Honoree's, Retiree's and Jamboree's - All In This Edition!

On June 17, 2021 Chief Blanchette, Deputy Chief Lake, and Assistant Chief of EMS Operations Clough presented a "Lifesaving" collar pin and a certificate to Susan Gelinas for her quick thinking life saving actions at the Eggshell Restaurant. The previous week, when a patron suffered a choking event she performed the Heimlich Maneuver and was successful in relieving the airway obstruction and saved the patrons life. It is great to live in a community where people will spring into action to assist their neighbors. The pictures depict Assistant Chief Clough presenting Sue the pin and a copy of the certificate.

At the MVSD Retirement Tea our retirees were recognized. Mrs. Cathy Klapproth has taught at LES for 31 years and Ms. Paula Gatherum has served as school nurse for 20 years. These two faculty leaders will be greatly missed for the passion they bring to their work and dedication to our students.

Mission Statement...

To provide a comprehensive source of information and education about business, government, and community organizations within Loudon in order to facilitate and encourage informed citizen participation.

Loudon Ledger Submission Policy

All groups, organizations, individuals, etc are encouraged to submit articles to the Loudon Ledger. Special events, landmark anniversaries or birthdays, "attaboys" etc, are all welcome. Please note, however, that the Ledger will uphold its mission:

To provide a comprehensive source of information and education about business, government, and community organizations within Loudon in order to facilitate and encourage informed citizen participation.

We will also follow our Articles of Agreement, which are on file with the Secretary of State:

The corporation shall not participate in, or intervene in any political campaign on behalf of any political party or candidate for public office, nor shall it sponsor or endorse any plan or proposition that does not facilitate or encourage informed citizen participation.

In other words, any article submitted must present all sides of an issue in a factual, unbiased, manner so that the reader may form his/her own opinion based on the information presented. To paraphrase Eric Severard: "You should educate not

Articles should be submitted to the Loudon Communications Council, P.O. Box 7871, Loudon, NH 03307. They may be emailed to ledgerarticles@gmail.com. From there, they will be forwarded to the council for review before they are inserted in the Loudon Ledger. If you have any questions regarding this policy, please contact Mary Ann Steele, chairperson of the Council, 267-6509

To have your Church's information added to this column, please email your information to ledgerarticles@gmail.com

Girl Scout Troop 60180

Girl Scout Troop 60180 has been very busy this past year. You may have noticed us working around Loudon. Maybe you purchased our handmade ornaments at the Loudon Elementary School Christmas Fair. The sale of ornaments has allowed the troop to purchase Christmas gifts for young girls in New Hampshire foster care. The Girl Scouts also make Valentine cards each year for the residents of the Richard Brown House. Perhaps you bought Girl Scout cookies from the scouts at locations around Loudon. We are a community service-based Troop and want to share what the Loudon Girl Scouts have been working on.

Our Troop was inspired by a Loudon resident to make a "Birthday Box" to donate to the local food pantry. We thought that ensuring that children would not go without a cake on their birthday was a great idea. The Troop reached out to the community for donations in order to be able to purchase birthday boxes. Each box costs \$5. Each box contains cake mix, frosting, candles, a toy, and a handmade card from a girl in our Troop. We were hoping to raise \$40 so each of our 8 troop members could make one box. Instead, friends, family and Loudon residents donated \$1,000 and we were able to make 200 boxes to donate. We are so thankful to everyone that donated and are so happy to know that 200 children will not go without a birthday cake.

It has been a strange year for meetings, but our Daisies and Brownies have been working hard on earning their petals, badges, and journeys. We have a busy summer planned for our Troop and are so excited to share what we are doing.

www.girlscoutsgwm.org for information on joining.

As always thank you for supporting your future leaders!

Loudon Food Pantry

May 2021 Meal Numbers - We gave out enough food to create 6,251 meals to 237 individuals. 114 of those were age 60 and older, 40 were age 18 or under and 60 were in between those ages.

Loudon Lions Club - Food Drive – July 10th:

The Loudon Lions Club will be holding a food drive for us on July 10th. Look for more information in this edition of the Ledger.

Loudon Old Home Day – August 14th:

Just got word that Loudon Old Home Day will be happening this year! We will have a booth setup, collecting food donations and answering any questions people may have. To support the pantry, we will be selling wrist bands and bears. So, drop by our booth and say hi!

Pantry Needs List:

Our pantry needs list is updated a few times per month. It is always posted on our website. A post is put on Facebook when the list is updated.

Contact Information

Address: 30 Chichester Rd., Unit D, Loudon NH 03307

Phone: (603) 724-9731

Hours: Tue. 10 – 6, Wed. 10 – 1, Thu. 10 – 4 (Service by appointment

only)

Website: www.loudonfoodpantry.org

Facebook: LoudonFP

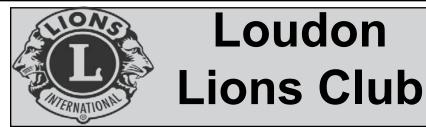

Do you live in Belmont, Canterbury, Chichester, or Loudon NH and need food? Call Sue at (603) 724-9731 to see if you qualify. The process is simple and if you have all your paperwork, you'll receive food the same day as your appointment!

NEW ADVERTISING CONTACT INFORMATION

LoudonLedgerAds@gmail.com

Advertising inquiries, and all new and/or updated, camera ready ads should be sent to LoudonLedgerAds@gmail.com. You will be contacted by Mike Cotton and/or a member of the Loudon Communications Council.

LIONS FOOR DRIVE ON JULY 10

The Loudon Lions Club will be holding a food drive for the Loudon Food Pantry on Saturday, July 10 from 10 a.m. to 2 p.m.. Tables will be set up in the parking lot of the American Legion Post 88 located at 45 S. Village Rd. in Loudon where people can drop off donations. Food Drive items can also be dropped off at the Lions truck parked at Dollar General on Route 106, also on Saturday, July 10, from 10 a.m. to 2 p.m.

Food Pantry Needs

Fresh fruits and vegetables (always welcome and better than canned)

Pasta / Rice sides dishes

Beverages (juices, whole milk, etc. – no soda please)

Beets, Canned (fresh or canned)

Carrots, Canned (fresh or canned)

Green Beans, French Cut

Condiments (mayonnaise, relish, ketchup, etc.)

Salad Dressings – none in stock and greens should be coming in from the farms soon.

Soup, Ready to Serve (Not condensed. soup you do not add water or milk to.)

Snacks (boxed brownies, cakes, frosting, cookies, crackers, jello, pudding, pie filling, nuts, etc.)

Items used for baking (flour, sugar, brown sugar, vanilla, baking powder, baking soda, etc.). If snacks aren't available, at least they can bake something.

Cash Donations

Size does matter: Due to USDA and NH Food Bank rules, the food pantry cannot break larger items into smaller portions. Therefore, a large jar of peanut butter can only feed one family, whereas two 16 oz. jars can feed two families.

During the course of 2020 the Lions raised \$1790.00 in funds, \$1800.90 in food items and \$230.35 in household items for the Loudon Food Pantry. They thank the residents of Loudon for their generous donations and hope to have another successful food drive on July 10. The Lions Club may be contacted at loudonlionsclub@gmail.com.

Loudon Police News

TOWN BEACH:

With summertime finally arriving, the Town Beach is getting lots of use. A quick reminder that a resident sticker is required to use the beach. You can obtain the permit from either the Loudon Transfer Station or the Town Clerk's office during normal business hours.

NASCAR:

With the restrictions for COVID being relaxed, NASCAR will be returning to the New Hampshire Motor Speedway July 17-18, 2021.

With the recent upgrades to Route 106, there will NOT be a road closure as in prior years.

We caution our residents that there will be anticipated heavy traffic flow not only on these two days, but days leading up to the actual event. Although we will not have officers at every side road, we will have officers strategically posted on Route 106.

