seeded jalapeno
- 4 tablespoons olive oil
- 1 diced avocado
- 1 cup cilantro
- 3/4 cup crumbled feta
- 1/4 cup lemon juice

Cook 1/2 diced red onion and 1 diced seeded jalapeno in 1 tablespoon of olive oil until soft. Puree with 1 diced avocado, 1 cup cilantro, 3/4 cup crumbled feta, 1/4 cup lemon juice, 3 tablespoons olive oil and salt to taste. Serve with toasted bread and vegetable sticks.

BLUE CHEESE DRESSING

Food Network Kitchens

- 1 cup mayonnaise
- 1/2 cup crumbled Maytag or other blue cheese (about 3 ounces), divided
- 1/2 cup half and half
- 2 tablespoons sour cream
- 1 tablespoon freshly squeezed lemon juice
- 1/4 teaspoon Worcestershire sauce
- 1/2 teaspoon kosher salt
- Freshly ground black pepper

In a medium bowl, whisk together the mayonnaise, 1/4 cup blue cheese, half and half, sour cream, lemon juice, Worcestershire, and salt, until smooth. Gently stir in the remaining 1/4 cup blue cheese and season with pepper to taste. Use now or store in the refrigerator for up to 3 days.

BAKED BRIE IN PUFF PASTRY WITH FIG PRESERVES

This is so sweet savory and delicious that it could served before or after dinner.

- 1 17-ounce package frozen puff pastry, thawed
- 1 8-ounce package brie cheese, round
- 1/8 cup toasted walnuts or pecans (optional)
- 1/4 cup fig preserves or 1/4 cup your favorite preserves (apricot and raspberry work well)

Preheat oven to 425. Lightly grease cookie sheet. Roll puff pastry out slightly. Place cheese wheel on top (leave rind on). Place preserves on top of cheese. Place nuts on top of preserves.

Bundle Puff Pastry up and around the cheese. Bake for 20-25 minutes. Let cool for five minutes. Serve with your favorite crackers.

If you have any questions, comments, recommendations or suggestions please e-mail me at jtpfeifer@comcast.net. ■

Not Your Parents' Retirement

NAPS—Americans nearing retirement age are living healthier, working longer and playing harder than any past generation. Let's face it—this is not your parents' retirement plan. In fact, even how to apply for retirement benefits has changed—and for the better.

Instead of waiting in line to apply in a busy government office, more and more people are applying for retirement benefits from the comfort of their home using Social Security's website, www.socialsecurity.gov.

About half of all retirement applications received by Social Security each month are online. Already, millions of people have taken advantage of this easy, secure and convenient way of applying.

Applying Online for Benefits

Applying online is convenient and will save you time and stress. The application is easy to use and can take as little as 15 minutes to complete. You can save your work at any point in the process and finish at a later time without having to start over.

The application also offers:

- "More Information" links to guide you through the process;
- A printable receipt for record-keeping; and
- A confirmation number to check the application status at any time.

Getting Started

Before applying, anyone thinking about retiring should make an informed decision based on a number of factors, such as current cash needs, health and family longevity, whether to work in retirement and future financial obligations. It's important to know that you can begin Social Security benefits as early as age 62, but the amount is reduced if received before "full retirement age."

Right now, the full retirement age is 66, but it will reach age 67 for those born in 1960 or later.

Social Security offers online tools to help you understand your retirement options. The Retirement Estimator (www.socialsecurity.gov/estimator), for example, gives estimates based on your actual Social Security earnings record and allows you to customize your estimate by changing your "stop-work" age and future earnings.

Another tool to help you plan for retirement is a my Social Security account. If you are not yet receiving benefits, you can create an online my Social Security account to access your Social Security Statement. The Statement includes your lifetime earnings record, as well as estimates of potential retirement, disability and survivors' benefits. You can register for a my Social Security account at www.socialsecurity.gov/myaccount.

It's never too early to start retirement planning. If you are ready to hang up your briefcase or tool set, the journey is now a lot easier. Join the millions of Americans who are applying for retirement benefits the fast, convenient, secure and stress-free way: online. To learn more, go to www.socialsecurity.gov.

Since the online application option was introduced, more than 6 million people have applied online for Social Security retirement benefits. ■

Girl Scout News

January has been a busy month for Girl Scouts in Loudon. The girls were hard at work selling cookies and look forward to delivering them in early February. By the time you read this, you may already have received your green, purple, red, or yellow boxes — and possibly even stashed one in that secret spot in the cupboard. The scouts of Loudon thank you for your support, as the money they earn in cookie sales helps to defray troop costs for field trips, supplies, and community events.

Speaking of events, there are several coming up in the greater Concord area:

YMCA Swim & Gym, April 5:

The best exercise is fun — girls will rock-climb, swim, and have a dance party at this private event at the Y in Concord.

NYC Bus Trip, April 12:

Spend the day in NYC exploring all the city has to offer. Shop, sightsee, take in a show — it's up to you!

LEtGO Your Mind, May 7:

This interactive event offers stop animation, music video creation, and a class on creating awesome art projects in Lego!

Camporee, June:

This annual event will be planned by Concord scouts, and will include camp games, team-building exercises, and plenty of outdoor fun! It is held rain or shine, with an option to stay overnight.