TIMBERMAN TRIATHLON:

The Timberman Triathlon is returning and will come through Loudon on Sunday, August 22. The bicycle part of the triathlon will be Route 106 southbound, North Village Road, Wales Bridge Road and then northbound on Route 106. The approximate time frame will be from 07:00 a.m. until approximately 12:00 p.m. Expect some delays during this event.

NEW OFFICERS:

We would like to welcome to our team Officer Cameron Spellman and Officer Clayton Cyr.

Officer Cameron Spellman is currently attending the New Hampshire Police Standards & Training 185th Full Time Academy and is scheduled to graduate at the end of August.

Officer Clayton Cyr is tentatively scheduled to attend the 186th Full Time Academy which begins at the end of August.

Loudon Recreation Community FREE Summer Fun Night Wednesday, August 4th 6 – 7 pm The Mr. Aaron Band The Mr. Aaron Band is a thrilling musical adventure for kids and grown-ups alike.

Bring your lawn chair or blanket to the Recreation fields and join your family, friends, neighbors and community for some summer fun.

More events are being planned - so watch for updates on www. loudonnh.org and the Loudon Recreation Facebook page!

Event will be held at the Loudon Recreation Field and Arthur McNeil Memorial Gazebo in the village and is absolutely FREE OF CHARGE for ALL AGES RAIN CANCELS

Message from your Town Clerk

Happy Summer from the Town Clerk's office! We have made some changes in our office that we are eager to share with you.

We have changed our office hours: Monday, Wednesday and Thursday to 8:00AM-4:00PM. Tuesday's hours will remain the same with hours of 3:00 PM-8:45 PM.

We have joined forces with New Hampshire Fish and Game and can now register Snowmobiles and ATVs. We can also issue fishing and hunting licenses.

We can now register your boats! This has been a long time coming and we appreciate everyone's patience.

Abig thank you to Bonnie over at Chichester who has been processing them for us over the past few years. A friendly reminder on a few things. Please register your dogs with us. Dogs need to be licensed every year by April. We do get notifications from the vet's offices' when you take your dog for updated vaccinations. To avoid late fees, please be a responsible pet owner and license your dog.

Don't forget you can now get a transfer station sticker here as well. \$5.00 cash or check.(Please note, this needs to be a separate transaction from motor vehicle registrations). You can also renew and get quotes on your motor vehicles using our online E-REG system, right on our town website.

We have also welcomed Meghan O'Hare, as our new Assistant Clerk. You may know Meghan already as she is our Deputy Tax Collector. She is a great new addition to the team and we are looking forward to having her.

Lastly, I hope you all have a wonderful Summer and please don't hesitate to reach out with any questions,

concerns or suggestions.

Thank you, Respectfully Submitted, Ashley E. Simonds

Loudon Town Clerk

£

OUR COMMUNITY ROOM IS OPEN! Are you looking for meeting space for your small group? Do you need a quiet place to study? Call us! The community room may only be used during the Library's open hours. Contact Library Director Dena Norman at 798-5153 or maxlib@comcast.net to inquire about a reservation!

INTERLIBRARY LOAN SERVICES ARE AVAILABLE! Interlibrary loan services through the New Hampshire State Library have continued since September. Is there a book or a movie that Maxfield Public Library doesn't have in our collection? We can borrow it from another library for you! Call 798-5153 or email maxlib@comcast.net to submit an interlibrary loan request.

CURBSIDE DELIVERY & PICKUP OPTIONS: When you are unable to come inside the Library for your books, audiobooks, and DVDs, we'll bring them out to you! Materials can be reserved through our online catalog or by calling or emailing the Library directly. If you don't have a particular title in mind, Library staff are happy to put together a bundle of recommendations for you! A staff member will then contact you when your materials are available for pickup. Patrons are limited to 10 items on reserve but may still have up to 30 items per account checked out at one time. When you arrive to pick up your items, call our desk at 798-5153 for curbside delivery or ring the doorbell and we'll bring your items to the door.

MUSEUM PASSES AVAILABLE: Please call the Library at 798-5153 or stop by to reserve a pass. You must provide a specific date the pass will be used and coordinate with Library staff a time to pick up your reserved pass. Keep in mind that all museums' visiting hours may have changed due to the Covid19 pandemic. We ask that you contact the museum directly and check their website to become familiar of each museum's required safety and health recommendations. Some museums are requiring online reservations, as well.

Maxfield Public Library offers passes for free or reduced admission to: Canterbury-Shaker Village, Castle in the Clouds, Children's Museum of NH, McAuliffe-Shepard Discovery Center, NH Historical Society, SEE Science Center, Squam Lakes Natural Science Center, Strawbery Banke, and the Wright Museum.

Please continue to follow us on Facebook, visit our website at www. maxfieldlibrary.com, or check the Town of Loudon website at www. loudonnh.org for updated Library announcements.

YOUTH SERVICES NEWS

Summer has arrived! Virtual story time will be on Thursday mornings and virtual music and movement will be on Tuesday mornings. We will have weekly early literacy craft kits available as well as programs for teenagers.

TAKE AND MAKE CRAFT KITS: Our June craft kits have been very popular! You all

especially loved the jellyfish craft and cloud craft! Please email us at maxfieldlibya@gmail.com

and send us photos of your completed crafts if you feel comfortable doing so! In July we will

have a pinwheel craft, cow craft, cowboy craft, and a friendship bracelet craft.

VIRTUAL STORY TIME:

Our virtual story times will continue to be posted to our Facebook page on Thursdays at 10:30 am. We have been reading books about

the Fourth of July, honesty and telling the truth, cows, cowboys and friendship! We had an ocean themed story time in June! We look forward to bringing you more story times in July!

TEEN ADVISORY BOARD: Our Teen Advisory Board has continued to meet every other

week to talk about books and brainstorm new ones to order for the library. In June we had a last

day of school celebration! Email us at maxfieldlibya@gmail.com or call to find out more

information about joining the Teen Advisory Board! We craft and talk about books!

MUSIC AND MOVEMENT: Music and movement is a virtual program for young children. We have learned about counting, shapes, color, animals, and even a little bit of yoga. Singing,

rhyming, shakers, and scarves are often used in music and movement. This virtual music and

movement program is posted on our Facebook page every Tuesday morning at 10:30 am!

ANIME CLUB: Anime club is still going strong! We enjoy watching anime and chatting about

it as well! Email us at maxfieldlibya@gmail.com or call to find out more information about

coming to our next anime club meeting!

BOOK TO ART CLUB: Book to art club has continued to meet every other Friday. We will

continue to create art and pieces of writing inspired by our favorite books. Email us at

maxfieldlibya@gmail.com if you would like to join the Book to Art Club.

TEEN MOVIE CLUB: Come join us at the library to watch a film! It is always fun to view an

old classic or a new movie that has just come out. Email us at maxfieldlibya@gmail.com

or call for more information!

TAILS, TRICKS, AND TALES- SUMMER READING MAGIC SHOW: Saturday, June 26,

2021 starting at 11:00 AM. "Celebrate "Tails and Tales" this summer with the all-new (socially

distanced) "Tails, Tricks, and Tales" Magic Show from the award-winning children's entertainer

Mike Bent. "Tails, Tricks, and Tales" will use lovable animal characters to spark your young readers' imaginations, taking them to the woods, jungles, and farmyards where they'll encounter crazy characters, hear amazing animal stories, and learn how to perform their own magic tricks! -Mike Bent's Abrakidabra 2021

This performance kicks off our summer reading program for 2021. Be sure to register for our

summer reading program after the show! This event will be outdoors at the library, weather permitting. If there is rain, the event will be held at the Loudon Fire Station. Social distancing will be required. We may ask attendees to wear masks, if necessary, when social distancing is a concern or if we have to move indoors. We will provide masks for those who do not have one.

NO TWO TAILS ALIKE- SQUAM LAKES SCIENCE CENTER LIVE ANIMAL EVENT: Saturday, August 7, 2021 at 11 AM - 12 PM. An

animal's tail can serve as a rudder when swimming, help with agility during flight, or can even function like an extra hand. Meet live native wildlife ambassadors as a naturalist from Squam Lakes Natural Science Center tells tales of the tails of some of New Hampshire's native wildlife.

This event will be outdoors at the library, weather permitting. If there is rain, the event will be

held at the Loudon Fire Station. Social distancing will be required. We may ask attendees to wear masks, if necessary, when social distancing is a concern or if we have to move indoors. We will provide masks for those who do not have one. Check our Facebook page for new information regarding rain dates and change of location as the date gets closer.

THEMED BOOK BUNDLES: Email us at maxfieldlibya@gmail.com and let us know what

themes, genres, or topics you are interested in and we are happy to put a bundle of books

together for you! Book bundles for early readers have been popular this month, but we also enjoy

putting bundles together for patrons of all ages!

STORY WALK: Family Story Walk. The StoryWalk® Project was created by Anne Ferguson of Montpelier, VT and developed in collaboration with the Kellogg-Hubbard Library. Storywalk® is a registered service mark owned by Ms. Ferguson.

Our story walk is held at the Recreation Field. This is a great way to have a fun family activity while maintaining social distancing. Every Monday, families will be able to read the "story of the week" while walking along a pathway. Our Tails and Tales themed story

Continued on Page 8

Continued from Page 7

walk began on June 29th and a new story will be posted every other week until August 24th. This will be a great way to enjoy the sunshine and the summer weather with your family and loved ones!

READ WITH A LIBRARIAN: This program is for emerging readers or kids who would like to be read to. Email Christina at maxfieldlibya@gmail.com or call to schedule a half an hour time slot.

TALES SUMMER CREATIVE WRITING INSTITUTE: Genres we will explore: fairy tales, realistic fiction, fan fiction, love stories, horror stories, and the quest. Email us at maxfieldlibya@gmail.com or call to register and get more information. Workshops will be available to kids 8-12 and 13-18.

SUMMER READING PROGRAM: Children Pre-K through finishing 12th grade may register.

Children and teens will receive a reading log to keep track of books read and a summer reading

bingo sheet. Summer reading program sign ups began on June 26th, but you can sign up anytime! How it works

Ages 0-3 - For every 15 minutes they read they get a ticket or a prize.

Ages 4-9 - For every 30 minutes they read they get a ticket or a prize.

Ages 10-13 - For every 45 minutes they read they get a ticket or a prize.

Ages 14-18 - For every hour they read they get a ticket or a prize. When a child gets a bingo, they also get a ticket or a prize. Use your tickets to enter a raffle for bigger prizes during our summerlong program. Raffle drawings will be held at the end of Summer Reading!

Summer Means Vacation Bible School!

Our Children's Ministry leaders and VBS Director have decided to hold a one-day, 4-hour, ALL CHURCH event on Sunday, August 1 from 9 am - 1 pm. The theme will be The Prodigal Son. The children in grades 1-5 will begin at 9 am and will rotate from Opening to various stations such as Crafts, Cooking, Creative Drama, Science, Music, and more! There will be a preschool component from 11 am -12 pm and a worship service for any adults not actively serving the children from 11 am - 12 pm, focusing on the very same Bible Story. There will be a picnic/barbeque lunch from Noon to 1 pm – And following the lunch the children will do some type of presentation/show and tell. There is no charge for this event. Hope to see you there!

New Beginnings Church of the Nazarene is located at 33 Staniels Rd Loudon. Our buildings are wheelchair accessible.

Please call the church if you have any questions: (603) 224-1311.

Loudon **Pack 247**

Pack 247 had a great year, ending with a family/ friends BBQ at the recreational fields! Troop 247 scouts managed the grills, and families/ friends enjoyed a great meal together. Scouts received awards they achieved, which included rank advancement. The night ended with a Tie Station for all the children in attendance.

The Pack would like to say thank you to all of the parents, family members, friends, Town of Loudon, donors and most of all, the volunteers. Scouting cannot be this successful without all this help.

Please be on the Lookout for the Pack at town parades, Old Home Day, and other events this summer.

Any child from Loudon or surrounding towns can join grades K-5th. Please contact Amy Doolin 513.400-1330 or email: adoolin@sau4. org

Pack 247 is very proud of our 5 Arrow of Light, scouts who crossed over into Troop 247 and are ready to tackle the next challenge. We have 15+ active scouts and are looking forward to starting full time again in September.

The Pack would like to extend their gratitude to Dennis Jakubowski and Greg Fawcett for their time, energy, and enthusiasm they have brought to the Pack for the last 6 years! You have made a difference in all of the scouts' lives and have taught them so much!

Patching and repairing damaged roofs are our specialty. From leaky roofs, storm damage, and ice damage - we can fix it all. No job is too small and we take all our projects very seriously. Our roof repair experts know how fix major leaks and cracks, and replace missing shingles. All at prices that can't be beat!

Obituaries

Mark Fabian Molava

Northwood, NH — 65, passed away May 31, 2021 at Hospice House in Concord after a 14-month battle against a glioblastoma brain tumor. He was born January 30, 1956 in Manchester, CT and was predeceased by his parents, Andrew Molava and Laura Getswick Molava, and sister, Andrea Molava.

Mark grew up in Manchester, CT and moved to New Hampshire in 2001. Mark worked as a field engineer for GE Healthcare for the past 23 years, installing and servicing cardiac catheterization and patient monitoring equipment for hospitals throughout New England. He held an associate's degree in electrical engineering from Hartford State Technical College and bachelor's degree in business information systems from University of Phoenix.

Since he was a young child, Mark had a love of flying. He studied for a time at Embry-Riddle Aeronautical University in Daytona Beach, Florida and eventually obtained his private pilot's license. Mark also loved woodworking, computers and coding, and cycling.

Mark is survived by his daughters, Halle Molava and Kendall Molava of Lee; sister, Phyllis Lambert, and brother-in-law, Daniel Lambert, of Loudon; and brother, Paul Molava, and sister-in-law Susan Molava, of Hilton Head Island, SC.

Larry E. Stickney

Danbury, NH — Larry Emery Stickney, age 85 of Danbury, NH passed away on Friday May 21, 2021 at Concord Hospital after a period of declining health.

Larry was born on December 6, 1935 in Alexandria, NH to Ira A. and Laura E. Stickney and graduated from Newfound High School in 1953.

Larry joined the New Hampshire Army National Guard at the age of 18 and rose to the rank of Captain and battery commander. He served in Vietnam from 1967 to 1969 as

Captain of the 3rd Battalion 197th Field Artillery earning the Bronze Star, Army Commendation, and National Defense Service Medals.

Larry also worked all of his career for the State of New Hampshire. As a surveyor he worked on the planning and construction of Interstate 93. He also worked as an engineer for the State of New Hampshire's Highway Department until his retirement.

Spending most of his adult life in Canterbury, he worked on several conservation projects in town and was a dedicated conservationist and outdoorsman who enjoyed hunting, fishing, lumbering, and making maple syrup. Later he moved back to his hometown of Alexandria where he served as a selectman, recently relocating to Danbury.

Larry leaves his dedicated wife of 18 years, Carleen Stickney of Danbury, NH, as well as his son and daughterin-law Timothy and Ella Stickney of Epsom, and his daughter Lisa and her husband Christopher of Center Sandwich.

Larry also leaves his three grandchildren Scott Daneau, Laura Rodriguez of Waterford, CT, and Michael Stickney of Windham, NH, as well as four great-grandchildren and his brother Donald Stickney of Loudon.

He is predeceased by his first wife of 37 years, Lois, as well as his brothers Ira, Roland, Raymond and sister Madeline.

Obituaries

Celine R. Magee

Rochester, NH — Celine Renee Magee, 96, of Rochester, NH passed away peacefully at home Saturday, June 12, 2021.