If you missed out on pre-ordering cookies, have no fear. Troops will be participating in cookie booth sales in Loudon and Concord from late February to the middle of March. Use the "Cookie Locator" to find booth sales cookie locator.littlebrownie.com and type in either Loudon or Concord zip codes for a list of available

sale locations. Once again, the cookies this year are Thin Mints, Samoas, Do-Si-Dos, Tagalongs, Savannah Smiles, and Trefoils; and all are \$4 per box.

February 22 marks the 88th anniversary of the first Thinking Day. Renamed World Thinking Day in 1999, the event was conceived as a way for Girl Scouts and Girl Guides from around the world to "think" of each other and give thanks and appreciation to their "sister" Girl Scouts. Our local World Thinking Day event was held on February 1, and featured eight troops presenting the scouting organizations and cultural highlights of various countries around the world. Presenting troops taught songs, games, and dances from their countries, and brought samplings of foods for all to share. Check out the next edition of the *Ledger* for pictures and details of our community's World Thinking Day event.

Our troops welcome new scouts and volunteers throughout the year, so visit our website for registration details at www.girlscoutsgwm.org/Girls/become-a-girl-scout.html.

Troop #12641

Kathy Fisher and Jennifer Jones

Our Cadette troop has started off the year with some fun before we get totally busy with the cookie sale. We met to learn techniques for using fondant frosting and boy did the girls have fun. They made the cutest creatures and the best looking cakes! A big shout-out to Miss Jenn who made it all happen. We will be helping to make sure the younger scouts have a great time at our World Thinking Day this year. Cookie Sales are well underway and we thank you for your support. You will find us around town at our booth sales hoping to offer you just a few more boxes to stick in your freezer before they are gone. By the way, frozen Thin Mints are out of this world! Don't forget to help fill our bin of cookies going to military overseas. Any donations given to us go towards this worthy cause. ■

Girls from Troop #12641 learned how to decorate cakes with fondant frosting. They created some beautiful cakes and had lots of fun at the same time.

Loudon Food Pantry Partakes in the Feinstein Challenge to Fight Hunger

See what you can do to help!

Each year, Alan Shawn Feinstein divides \$1 million amongst participating hunger agencies like the Loudon Food Pantry in order to inspire the public to donate during the months where we run dangerously low on funds and some foods.

To be a part of this effort, donate food or funds between March 1st and April 30th and note that it's for the Feinstein Challenge. Without noting your donation, it cannot be included in this challenge.

Year	Funds Collected	Food Collected
2010	\$1,120.00	\$1,331.00
2011	\$2,256.88	\$1,962.70
2012	\$4,488.06	\$1,339.27
2013	\$5,292.37	\$ 863.45

Mr. Feinstein's challenge has helped to bring in donations that we would not normally receive during the slow months of March and April.

In 2013 our goal was exceeded by \$155.82. Please help us surpass this year's goal of \$6,500.

Donations can be dropped off or mailed to: Loudon Food Pantry, 30 Chichester Rd., Unit D, Loudon, NH 03307. (Please make checks out to Loudon Food Pantry) Donations may also be made through our website at LoudonFoodPantry.org. A separate donate button for the Feinstein Challenge will be available from March 1st through April 30th.

We have collection bins at the following locations. Any donations in these bins will be counted towards the Feinstein Challenge. Any food collection bins will be counted towards the Challenge as well.

Business	Town	Collection Type Accepted
Elkins Library	Canterbury	Food
Care Pharmacy	Epsom	Funds
Loudon Post Office	Loudon	Food & Funds
The Hungry Buffalo	Loudon	Food & Funds
Beanstalk	Loudon	Funds
Red Roof Inn	Loudon	Food & Funds
Loudon Village Country Store	Loudon	Funds
Body & Spirit Day Spa	Concord	Funds

Check out our website at LoudonFoodPantry.org to see our progress for this challenge. It will be updated daily during March and April.

Please help us to top last year's collections for this challenge. Remember, even small donations can add up quickly so please give whatever you can afford.

Gift of Lights Donation

This year we received 9,021.70 pounds of food from Gift of Lights. This food will help us keep our shelves stocked during our slower donation times. We also received a cash sum of \$454.58 this year as well. Thank you for your help!

Volunteers

Many thanks to everyone who came in to volunteer during Gift of Lights and inventory. You made this hectic time much easier. Thanks again!

Annual School Meeting

The vote on the school district budget and warrant articles takes place on Thursday, March 6. During this Annual Meeting residents will also vote on the school board membership. The MV School Board will present its proposed budget to the residents, and in turn, the community can ask questions, comment, and propose changes.

Harlem Wizards at MV

On February 5, the Harlem Wizards will be at MVHS to play a team comprised of district faculty members. LES will have teacher representation! All proceeds go to a community family whose daughter is suffering from lymphoma. The Wizards interact with the audience in a fun and family friendly environment. During the day, the Wizards are expected to visit LES and perform for our students and promote a positive message. Advanced tickets can be purchased at Alan's Restaurant in Boscawen and at Capital Sporting Goods in Concord. The game begins at 7 p.m. at MVHS.

Grade 5 Poetry and Debates

The fifth-grade students have been busy since returning from break in activities that have required research and presentations. One activity was a series of debates. The students followed ARE: Ascertain, Reason, and Evidence. The students had to form an opinion on a topic, research the topic for supportive evidence, think of how their opponents will counter their beliefs, and give a rebuttal to those counter points.