Celine was born in Leuven, Belgium September 25, 1924, the daughter of Achille and Lucie (Rummens) Libert. She graduated from the Beroeps School in Leuven.

Celine lived in many areas throughout her husband's military service, including Germany, Greece, and Belgium. She wintered in Florida with her husband for 20 years. She was a dressmaker and loved knitting, crocheting, reading, walking, and tending to her flower garden.

Celine is survived by two sons, Joseph D. Magee Jr. and wife Karen of Rochester, NH, and James Magee and wife Robin of Loudon, NH; two daughters, Josette Krause and husband Tim of Palm Coast, FL, and Sarah Magee of Pittsfield, NH; seven grandchildren and three great-grandchildren. She was predeceased by her husband of 58 years, Joseph David Magee, as well as her daughters, Josine Magee and Jo-Ann Magee; her brother, Louie Libert of Brussels, Belgium; and her sister, Frances Fripon of Heverlee, Belgium

Celine will be placed with her beloved husband Joe during a private graveside service to be held at the New Hampshire State Veterans Cemetery in Boscawen.

Pamela R. McDonald

Penobscot, ME — Pamela Ruth McDonald, formerly of Hopkinton, NH, died April 16, 2021 at home in Penobscot, ME from T-Cell Lymphoma. She was born in Santa Cruz, CA on November 17, 1947 to Paul Laughlin McDonald and Marvis Lyle Campbell McDonald.

After moving with her young family from California to New Hampshire in 1987, Pam worked for five years with Wiita Family Realty in Concord, where she received numerous sales awards, before returning to the

nonprofit community for the next twenty years.

She served at Concord Hospital in charge of all fundraising and marketing events; as NH Regional Director of the National Kidney Foundation; Executive Director of the NH Community Colleges Foundation; and Executive Director of the Council on Fundraising.

Pam was an active volunteer in the Episcopal Church throughout her life, believing that strong Christian Education programs provided foundational moral and ethical values to children and young adults so they would make choices to help make the world a better place. She served as the volunteer director of Christian Education at St. Thomas, Medina, WA and at St. Andrew's, Hopkinton, NH, and was a member of the Vestry at those congregations as well as at St. John's, Dunbarton, NH.

She was commissioned by the Bishopof New Hampshire as a Diocesan Lay Preacher.

Pam served three terms as President of the Hopkinton Woman's Club and was the recipient of the Muriel Lima Award for exceptional service to the Hopkinton Community. She was an active volunteer in her children's schools and loved the many opportunities to serve as a room mother.

The long line of affectionate Springer Spaniels which Pam lovingly raised were always family and neighborhood favorites.

After surviving a year-long battle with Lymphoma in 2009, Pam felt called to ministry with the sick and dying. She entered Episcopal Divinity School at the age of 63 and graduated with a Masters of Divinity Degree. She was awarded the John Robbins Hart Memorial Prize, presented by the faculty for excellence in preaching. She joined Compassus Hospice and Palliative Care as a Chaplain, supporting patients and their families at end of life, and frequently was invited to officiate at their memorial services.

Pam's greatest joy in life was her family. She is survived by her devoted husband Christopher W. Closs; her three children, Joseph Robinson "Jay" Truesdale, IV and his wife Jacqueline of Loudon, NH, and their children Ella, Augusta, Charlie and Alden; Katharine Campbell Truesdale and her husband Cameron Frothingham of Great Cranberry Island, ME, and their sons Grayson and Merrin; and Benjamin Laughlin Truesdale and his wife Helene St. Leger Buchan of Philadelphia, PA; her brother Paul Michael McDonald and his wife Patti of Rancho Santa Fe, CA; and 16 beloved nieces, nephews, and great nieces and nephews. She was predeceased by her parents, and her sister Sandra Gene McDonald Clowes.

Pam will be interred at the Bay Cemetery in Penobscot, ME, a peaceful site overlooking the Northern Bay.

Loudon Historical Society

A Glimpse into the Historical Society by Liz LeBrun

The Historical Society would like to thank everyone who was involved in making our June 12th yard sale a huge success. Many people donated items to sell. Many Historical Society members helped set up

and tear down. Most importantly, many came by to browse and buy. Thank you all.

Looking back to the June article, we have gotten the help we needed to identify the "mystery item" pictured. Talking about maple sugaring in July is a little bit off season but Letty Barton identified the item as a scraper used to scrape down sugar buckets. Long before modern collection, processing and evaporation techniques, sap was often brought all the way down to maple sugar because it was easier to store and could be brought back to syrup if desired. Maple sugar dates back to Native Americans who had a process first documented in 1609. In the 17th and 18th centuries, the processed maple sugar was used as a substitute for cane sugar which had to be imported from the West Indies. It is documented that in 1818, maple sugar sold for half the price of imported cane sugar.

Today, sugaring operations have evolved to stringing tubing from tree to tree for collection purposes. Boiling over outdoor fires has evolved to boiling in stainless steel pans inside a sap house with controlled heat. Individual wooden buckets have become obsolete and wooden scrapers might be found sitting on a shelf in the Historical Society.

The Historical Society is now open on the first and third Wednesday of each month from 1-3 pm. Come and see how things have changed in the past 16 months. We look forward to your visit.

What's Cookin'?

Food, Food and More Food!

July What's Cooking

As I start this column I think about the song from my teenage days – "Lemon Tree". Do you recall it? Lemons add a refreshing touch to meals as the warmer weather progresses.

Blueberry Lemon Tea Cake

3 cups blueberries (fresh preferred)3 T. cornstarch4 large eggs1 cup small curd

cottage cheese

1 cup butter, softened 2 ½ cups flour 1 cup sugar 4 tsp. baking powder

1 tsp. vanilla ¼ tsp. salt

Zest from 2 lemons 1 tsp. fresh lemon juice

1 T. confectionary sugar

Preheat oven to 350 degrees. Line a 9" spring form pan with parchment paper and grease sides. Coat blueberries with cornstarch. Cream butter, sugar, vanilla and zest until fluffy. Add eggs one at a time, mixing well after each addition. Press cottage cheese through a sieve and scrape off the bottom. Add to creamed mixture. In a separate bowl combine flour, baking powder and salt. Sift into creamed mixture until just combined. Gently stir in lemon juice. Fold in 2 ½ cups blueberries. Put batter in pan and spread to the edges. Add ½ cup blueberries to the top and lightly press into batter. Bake 1 hour 10 min. Cool 10 min. in pan. Remove pan and peel off paper. Continue cooling on rack. Dust with 1 T. confectioners sugar.

Easy Lemon Bars

2 pkg. crescent rolls ½ cup sugar 2 lemons, zested and juiced, divided 2-8 oz. pkg. cream cheese 3 T. white sugar

Preheat oven to 250 degreesLine a 9x13 pan with foil and spray. Press 1 can crescent rolls in bottom of pan. Mix zest of 1 ½ lemons and juice of both lemons. Beat in cream cheese and then ½ cup sugar. Mix well. Spread over dough and top with other can of crescent rolls. Brush butter over the top and top with remaining zest and 3 T. sugar. Preheat oven to 350 degrees. Line the bottom of a 9x13-inch baking dish with aluminum foil and spray with cooking spray. Bake in the preheated oven until top is golden brown, about 30 minutes. Allow to cool for about 20 minutes. Lift dessert from baking dish using foil; transfer to a cutting board. Cut into squares, leaving on foil. Return dessert to the baking dish and refrigerate until chilled, at least 1 hour.

Fudgy Lemon Brownies

1 cup sugar
2/3 cup butter, room temp.
2 eggs
3 cup fresh lemon juice
4 cup fresh lemon juice
Grated zest of 1 lemon
Glaze:
1 cup confectionary sugar
2-3 T. fresh lemon juice
Grated zest of 1 lemon

Grated zest of 2 lemons

½ tsp. salt 1¼ cup flour

Preheat oven to 350 degrees. Line 8 or 9' pan with foil, extending foil over edges. Coat well with cooking spray. In large bowl, stir together sugar and butter until combined. Add eggs one at a time and stir until just barely combined. Stir in lemon juice, zest, salt and flour until soft batter forms. Do not over mix. Spread batter in pan and smooth top.