The students also recently completed a unit on poetry. Before writing their own poems, the students were required to read and analyze various forms and pieces of poetry. To showcase their efforts, the fifth-grade had a poetry café where many parents came to attend. In this setting the students shared and presented their poetry.

Grade 4 Rube Goldberg Projects

Rube Goldberg had many experiences in his life. One was as an inventor. Wikipedia describes him in their bio: He is best known for a series of popular cartoons depicting complex gadgets that perform simple tasks in indirect, convoluted ways.

The students created their own "complex gadgets" with everyday materials. Working through the scientific method, the students solved a multi-step problem. The project also had a written component where the

students explained their experience from predictions to outcomes.

Merrimack Valley High School Theater Department To Present "Ten Little Chipmunks"

Plan now to go see the MVHS Theater Department's production of "Ten Little Chipmunks" on February 12-16. Shows will be presented in the MVHS auditorium at 7 p.m. on Thursday-Saturday and 2 p.m. on Sunday.

The laughs, frights, and fights are thick when billionaire Thaddeus Thornbury realizes the end of his life is near and invites all potential heirs to his secluded mansion on Chipmunk Island. These include his sisters, Isabelle and Rita, along with Rita's two children, Chase and Brooke; his shifty lawyer, Noah; his voluptuous secretary, Holly; his grumpy cook, Mrs. Chips, and her cookie-loving daughter, Coco; and two long-lost country cousins, Katie Sue and Coreen. When all have arrived, Thornbury reads his will: the last surviving member of the weekend party will inherit the entire Thornbury empire. Conveniently, two strangers shipwrecked on the island appear just in time to notarize the will and join the familial festivities. Following a toast, poor Thaddeus promptly dies from rat poisoning.

Amidst thunder and lightning, one by one the potential heirs begin to die and as each victim meets his or her untimely end, a chipmunk from the fireplace mantel disappears. Those remaining suspect one another, chase one another, and amusingly dispose of one another until the family of ghosts return to haunt Thaddeus having faked their murders in a plot against the crusty old coot. But before they can enjoy the fruits of their murders, Thaddeus really does die and it appears they'll have to really start murdering one another. However, the murderous plots are foiled when the mysteriously shipwrecked Nick and Karen reveal they're IRS agents and present the legitimate heir with a hefty bill for back taxes.

Sounds like a fun-filled evening! For more information, please contact the high school at 753-4311. ■

Loudon American Legion Post 88

By Shawn Jones, Post Commander

Greetings Legionnaires,

Our January meeting was held on the 15th with 12 members present. Thank you to all who were able to make it to this meeting. I appreciate the turnout we get each month, although we need to do better to encourage our members to come out. We need to continue to get participation and interest in the post to initiate more community service projects. Both ideas and volunteers are needed as not one person can do it alone.

Post Historian Charlie Bourbeau has resigned from his position within the Post due to private concerns. Charlie's term expires in April. Your Legion family would like to express its gratitude for the years of service Charlie has given to the post. We wish him well during this year. Stay in touch with us, Charlie.

Our Finance Officer Larry Elliot slipped and fell earlier this month and broke a leg. We wish him a speedy recovery and hope to see him in the near future.

Next month is nomination time for post officer positions. The post is only as good as its officers who are elected and the membership support they receive. If you are interested in serving

Chaplain Larry Hemphill presents Lorinda Gilbert, Executive Director of Rise Again Outreach with a check for \$100.00.

in any of the post officer positions please come to the next meeting, call or email me with your interest. You can also contact your Adjutant Joe Piroso. We can fill you in on the responsibilities of each position. The yearly-elected positions consist of: Commander, Senior Vice Commander, Second Vice Commander, Adjutant, Finance Officer, Chaplain, Sergeant-At-Arms, and Historian. There are also some appointed positions available as well. I urge you to get involved and be rewarded by

knowing your volunteerism is appreciated by your fellow veterans.

Your post is currently number one in the district for its current membership level. We are at 98.36% membership. We still have some members who have not renewed for 2014. Please contact me if you have questions about the value of your membership. We are very close to reaching our 100% membership goal. You do not have to attend every meeting to be a member. Come when you can or participate in some of our community outreach projects.

Our Commander's Fund Raffle winners for December are: \$50 — S. Newton, \$25 — S. Jones, \$10 — S. Elliot, \$10 — J. McMaster and \$5 — B. Quigley. Congratulations to our January winners.

We hope to see you at our next meeting on February 19th at 7 p.m.

*Respectively submitted,
Commander Shawn Jones

Avoid These Common Buyer Mistakes

By Jack Prendiville
Century 21 Thompson Real Estate

Before you buy your home avoid these common mistakes.