Bake 22-25 minutes until top is set and light golden brown. GLAZE: In small bowl whisk together confectioners sugar and enough lemon juice until glaze is pourable. Pour over bars and smooth out. Top with zest. After glaze is set cut into bars. Makes 9-12 servings.

Lemon-Raspberry Mousse Desert

1pkg. lemon flavored jello 1- 8 oz. tub whipped topping 1 cup ice cubes 1/3 cup seedless raspberry preserves

1 -8ox pkg. cream cheese, softened

1 ½ cups fresh fruit (optional)

Stand 16 wafers around edge of plastic lined 8" pan. Add boiling water to jello, stirring until dissolved. Stir in ice until melted. Beat cream cheese, sugar and zest until blended. Gradually beat in jello mixture. Whisk in 2 cups whipped topping. Pour half this mixture into pan, cover with 16 wafers. After microwaving preserves until soft, spread on top of wafers. Pour second half of batter on and top with remaining wafers. Refrigerate 4 hours or until firm. Invert dessert onto plate and top with remaining whipped topping.

Lemon Shrimp

1 stick butter2 lemons, sliced2 dozen large shrimpOne packet Italian seasoning

Melt butter in 9x9 pan. Layer lemons on top. Place shrimp on lemons and sprinkle on the Italian seasoning. Bake at 350 degrees for 15 minutes. Can be used as an appetizer or main dish.

Lemon Pudding Cake

3/4 cup unsalted butter, softened1 1/4 cup milk1 1/2 cups sugar1/3 cup canola oil1 pkg lemon pie filling1 tsp. vanilla2 T. fresh lemon zest1 3/4 cups flour

4 eggs 4 tsp. baking powder

3 T. cornstarch 1 tsp. salt

Preheat oven to 325 degrees. Grease and flour a large Bundt pan. In medium bowl, whisk together flour, cornstarch, baking powder and salt. Set aside. With an electric mixer and paddle attachment cream together butter and sugar until light and fluffy – about 3 min. Add the lemon pie filling (Do not cook) and combine thoroughly. Beat in the eggs one at a time. Mix in the zest. Combine the milk, oil and vanilla in large measuring cup. Starting with the dry ingredients, alternate pouring a third of the wet and dry ingredients into the mixer bowl. Incorporate well after each addition. End with the wet ingredients. Mix on medium for 2 min. after the last addition. Pour batter into pan and bake for 50-60 min. or until a tester comes out clean. Invert cake on baking rack to cool. Frost with your choice of frosting and top with lemon zest.

Governor Sununu, Commissioner Caswell Join David McGrath to Kick Off New Hampshire Motor Speedway's 2021 Season

Governor Chris Sununu, Commissioner Taylor Caswell and David McGrath kicked off the 2021 racing season at New Hampshire Motor Speedway and enjoyed hot laps around "The Magic Mile" in exotic cars from Xtreme Xperience.

LOUDON, N.H. – Governor Chris Sununu, Commissioner of the New Hampshire Department of Business and Economic Affairs Taylor Caswell and New Hampshire Motor Speedway (NHMS) Executive Vice President and General Manager David McGrath kicked off the summer season of racing and shared their excitement for bringing fans back to the 1.058-mile speedway on Friday, June 4 at NHMS. Sununu, Caswell and McGrath also enjoyed hot laps around "The Magic Mile" in exotic cars from Xtreme Xperience.

"Today we are here to officially say 'We are back," said McGrath. "We are full capacity for our July 17-18 NASCAR weekend with the Foxwoods Resort Casino 301 as the headliner as the Cup Series returns to the Granite State and 'The Magic Mile' here at New Hampshire Motor Speedway."

McGrath went on to acknowledge the importance of the speedway's strong relationship with the state of New Hampshire.

"Our business doesn't run by itself," said McGrath. "It requires a great coordination with the state of New Hampshire led by Governor Chris Sununu and making sure that we can get our speedway up and running for our major events."

"It has been a very hard 62 weeks, but we've come through it with flying colors, and that's because of partnerships, so a big thanks to David and his entire team," said Sununu. "We just aren't where we are without New Hampshire Motor Speedway being a big part of the pandemic playbook, as you say, and we put you on page seven of the playbook that we wrote. It says 'Step five, call the speedway,' because they're always going to be there for us, they really are, it's really phenomenal."

Through its diverse schedule of events, "The Magic Mile" annually hosts tens of thousands of fans from across the country and serves as a significant economic driver for the town of Loudon, state of New Hampshire and all of New England.

"I just want to say thank you to David and the team here for everything they do here for our state," said Commissioner Caswell. "This is very truly a crown jewel of our experience in New Hampshire, not just for tourism sake, but for the sake of people who want to find that live and work experience and live on the east coast, find a great place to live, be near a NASCAR center point and all of the races that happen through the summer. I just want to say thank you for everything you guys have done. We're very excited for the season this year. We're looking at a record tourism season for New Hampshire, and the events that happen here are such a big part of that."

NHMS is geared up for an action-packed racing season that kicked off with Motorcycle Week at NHMS June 12-20 featuring the 98th Annual Loudon Classic, the July 17-18 NASCAR race weekend highlighted by the NASCAR Cup Series (NCS) Foxwoods Resort Casino 301, plus the Granite State Legends Cars Road Course Series (RCS) and many other racing clubs, driving experiences and more throughout the summer.

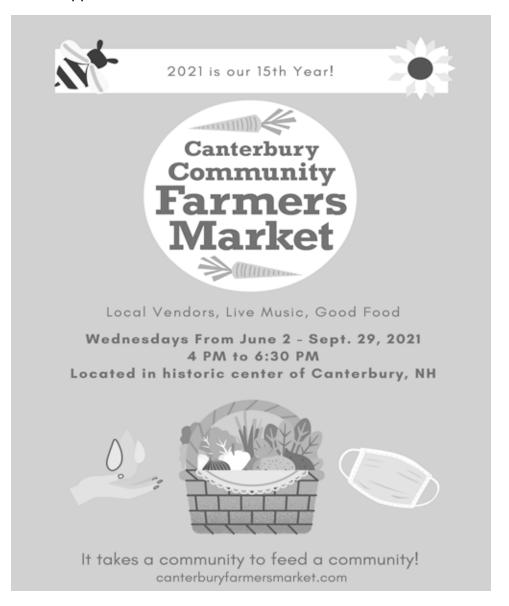

The NASCAR Xfinity Series (NXS) and NASCAR Whelen Modified Tour (NWMT) return to the July racing lineup to kick off NHMS's NASCAR race weekend on Doubleheader Saturday. NASCAR's rising stars will compete in the Lakes Region 200 and the New England fan-favorite modifieds are sure to put on an intense race at the Whelen 100.

The NCS will make its traditional mid-summer visit to "The Magic Mile" for the Foxwoods Resort Casino 301, which will mark the series' 50th Loudon appearance. Will defending race winner Brad Keselowski land in victory lane again, or will Kevin Harvick earn the title of NHMS's winningest NCS driver? Will Ryan Preece score his first NCS win at his hometrack, or will reigning NCS champion Chase Elliott win his first giant lobster?

In addition to the on-track action, other traditional race weekend experiences for fans will return this year including camping, Fan Zone and entertainment.

Follow Us:

Keep track of all of New Hampshire Motor Speedway's events by following on Facebook (@NHMotorSpeedway), Twitter (@NHMS) and Instagram (@NHMS). Keep up with all the latest news and information on the speedway website (NHMS.com) and NHMS mobile app.