- 1. Overlooking the total cost of a home.** In addition to thousands of dollars in closing costs, don't forget to factor in home repairs, updates, and maintenance into your budget. Remember, you may also need to purchase furniture for your new property.
- 2. Don't forget the home inspection.** Home inspections are critical for buyers. Potential buyers may learn of defects or undesirable conditions and may have the right to back out of the purchase or ask the sellers for repairs or a price adjustment.
- 3. Only getting pre-qualified instead of pre-approved.** Getting pre-qualified for a mortgage is only the initial step in securing a mortgage. When buyers are pre-approved they know exactly how much they can afford and sellers know they're serious buyers.
- 4. Not researching the neighborhood.** Buyers should learn as much as they can about the area surrounding their potential home. Among other areas of interest, crime rates, public schools, even traffic patterns are all things you may want to learn about a community before you buy.
- 5. Buy without tomorrow in mind.** Even though the last thing you may want to think about before you buy a home is selling it, consider its resale value. Ask yourself if your potential property is a wise investment that will attract buyers when it is time to sell.
- 6. Buy based on décor.** A home's décor can certainly transform a space, but don't get caught up in the accents. Also, don't let furnishings deter your interest from a great home. Remember once you find the right home you can decorate it any way you want. ■

roadway conditions. Mr. Carucci said this project starts just north of the Route 129 intersection and extends about 4.7 miles to about 100 feet north of Gues Meadow Road. Selectman Bowles asked about the bridge. Mr. Carucci said they will not be paving the bridge. Mr. Carucci said they will grind about two inches deep between the two white lines; the shoulders are in pretty good shape. He explained that when they get to the Shaker Road intersection as it gets wider they will grind and pave the auxiliary lanes and about 450' up Shaker Road. Selectman Bowles asked if the new pavement will be the same level as it is now so roads such as Currier Road and Dump Road that enter onto 106 won't have a bump. Mr. Carucci said it will be the same and there won't be any impact to the side roads. Selectman Ives asked why they were doing this section when the section south of Staniels Road needs to be. It was explained that there is a plan for the intersection of Route 106 and Staniels Road and they will be paving some if not all of that section at that time. Mr. Carucci said this is a 1.3 million paving project and none of the money comes from the town. Mr. Carucci said they will be advertising for bids next month and it should be completed the middle of August. He said they will work around race and motorcycle traffic. Mr. Carucci gave the Board paperwork to review, sign and return. He explained that the paperwork defines who is in charge of the project and the traffic control during construction. Selectman Ives asked if the road would be closed down at anytime during construction. Mr. Carucci said it would not. Selectman Ives asked if business owners along the route will be notified. They said typically the contractor will talk to them. Chairman Krieger thanked them for coming in and keeping up with the roads.

Selectman Bowles asked if those in attendance from DOT have any say in the Staniels Road intersection. He asked why, due to the number of deaths and accidents, the speed limit can't be reduced to 45 now instead of waiting until lights are installed. They said they will look into it.

Chairman Krieger reminds everyone to drive safe in this weather. He also asked everyone to remember the businesses in town; the stores and restaurants for gift cards and Christmas gifts when doing their shopping. Chairman Krieger wished everyone a happy and safe holiday season. Selectman Bowles and Ives agreed.

Selectman Bowles moved to adjourn at 6:47 P.M. Seconded by Selectman Ives. All in favor. Motion carried.

Dustin J. Bowles, Selectman

Selectmen's Meeting Minutes — December 17, 2013

Present: Chairman Krieger, Selectman Ives and Selectman Bowles.

Also present Road Agent Dave Rice and Fire Chief Rick Wright.

Chairman Krieger called the meeting to order at 6:00 P.M.

Selectman Bowles moved to approve the Selectmen's Meeting Minutes of Tuesday, December 10, 2013 as written. Seconded by Selectman Ives. All in favor. Motion carried.

The Board met with Road Agent Dave Rice.

Mr. Rice explained that his newest employee has given notice so he will be looking for someone else. Selectman Ives asked if the employee gave a notice. Mr. Rice said about two weeks. Mr. Rice said he has an application for them to consider. He has interviewed this person and would like the Selectmen to talk to him. Mr. Rice said he has been at his current job for nine years; the job has been eliminated due to budget cuts. The Selectmen will call references and then meet with the applicant and Mr. Rice. Mr. Rice asked if it would be okay to hire Al Minery to fill in if there is a storm before they get a new hire. The Board agreed he could do that if necessary.

Mr. Rice said the motor repairs to the truck will be about eight thousand dollars. Winnepesaukee Truck will do the repairs. Selectman Ives asked how long the truck will be down. Mr. Rice said he asked for it to be back by Christmas.

Mr. Rice got quotes for resurfacing Country Hill Road, Voted Road and Oak Hill Road. Selectman Bowles said he would like to see Oak Hill Road ground and repaved. Selectman Ives said if we can't get all three done, he would like to see Voted Road done before Country Hill Road. Selectman Bowles said he thinks they can get Voted Road out of the budget. Mr. Rice said that Country Hill is basically a shim and overlay because it is all gravel up there.

The Board met with Fire Chief Rick Wright.

Chief Wright said the cost to add a phone to the fire department account for the road agent will be \$28.84 per month, 400 minutes, and it will be a free flip phone. Chairman Krieger said that sounds good. Mr. Rice said he has the money in his budget for it. Chairman Krieger thanked Chief Wright for taking care of this.

Chief Wright explained that he got an estimate for the dry hydrant project at 92 Loudon Ridge Road. Chief Wright said the estimate is for \$6,800.00 to install plus approximately \$1,000.00 for materials. Chief Wright said he has about \$6,500.00 in the budget line for this; the contractor offered to hold part of the bill until the next budget if necessary. Chief Wright said this

needs to be done. Selectmen Bowles agreed that they have been sitting on this one for awhile. Chief Wright said the new property owner is very receptive to this being done. Selectman Bowles recommends moving forward and getting it done. Chairman Krieger and Selectman Ives agreed.

Chief Wright submitted a vacation request. The Board agreed to his request.