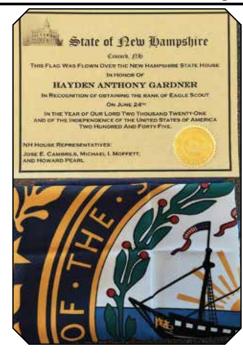

IOWA VETERINARY
MEDICAL ASSOCIATION
(IVMA) AWARDS
SCHOLARSHIP TO IOWA
STATE UNIVERSITY,
COLLEGE OF VETERINARY
MEDICINE GRADUATE

Ankeny, IA (June 9, 2021) -- The Iowa Veterinary Medical Association (IVMA) is pleased to announce that Dr. Erin Barrett originally of Loudon, NH was recently awarded one of nine 2021 IVMA Foundation Sustaining Involvement with the IVMA Scholarships for \$1,000. The recipient of this scholarship must demonstrate community involvement and be active in organized veterinary medicine leadership.

Dr. Barrett earned her undergraduate degree in Animal Science and Biology from the University of Findlay in Findlay, OH. She recently graduated from Iowa State University College of Veterinary Medicine with her Doctor of Veterinary Medicine. Dr. Barrett will begin her veterinary career working in a large animal general practice and practice racetrack medicine.

The Iowa Veterinary Medical Association (IVMA) is a 501c3 nonprofit, member-service organization dedicated to the veterinary profession. The IVMA supports member veterinarians and promotes the profession through continuing education, publications and advocacy.

For more information, please contact Teresa Farrell at 515-965-9237 or ivma@iowavma. org.

COURT OF HONOR FOR LOUDON EAGLE SCOUT

An Eagle Scout Court of Honor was scheduled for June 24th at the Belknap County Fairgrounds to recognize the impressive scouting accomplishments of Loudon's Hayden Anthony Gardner. Hayden's efforts and achievements place him in one of the highest echelons of the American scouting community.

three State Loudon's Representatives, Howard Pearl, Mike Moffett, and Jose Cambrils, had hoped to attend the June 24 recognition event, but that day saw the House of Representatives convening for it's final session of the spring schedule. So the legislators purchased a flag which flew over the New Hampshire State House for presentation to Hayden on June 24, along with two proclamations.

Congratulation to Hayden and his family!

Lee and Laura Smith Receive Loudon Lion Recognition

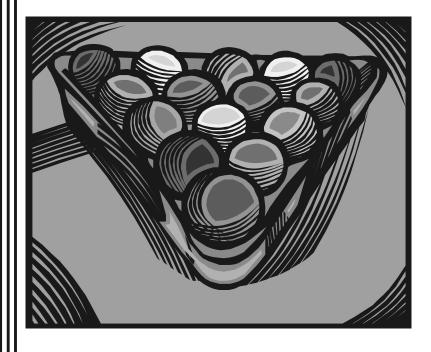

At the bi-weekly Loudon Lion meeting on June 15 at the Loudon Legion building, longtime Loudon Lion Sara Wagner (dark shirt) made a special plaque presentation to Laura Smith, who along with husband Lee were charter members of the Loudon Lions over 15 years ago. The Lions greatly appreciate the Smiths' many years of service and contributions to the club, which now has record membership numbers.

For more information about the Loudon Lions and their activities and programs, contact Club President Vince Giambalvo at loudonlionsclub@gmail.com.

Lions District 44H Governor Marie Hall attended the Loudon Lions Club meeting on May 18 which was held at the Loudon American Legion Post to induct two new local members. Pictured from left to right are Loudon Lion sponsor Shawn Jones (in tie), inductee Gary Tasker, Marie Hall, inductee Larry Elliott, and sponsor and Club President Vince Giambalvo.

Senior Walk

LES hosted our annual Senior Walk where we welcome back the LES alumni for a celebratory walk in their caps and gowns. The whole school, along with families of graduates, gathered around the soccer field. Graduates were greeted with signs and cheers as they completed two turns around the field. The walk was followed by refreshments and happy reunions with former teachers and staff.

With summer fast approaching, LES reminds our students and families to read, read, read this summer! The LES Student Council hosted a Penny War between grades. Students excitedly competed by bringing in coins (and some bills too!) to earn points for their team. Over \$1500 dollars was raised to benefit the purchase of recess equipment. The victorious second grade enjoyed an ice cream sandwich party as the winning team! 5th Grade Student Council members guided the school in the recognition of Memorial Day. Students led the school in the pledge and shared the meaning of this holiday with their peers. These individuals demonstrated excellent public speaking skills!

Corner of 106 & 129 Loudon, NH

LOUDON LIONS SUPPORT TWIN STATE SOCCER CLASSIC

The Lions Twin State Soccer Association sponsors annual All-Star soccer games pitting the top high school boy and girl seniors from New Hampshire against their counterparts from Vermont. This year's games will take place on Saturday, July 17, at Hanover High School. The girls will play at 2 p.m. and the boys will kick off at 4:30 p.m.

This year's Granite State girls team included two players from Merrimack Valley High School: Kaylee Magoon and Rhiley Tanguay.

The Loudon Lions Club purchased eight tickets and sent them to MVHS Director of Athletics Kevin O'Brien to distribute accordingly.

Congratulations to Kaylee and Rhiley, and GO NEW HAMPSHIRE!

Kaylee Magoon (t) and Rhylee Tanguay (B) creating some space while moving the ball for Merrimack Valley High School

Richard Brown House-July 2021

June was a busy month at Richard Brown House. The residents celebrated Flag Day with flags on their unit doors and small flag pins to wear to show their respect to Old Glory. An Arts & Crafts Show was planned for residents to showcase their handmade projects to their neighbors. The residents participated in a Pink Flamingo Hunt around the property to celebrate Pink Flamingo Day on June 23 and received brand new sunglasses for National Sunglasses Day on June 27. Everyone learned about skin cancer and how to prevent this deadly disease which impacts a high number of elderly people-and the residents received some sample SPF 30 sunscreen. The

residents enjoyed ice cream sundaes delivered to their door this month as well as a delicious pizza lunch from Loudon Village Country Store. Gardening continues on the property and we can really see progress with all the flowers, vegetables, and herbs shooting up. The Maxfield Library gave us a nice donation of DVD's and large print books which the residents enjoyed and appreciated immensely. We received a donation of Dunkin Donuts Gift Cards to be used as prizes for activities, contests, and games. One of our residents donated needed food to our in-house food pantry, as our shelves were getting bare, and is organizing other residents who want to donate. That food donation was supplemented by more food purchased with grant funds by our Property Manager.

In July, many of our residents have Independence Day plans with family and friends and others will celebrate onsite with their neighbors. Richard Brown House will be providing a hamburger and hot dog cookout sometime in July as a special summertime treat. Seated chair exercises will be available for residents, streaming on the screen in the Community Room, for those who want to keep moving, reduce stress, and improve balance, posture, and flexibility. We hope this month to see residents coming together in organized groups and committees to start planning recreational activities and addressing needs at the property. We are sharing ongoing local community activities with the residents to help them stay engaged and active as they are out and about.

Our in-house food pantry could always use some donations of healthy non-perishable food for our residents. Next time you're out shopping, pick up a few things for our residents, too, and drop them off at Richard Brown House. Please note that we cannot accept expired foods or food packages that have been opened.

Feel free to reach out to me anytime with questions, ideas, or support for our residents. Torey.kortz@voanne.org 603-798-3190 ext. 202. Our Property Manager, Lucie Bilodeau, can be reached at lucie. bilodeau@voanne.org 603-798-3190 ext. 203.