Chief Wright said that four more employees completed the CPR/AED Class.

Chief Wright submitted two draft warrant articles. One is for a new ambulance; the money for this will come out of the capital reserve fund. The second article is to establish a capital reserve fund for the purpose of purchasing Self Contained Breathing Apparatus.

Chief Wright explained that 911 has listed both 7333 Oak Hill Rd and 19 Fieldview Lane as the address for the same property. The Board said that Fieldview Lane is a driveway to the house and the Oak Hill Road address is the one that should be used.

Chairman Krieger recognized Mike Tardiff from Central New Hampshire Regional Planning Commission. Chairman Krieger explained the Board had a visit from Tim Carter several meetings ago. Mr. Tardiff said that he has never met Mr. Carter but he has heard he's going around the state handing out pamphlets. Mr. Tardiff said that Mr. Carter obviously has an issue with regional planning commissions, he said he has looked at some of Mr. Carter's materials. Mr. Tardiff said they are pretty comfortable with their New Hampshire approach, they do a lot of local planning and they also do some regional planning. He said there has been a great opportunity for them to work with other planning commissions to update the regional plan. He said there is a lot of information for towns to use or not. Mr. Tardiff said he understands that Mr. Carter has some concern about the fact that they sought funding from HUD's Office of Sustainable Housing and Communities initiative and what that means. He explained that this money helps support things that they typically wouldn't be able to do. Mr. Tardiff said they are there to provide support to towns with things like Masterplans, subdivision and site plan reviews, the ten-year plan process. Selectman Ives said he understood that Mr. Carter's concern is that we are going to be told how we're going to have our zoning ordinance and what we can do with our property. Selectman Ives said that he believes they do a good job with taking care of the needs of the citizens in our town with low income housing and elderly housing. He wouldn't want regulations that tell them what they need to

do. Mr. Tardiff agreed saying that is not how NH is and not how their organization is, it is not their role. Selectman Bowles said he was lead to believe that all the regional planning commissions formed an association and put one planning commission in charge. Mr. Tardiff said that Nashua is the contractor with HUD, each of the other planning commissions submits their time and bill to Nashua who compiles and submits one invoice to HUD, HUD pays Nashua and Nashua pays each of the other commissions. Mr. Tardiff said there are nine planning commission and they are nine distinct organizations. Chairman Krieger thanked Mr. Tardiff for coming in to speak to them.

Selectmen's Meeting Minutes — January 7, 2014

Present: Chairman Krieger, Selectman Ives and Selectman Bowles.

Also present was Road Agent Dave Rice, Fire Chief Rick Wright and Library Trustees Molly Ashland, Ken Krzewick, and Steve Del Deo.

Chairman Krieger called the meeting to order at 6:00 P.M.

Selectman Ives moved to approve the Selectmen's Meeting Minutes of Tuesday, December 17, 2013 as written. Seconded by Selectman Bowles. All in favor. Motion carried.

The Board met with Road Agent Dave Rice.

Mr. Rice explained that he has George Cooper with him. Mr. Cooper has applied for the vacant position with the highway department. Mr. Rice feels he will fit in with the crew. He said that he looked into his background as did Selectman Bowles and Steve Bennett. Chairman Krieger asked Mr. Cooper when he will be available to start. Mr. Cooper said tomorrow morning. Chairman Krieger asked if he can run all the equipment. Mr. Cooper said he can, he has run skidders, loaders, and he has plowed snow. Chairman Krieger asked Mr. Cooper what he wants to get from the town. Mr. Cooper explained that he didn't want to leave his previous job with a town but due to budget cuts and him being the last one hired he was the first one to go. He explained that he had been there for nine years. Mr. Cooper said that he also is a Captain in the Chichester Fire Department. Mr. Cooper said that Loudon is close to his home, he is nine years into the state retirement so in one year he will be vested in the system. Chairman Krieger asked if that means he will be leaving in a year; Mr. Cooper said no. Chairman Krieger asked if Mr. Cooper is looking anywhere else. Mr. Cooper said he looked into Bow but felt the commute and the size of the town weren't for him. Mr. Cooper said he knows Loudon roads because he has been running them in ambulances for thirteen years. Selectman Ives asked if he has a problem running a rake or a shovel. Mr. Cooper said no; he would do whatever it takes. Selectman Ives said he spoke to Fire Chief Quimby who said that Mr. Cooper does the mechanical work and some welding for the Fire Department. Mr. Cooper said he does, he also has a

Class A license and a current medical card. Chairman Krieger said that they can't pay him what he was making at his previous job. Mr. Cooper said he realizes that but he was there for nine years. Selectman Bowles explained that they are reviewing the highway department wages and considering COLA's so Mr. Cooper would benefit from whatever they decide in that respect. Selectman Ives explained that as far as benefits go medical/dental insurance is available, NH Retirement, one week vacation after a year, and ten holidays. The Board agreed to hire Mr. Cooper. Chairman Krieger stated Mr. Cooper will start tomorrow morning, January 8, 2014 at 7:00 am at \$15.55 per hour with a six month probation.

Mr. Rice said they got the truck repaired and back; they discovered a few more problems so the bill will be about \$8,000.00.

Selectman Ives asked if they have mixed any sand/salt. Mr. Rice said he had Fillmore haul some over because they haven't had time to do it.

Mr. Rice said they serviced three trucks today.