Non-Native Turtle Found in Clough Pond

A non-native species of turtle has been discovered living in Clough Pond. This turtle's native habitat does not include New Hampshire but rather the south-central United States. The New Hampshire Fish and Game Department categorizes this as a non-native species. It is not yet considered an invasive species in New Hampshire and it appears that perhaps our winters are keeping it from becoming an invasive here. That's hopeful news. But we need to keep in mind that the International Union for the Conservation of Nature places this turtle species on its list of the 100 most invasive species in the world. I have video evidence from May 16, 2021 of this turtle in Clough Pond but do not have any evidence as to whether there are any more living in the pond. F&G identified this mystery turtle as a Red-eared Slider. One may recognize this as either the most common turtle species sold in pet stores or perhaps as the species of turtle portrayed in the 1990 movie Teenage Mutant Ninja Turtles. I trust that our turtle does not have any of the advanced capabilities of its movie counterparts. There have long been Common Snapping turtles in the pond. They can reach a length of 20 inches and live for 30 years. We also have Painted turtles which can be up to 10 inches long and live up to 55 years. The Red-eared Slider can reach a length of 16 inches and live 30 years. It is similarly sized to the Painted turtle and can easily be confused with them.

I believe that the most likely source for how this species of turtle got into Clough Pond was as a released pet from a household that no longer wanted it as a pet. Never a good plan. I hope that it is a one-off and is not breeding. New Hampshire has not yet banned the sale of these turtles. Our Maine neighbor has banned their sale.

At this time, we all should be keeping a lookout for any more evidence of Red-eared Sliders in Clough Pond. Should you see one we ask that you leave it alone. Do not disturb or try to capture it. But if you can safely do so, take a photo of it and report it to NH F&G by way of their Reptile and Amphibian Reporting Program (RAARP) or you can email the photo to me at tom.edwards@cloughpondnh.org and I will forward it to F&G. Please include the date, time, and location where the photo was taken.

My video of this turtle in Clough Pond is available on YouTube at https://youtu.be/2SeA5Xd0HGY or from the Clough Pond Association's website at http://www.cloughpondnh.org/ then select Weeds | Underwater (YouTube). In the video the Red-eared Slider is hanging with a Common Snapping turtle.

As always, thank you for joining the Clough Pond Association in helping to keep Clough Pond safe and free of invasive weeds and animals. Join me in thanking our longtime partners and sponsors in this effort, Brookside Pizza, NH Lakes and the Loudon Conservation Commission.

Tom Edwards, President Clough Pond Association

Members of the department continue to participate in and complete various training programs to improve upon and enhance their skills. Last month Ryan Collard completed and passed his NH Firefighter Level II program as well as Peter Sargent completed and passed his NH Firefighter Level I program. Chief Blanchette completed and passed the NH Fire Inspector II program offered at the NH Fire Academy. Chief Blanchette and Lt. Brooks participated in a National Fire Academy delivery course at the NH Fire Academy titled "Leadership in Supervision: Creating Environments for Professional Growth". Both passed the program successfully and look forward to attending the next module in the series during August. Maddison Hebert participated in Candidate Physical Ability Testing which is one of the requirements one must pass in order to be eligible for employment as a career firefighter in NH which she successfully passed. Maddison is also currently enrolled in an Emergency Medical Technician class in Nashua. Deputy Chief Lake is currently enrolled and studying for his certification as a National Fire Protection Association Certified Plans Reviewer and plans on taking his written exam in July. Many other members of the department participated in our monthly training meeting which included vehicle extrication practice and forestry pump training. EMS training in June focused on mental health wellness and issues for public safety workers. This training coincided with a new peer to peer support guideline which was developed for the department. We have three members of the department who are heavily involved in mental health awareness training and Zachary Powell is a certified peer support provider within

our organization. Our training partnership with the Concord Fire Department continued in the past month with four different groups participating with each of the four battalions from Concord working together on truck company operations. Our group has been working with our 2004 95-foot tower in conjunction with Concord and their 100-foot tower truck. This training is designed to train on how to set the truck up in various situations to best effect operational objectives such as performing rescues from windows and ventilation operations on upper floors of a fire building.

We concluded filling all the fire water cisterns in town and at the same time all the dry hydrants were backflushed during the month of June. Crews went out and performed annual painting of all locations as well as vegetation control and visual inspections of all locations. We have been working with Stony Ridge Environmental to obtain the necessary permits to install a new dry hydrant on Staniels Road, Currier Road, and Shaker Brook Park. We have received preliminary approval for the Staniels Road location and are in hopes of completing that project this summer.

Working collaboratively with the NH Department of Natural and Cultural Resources Division of Forests and Lands we were able to obtain a 2004 Stewart Stevenson two and half ton all-wheel drive military surplus truck. The truck came to the town at almost no cost as it remains the property of the state but is assigned to the town to be used for wildland fires and other emergencies as needed. The cost to the town is fuel, routine maintenance, insurance, and necessary equipment. The value of the truck is placed at \$176,000.00. This truck will replace our 1987 Chevrolet 1 ton forestry truck which previously was a rescue for the town before being converted to a forestry truck. Work to equip the truck is being conducted in house by our multitalented team and the truck should be placed in service in late July.

Summer is meant for grilling. Everyone enjoys being outdoors and becoming a grill master, a skill that cannot often be practiced during the winter months and oftentimes a taste we long for during those cold days of January and February. Seven out of 10 adults in the U.S. have a grill or smoker, which translates to a lot of tasty meals. But it also means there is an increased risk of home fires. In 2014 -2018 fire departments went to an annual average of 8,900 home fires involving grills, hibachis, or barbecues per year including 3,900 structure fires and 4900 outside or unclassified fires. July is the peak month for grill fires (18%) followed by June (15%), May (13%) and August (12%). On average 19,700 patients per year went to an emergency room because of injuries involving grills in the U.S. Children under the age of five account for an average of 2000 of the contact type burns per year. Gas grills were involved in a large percentage of the fires and generally caused by leaks or breaks in gas lines or burners. This information was gathered from statistics provided by the N.F.P.A. Members of the LFD want to remind everyone that grills should be placed away from structures, and you should inspect the condition of your grills before using them. If something does not look right, call a professional to come and look at it and make repairs or discard the grill properly and replace it. Always watch children when grills are in use, especially young curious toddlers. When a grill is in use make sure you have a fire extinguisher located in proximity and if a fire does occur do not panic, stay calm, evacuate the area and call 911.

One of Loudon's minor league baseball teams won the league championship for Suncook Valley this past weekend. This team was coached by Chris Forsberg, Dennis Jakubowski, Greg Tetreault, and Kristi-Lyn Rackliff and sponsored by Brookside Pizza. Team members include: Back Row: Colby Tetreault, Tommy Forsberg, Mason Crete, Trey Jakubowski, Jonathan Degges, Ryder Rose, Trenton Rackliff, and Coach Chris Forsberg. Front Row: Coach Greg Tetreault, Ryan Forsberg, Bradley Pease, Xavier Clark, Wyatt Winter, and Coach Dennis Jakubowski. Not Pictured: Bentley Dickinson, Coach Kristi-Lyn Rackliff

LOUDON POLICE ASSOCIATION DARE SCHOLARSHIPS:

This year we were able to award three \$1,000 scholarships to Loudon graduating high school students. The awards were based on academics, community service and most importantly, of what or how the D.A.R.E. program has helped them make positive decisions, how they will continue to remain a positive role model in the future and what their future goals are. Once again, we had some excellent applications. The three students receiving awards were Emily Koufos, Caitlyn Fortier, and Kerragan McNeil.

The Loudon Police Department congratulates the finalists and wish all the applicants success in their future!

Fire Department on Memorial Day 2021

Scenes From Loudon

Loudon Post #88 Legionnaires Mike Moffett and Glen Booth collaborated on a flag mission in Epsom on June 26 when they deployed 62 flags around the Meadowbrook residential complex. They are wearing their Lions caps because they're also members of the Loudon Lions Club!

The Town of Loudon would like to send Special Thanks to Pleasant View Garden for the flowers both at the Police Station as well as the Town Office building!

LOUDON HOMETOWN HERO BANNERS ARE UP

beautiful The Hometown Hero Banners were back up in Loudon Village in time for Memorial Day. Pictured atop the ladder is Loudon Post #88 Legionnaire Jim Timmons, who helped place a banner in honor of his aunt, Winifred Richardson, who served in the U.S. Navy during World War II. Winifred is now approaching 103 years of age. Standing below (I-r) are Loudon native Kathleen Labonte Lofaro, banner coordinator Matt Wieczhalek-Seiler, and Post #88 Commander Ken Ward. Loudoners who would like to honor a veteran relative or friend, living or deceased, should contact Matt at mattseiler5757@ gmail.com or at 603-219-6792.

Loudon Summer Swim Program - 2021

Child's name(s)

The Loudon Recreation Committee would like to once again offer Red Cross swimming lessons at Clough Pond. Due to current guidelines, lessons will need to be limited to no more than 3 swimmers at a time, preferably family members or friends who spend time together socially. Given the very small class size, lessons will be offered in one week sessions. The first session is anticipated to begin on July 19th with the last session to end on August 13th. Each

session will cost \$30 per child with a family rate of \$90 maximum. Children *must* be at least 5 years old at the start of lessons. An adult must be present during the child's lesson. CDC, Swim NH and Loudon town protocols will be followed.

To register, send this form with payment to Laurie Jaquith, 123 S Village Rd., Loudon, NH 03307. *Please make checks payable to Loudon Recreation*. If you have any questions regarding the program, please call Laurie at 568-0971 or email at Icjaquith1@gmail.com. You will receive an email notification of your lesson time(s) at least one week prior to the start of each session. We anticipate morning lessons to occur between 8:00-10:00 am. *We reserve the right to cancel a session if the minimum enrollment is not met.

Loudon Selectmen's Meeting Minutes

Selectmen's Meeting Minutes Tuesday, May 11, 2021

- I. Chairman Prescott called the meeting to order at 6:00 p.m. Chairman Prescott read the following notice: As Chair of the Select Board, I find that due to the State of Emergency declared by the Governor as a result of the COVID-19 pandemic and in accordance with the Governor's Emergency Order #12 pursuant to Executive Order 2020-04, this public body is authorized to meet electronically. Please note that there is no physical location to observe and listen contemporaneously to this meeting, which was authorized pursuant to the Governor's Emergency Order. However, in accordance with the Emergency Order, I am confirming that we are:
- a. Providing public access to the meeting by telephone, with additional access possibilities by video or other electronic means: We are utilizing the UberConference platform for this electronic meeting. All members of the Board have the ability to communicate contemporaneously during this meeting through this platform, and the public has access to contemporaneously listen and, if necessary, participate in this meeting through dialing the following phone #802-210-4419 or by clicking on the following website address: UberConference.com/townofloudon
- b. Providing public notice of the necessary information for accessing the meeting: We previously gave notice to the public of the necessary information for accessing the meeting, including how to access the meeting telephonically. Instructions have also been provided on the website of the town at: loudonnh.org
- c. Providing a mechanism for the public to alert the public body during the meeting if there are problems with access: If anybody has a problem, please call 798-4541 or email at: selectmensoffice@loudonnh.org.
- d. Adjourning the meeting if the public is unable to access the meeting: In the event the public is unable to access the meeting, the meeting will be adjourned and rescheduled.

Please note that all votes that are taken during this meeting shall be done by roll call vote.

Let's start the meeting by taking a roll call attendance. When each member states their presence, please also state whether there is anyone in the room with you during this meeting, which is required under the Right-to- Know law.

Roll call attendance: Chairman Prescott – present at the EOC with Fire Chief Tom Blanchette, Selectman Miller, Selectman Maxfield and Road Agent Russ Pearl. Also, in attendance was Planning Board member Katie Phelps who was home with Todd Phelps, Zoning Board member Earl Tuson who was home alone and Police Chief Kris Burgess who was home alone.

- Chairman Prescott opened Board of Permit.
- a. Chief Blanchette said that the Timberman Triathlon is first on his agenda. He explained that they have been working with him, the City of Laconia, the State of NH, Town of Belmont and Town of Gilmanton about conducting their event here in town. He explained that they have submitted a special event license application, the event would be held August 22nd, the bicycle portion of the event would come through here, they expect up to 2000 people, the fee for that license would be \$250. Chief Blanchette said they understand

that they would be responsible for any public safety services required and traffic details. He said that he and Chief Burgess have been working with them. Chief Blanchette said they've laid out a good plan, there is some concern with the 129 section. Chief Burgess said he worked this event for several years; he does have some concerns about the route they are going to be taking up 129. He said 129 has little to no shoulders, it's very curvy and a lot of traffic, he sees a lot of issues. Chief Burgess said they've never used 129 for this event and he feels like it's going to be dangerous. Chairman Prescott asked Chief Blanchette to outline the route. Chief Blanchette explained that the riders would ride south on 106 entering Loudon, they will turn right onto N. Village Road, down Oak Hill to School Street, to 129, turning left on Clough Hill Road and turning north on 106. Selectman Miller asked if they could continue down Village road to Wales Bridge to Staniels Road. He said he thinks it's a bad idea to put 2000 bikes on 129 for safety reasons. Chief Blanchette agreed that 129 poses issues. Selectman Maxfield agreed. Ms. Phelps agreed that they should avoid 129. Mr. Tuson said that there are concerns with the application and it would have been nice if someone had called in to discuss it. He said he doesn't think the application should be approved the way it is right now. Chief Blanchette said he and Chief Burgess will follow up with them.

- b. Chief Blanchette said he has a hawkers and peddlers permit for Fam Biz LLC. Dba Whisked Away Food Truck. He explained that this is the same food truck that was on 106 last summer. Chief Blanchette said they would like to do business May 5th through August 5th at the same location. He said their application is complete. Chief Blanchette said he has no concerns, there was no issues last year. He explained that there is also an application to do an event at the Loudon Fire Station 1 on June 12th. The Selectman, Ms. Phelps and Mr. Tuson all agreed that they have no concerns with this application. Chief Burgess said he has no concerns; they didn't have any issues last year.
- III. Chairman Prescott closed Board of Permit.
- IV. Selectman Miller made a motion to approve the Selectmen's meeting minutes of Tuesday, May 4, 2021 as written. Seconded by Selectman Maxfield. Roll call vote: Miller yes; Maxfield yes; Prescott yes. All in favor. Motion carried.
- V. The Board met with Road Agent Russ Pearl.
- a. Mr. Pearl said they have spread magnesium on the dirt roads for dust control.
- b. Mr. Pearl said they used hot asphalt to fill in potholes on Lesmerises Road, hoping that it would stay longer than cold patch.
- c. Mr. Pearl said that he attended the NRRA recycling conference yesterday and today. They had speakers from the scrap metal, glass, cardboard and mixed paper industries. He explained that the glass industry wants all the glass they can get but it's hard financially to get it to them. Mr. Pearl said the cardboard industry is doing well, they are paying pretty good money for it and encourage us to recycle as much cardboard as we can. He said that metal prices fluctuate as always.
- d. Mr. Pearl said he reached out to F.L. Merrill about screening sand for next winter. He was told that they will carry the same price as last year. They agreed that Mr. Pearl can move forward with this.
- VI. The Board met with Police Chief Kris Burgess.
- a. Chief Burgess said that all recruits at the academy will be moving back to fulltime status starting May 17th. He explained that that will be Officer Spellman's third week so he'll be staying at the academy for the remainder of the sixteen-week program.

- b. Chief Burgess said car 5 is at Grappone's with a lock mechanism issue. He said it is under warranty so there will not be a cost to the town.
- c. Chief Burgess said that the seven radio's given to the department from Northfield have been reprogrammed with the Merrimack County channels.
- d. Chief Burgess said Thursday is a traffic control meeting for the upcoming NASCAR race.
- e. Selectman Maxfield said he went to the town beach; there was a fisherman there over by the picnic tables. He said the gentlemen told him that the Loudon Police told him he was okay to fish there. Selectman Maxfield said that means that the police are patrolling the area and he appreciates that. Chief Burgess said they have been trying to patrol during each shift.
- VII. The Board met with