The Board thanked Mr. Rice and his crew for their hard work during the recent storms.

The Board met with Fire Chief Rick Wright.

Chief Wright explained that he received a response from NHDOT regarding the Red Pine Scale Tree Infestation. The Division of Forests and Lands and DOT District 3 will be meeting to discuss removal of infested trees.

Chief Wright said that the igniter on the furnace at Station Two was not working and was replaced. Chairman Krieger suggested that someone look into putting a light in the window so if it got below a certain temperature the light would come on.

Chief Wright explained they got reimbursed from Concord for the Gator repairs.

Chief Wright said they have the permit from DES for the Dry Hydrant Project at 92 Loudon Ridge Rd. Weather permitting the contractor will begin work next week.

Selectman Ives asked Chief Wright if he is aware of the application for the campground in Canterbury and the Zoning Board meeting tomorrow at 7:00 pm regarding that. Selectman Ives said that there was an article in the newspaper about the last zon-

ing board meeting and when asked about fire and police protection the comment was made that they are part of the mutual aid compact and so they are counting on Loudon and Belmont to cover for them. Selectman Ives said that is not what the mutual aid compact was designed for. Chief Wright said that he did know there was a meeting and he has a call in to the Canterbury Fire Chief to see if he should be there. Chief Wright asked if the Selectmen are planning on being there. Selectman Ives said he is going to try but he might be late. Selectman Bowles said he is going to try to attend, he feels it is important because it is going to weigh heavily on our services.

Chairman Krieger thanked Chief Wright and his department for their work in this weather. Selectman Bowles thanked them for their participation in the holiday food baskets. Selectman Ives thanked the department for the employee breakfast they served and for helping the highway department with shoveling out the community building the other day.

Chairman Krieger recognized the Library Trustees; Molly Ashland, Ken Krzewick and Steve Del Deo.

Mr. Krzewick explained that at the last budget meeting the Board asked for an updated version of the proposed budget.

Selectman Ives stated that he has given this some thought and he can't go along with a third full-time person. He doesn't believe they need a third person, he spoke to someone from a library that is twice the size of Loudon's and they just barely hired a third person. He said the library's budget doesn't reflect the increased cost to health/dental insurance.

The Trustees explained that the person they want to make full-time is already working for them part-time; nearly full-time. Chairman Krieger asked if they subtracted that part-time salary and the part-time salary for the person who recently left from the part-time wage line, replacing two part-timers with one full-timer. The Trustees said they did but explained that they voted to give her a raise from \$11.95 to \$14.00.

Mr. Del Deo explained that in this day and age there are a lot of electronic elements to library science. He said that they feel strongly that a full-time position would provide some incentive for a person to buy into a long term employment, give them the feeling of ownership so they are willing to take courses; that's very difficult to do with part-time help. Mr. Del Deo explained that this is very important to them; they want the blessing of the Selectmen. He said that they all don't agree on how to get there but they do need to get there. Ms. Ashland said they are all in agreement that the position is needed.

Mr. Del Deo said he is willing to compromise on the wage because he understands the obligations to the town's people as far as taxes go. Selectman Bowles said that the \$1,740.00 proposed increase is not the bottom line because taxes, retirement, insurance, etc. have not been figured in yet. Selectmen Bowles said he is struggling with the proposed wage. Chairman Krieger asked where they came up with \$29,120.00 to start someone in this position. Ms. Ashland said they figured full time hours times \$14.00 per hour.

Selectman Ives asked what this person will actually do. Ms. Ashland said it will include what she has been doing for 3½ years part-time; working with the state library, entering everything into the computer, inter-library loan program, circulation,

technology work, she's been going to classes so that when people come in with kindles, ipads, any new technology, she can help set them up, mans the front desk, helps develop programs, is responsible if Nancy or Cheryl is not available. Selectman Ives said that they have explained what this part-time person is already doing but not what a person in a full-time position would be doing. Ms. Ashland said that things she has helped with she would be doing full-time.

Chairman Krieger asked if this person is working more hours than what she is being paid for now. Mr. Del Deo said no, she is paid by the hour but she is close to forty hours now.

Mr. Del Deo said he feels it is important to have an adult at the library all the time.

Chairman Krieger said he isn't against it but what concerns him is what Selectman Bowles said; they're probably adding \$20,000–25,000 to the budget depending on whether she needs a medical/dental plan, retirement fees and COLA's haven't been figured in.

Selectman Ives mentioned that they decreased the lines for periodicals and reference materials; people at town meeting will say that's what a library is for. Mr. Del Deo said there aren't as many periodicals and reference materials are online. Ms. Ashland said that what you see now when you walk into the library is nearly every computer busy, sometimes for a few minutes, sometimes for hours, young people are doing homework, people are searching for jobs and doing resumes.

Selectman Bowles said his struggle is with the salary and with this the library isn't open any more hours. He said he isn't against it but the pieces haven't come together enough to make him stand up at town meeting and defend it. He said the trustees have done a good job trying to get most of the salary out of the part-time line. Chairman Krieger asked if there is any room to cut more out of the part-time line. Ms. Ashland asked if the Selectman would support them if the position was just under full-time at the rate proposed and they pursued health insurance through other means. Chairman Krieger said that she would then be a part-time employee and it would defeat the whole purpose of why they are here. Selectmen Bowles and Ives agreed. Selectman Bowles suggested they look at the part-time line again. He asked if the wage is fixed and promised, can it be less.

Selectman Ives told the Trustees that he still doesn't agree they need a third full-time employee; he won't speak against it at town meeting but if someone asks him he will give his opinion. Mr. Del Deo asked what they can do to appease the other two Selectmen. Chairman Krieger said he is not against it except for the money part. Chairman Krieger said he doesn't see where they can get that number down, but the Trustees need to have all the numbers and be able to defend and explain it at town meeting. Selectman Bowles suggested starting the position out lower and bringing it up. Mr. Del Deo said as an individual trustee he would go along with a lower starting rate. Mr. Krzewick said they have already approved the wage increase, do they go back and say on the other end you will be getting these benefits so we need to decrease the hourly wage. Mr. Del Deo clarified that if they could do something about the wages, the Selectmen would not speak against it and to some degree support it. Chairman Krieger agreed.

Selectmen — cont. from 28

Selectman Bowles said that he struggles with the fact that by adding the third person they are not adding more open hours. He said the library isn't even open forty hours a week.

The Trustees will take more time to look over their budget and get back to the Board. Selectman Ives asked that the Trustees not take his disagreeing with them on this as a reflection of their work as Trustees. He said he admires the work they have done. The Trustees will meet with the Selectmen again next Tuesday, January 14 at 6:30.

Chairman Krieger recognized Dan Aversa and Web Stout from the audience.

Mr. Aversa explained that he sent a letter to the Selectmen requesting that the Town take over Bert Lane. Mr. Aversa said that 72.2% of the lots/houses are owned by others. Chairman Krieger asked how many houses are on Bert Lane. Mr. Aversa said there are 18 lots, eight houses are built. Chairman Krieger asked how many houses on Bert Lane. Mr. Aversa said on Bert Lane itself there are two. Mr. Aversa said that Bert Lane is part of a bigger subdivision that connects onto Bee Hole and Chichester Roads. Mr. Aversa said that of the 13 lots owned by others, 8 of them being homes, about \$65,000.00 is generated in taxes. Mr. Aversa explained that he had Mr. Stout do an as-built for the Board to look at before they decide. Selectman Ives said they are looking at accepting Bert Lane not Loudon Woods Estates. Mr. Aversa said if they're talking about just Bert Lane there are seven lots total. Mr. Aversa said he doesn't understand why they wouldn't be looking at it all. Chairman Krieger said because he's asking them to accept Bert Lane, the Town already maintains Chichester and Bee Hole Roads so in his opinion that takes the houses on those roads out of the equation. Selectman Bowles said in his opinion if they took this road over at this point they would be crucified, their policy is to see 50-75% build out before they accept a road. He said they have been challenged twice, it stands and at this point he won't support it with just two houses. Mr. Aversa said these people are paying \$20,000 in taxes; they are entitled to have the road plowed. Selectman Bowles said it is Mr. Aversa's responsibility as the builder. He said that there are other roads in town waiting for the same reason. Mr. Aversa said that the

people are paying taxes and deserve to have the road plowed. Selectman Bowles reminded Mr. Aversa that the tax money doesn't just go to the highway department for plowing, it also pays for schools, fire, police etc. Mr. Aversa asked what other subdivisions in town are in this position. The Board said Memory Lane, Creekwater Lane, and the subdivision off Oak Hill that was challenged in court. Mr. Aversa said the big difference is that they have turned a piece of property that was generating taxes on one little A-frame into \$65,000 worth of taxes. Selectman Ives said that six of the homes are on town roads that are already accepted. Mr. Aversa said they have done everything they were asked to do as far as the easements on Chichester and Bee Hole Roads. Mr. Stout asked the Board if they have any questions for him. He asked if the as-built plan needs to go before the Planning Board. The Board agreed that when there are two more houses built on Bert Lane, the plan should go before the Planning Board and the Town Engineer and the Board will consider accepting the road.

Selectman Ives made a motion to accept a proposal from Nobis Engineering for the Groundwater Reporting and Post-Closure Monitoring Programs 2014-2015 Loudon Sanitary Landfill and Septage Lagoons in the amount of \$4,500.00. Seconded by Selectman Bowles. All in favor. Motion carried.

Selectman Bowles made a motion to accept the Annual Town Report bid for layout, scans, corrections, cover design and printing prep in the amount of \$1,000 by Debbie K Graphics. Seconded by Selectman Ives. All in favor. Motion carried.

Selectman Ives made a motion to accept the bid for printing of 1000 Annual Town Reports for the amount of \$2,099.76 from Evans Printing. Seconded by Selectman Bowles. All in favor. Motion carried. Selectman Ives said they have done the report in the past and have done a good job.

Chairman Krieger recognized Bill and Linda Cote from Bumfagon Road. Ms. Cote explained that about a year and a half ago she came in and talked about the track and concerts. She said that Mr. Fiske said they weren't having concerts; but they clearly are having concerts. Ms. Cote said that Mr. Fiske said he would think about it when he gave them the 2013 permit to operate; they still had concerts so she came back again. She said when they have campers come in on race weeks at night they are having full

blown concerts, setting up equipment, inviting all the guests to come participate, they are having fanfest week that they advertise on the radio to get people to go there for their concert, they are calling it a concert. Ms. Cote said she would like Mr. Fiske to not give them a permit to have concerts. She said she was in September of 2011 and is back to bring it up again. Selectman Ives said they have had this discussion with the racetrack when they've come in to talk about upcoming year of events and told them they are they are kind of crossing the line a bit, stand alone concerts are prohibited. Mr. Cote said they advertise on the radio. Selectman Bowles said he understands that having the bands kind of works for crowd control but advertising it and drawing more people in crosses the line. Ms. Cote said she disagrees that acts as crowd control; it brings people together encouraging them to misbehave and drink in excess. She said they have had riots there, then they stopped and it got really quiet and now it's working back to that again. Selectman Ives explained that by crowd control they mean that at the end of the race they have a concert which some people would stay to watch and it would meter the people leaving. Ms. Cote said she is not complaining about that, she agrees with it, to give them something to do and disperse slowly. She said it's when they start at 7:00 and then is full blown from 9:00 until midnight. Ms. Cote said that her house is on Bumfagon, the track is in her front yard. Mr. Cote said the music has been getting progressively louder and lasting longer. Selectman Bowles said there were a couple of times when it was loud and they were shut down. Selectmen Ives said they will have this discussion with them again and reiterate the Cote's concerns. Ms. Cote said when they hire a big name country musician to come in and perform, it's a concert whether they are selling tickets or not. Chairman Krieger said they will be meeting with the track and they will look into this.

Planning Board Meeting Minutes — December 19, 2013

Meeting called to order at 7:00 p.m. by Chairman Tom Dow.

Attendance:

Chairman Tom Dow, George Saunderson, Henry Huntington, Tom Moore, Stan Prescott, Bob Cole, Alternate Bob Ordway, *Ex-Officio* Dustin Bowles

Julie Robinson represented the Conservation Commission.

Acceptance of Minutes:

November 21, 2013 Regular Meeting — Stan Prescott moved to accept the minutes as written; seconded by George Saunderson. All were in favor.

Old Business:

Application #13-18, 4 McNeil Properties, LLC — Major Subdivision on Lovejoy Road in the RR District, Map 39, Lot 10. Stan Prescott recused himself from this case. Bob Ordway was appointed as a voting member for this case. Abutter Jon LeBrun was present. Web Stout of FWS Land Surveying represented the applicant.

Mr. Stout presented a revised lot configuration plan to Board members. He displayed the initial plan so the two could be compared. He explained that they could do much with the area or lines of Lot 10-1. He pointed out that they shifted a line and extended it straight back on Lot 10-2. Lot 10-2 went from 2.5 ac to 2.8 ac; Lot 10-1 went from 2.08 ac to 2.06 ac; and Lot 10 went from 3.3 ac to 3.03 ac. Mr. Stout stated that he has State subdivision approval on the initial plan but has not yet submitted the revised plan as he wanted to get the Board's thoughts first.

Tom Dow said the Board realizes that what is being done to the property is a good thing; it will remain the Lovejoy Farm to some degree. He said making the adjustments and configuring the best they can is what the Board is looking for. Hearing no questions from the public, the chairman closed the hearing to the public and opened it to the Board only. Tom Moore said the applicant has done about as good as they can with what the Board is asking.

Chairman Dow read a request for a waiver of Section 12.4.10 and 12.5.12 (site specific soil survey). Henry Huntington

made a motion to approve the waiver; seconded by Bob Cole. All were in favor.

Tom Moore made a motion to grant approval of the application; seconded by Bob Cole. In favor — Bob Ordway, George Saunderson, Henry Huntington, Tom Moore, Tom Dow, Bob Cole; Opposed — Dustin Bowles. Majority in favor — APPROVED. State subdivision approval is needed prior to the signing of the final plans; the two new lots (10-1 and 10-2) will be subject to impact fees. Mr. McNeil was reminded to see the Fire Department prior to working on the duplex conversion.

Stan Prescott returned to the Board.

Board Discussion:

Zoning amendments — George Saunderson addressed a proposed amendment to clarify contiguous buildable area and to require that area to be where a house and accessory buildings would go. Stan Prescott explained that they added "buildable" to the definition of contiguous area and added the last sentence relative to the placement of a house. He used a lot on Greenview Drive as an example, noting that the buildable area was at the back of the lot but you would have to cross a wetland to access the area. He said this seems to be a housekeeping matter. There was brief discussion about the proposed amendment. The Board agreed to hold a public hearing on the amendment at the start of the next scheduled Planning Board meeting. This would be on January 16, 2014 at 7:00 p.m., with the regular meeting to follow. It was noted that the wording, contiguous buildable area, should be made uniform on the Table of Dimensions and any other spot it may appear within the Zoning Ordinance.

Capital Improvement Program — Stan Prescott spoke about the CIP update. He explained that the committee reviewed and ranked new applications, adding them to the improvements schedule. He noted that police cruisers will now be shown on the schedule so that all capital purchases are included. Donna will speak with the assessor about valuations and formulas for calculating tax rate impact and then complete the update for review and public hearing.

Report of the ZBA:

There is no meeting this month.

Report of the Board of Permit:

Stan Prescott reported that there was no meeting this month.

Henry Huntington stepped down from the Board. He informed the Board that the appeal filed on the New England Flower

Farms approval will go forward; the court date is January 2, 2014 at 10 a.m.

Adjournment:

Stan Prescott made a motion to adjourn at 7:35 p.m.; seconded by Tom Moore. All were in favor.
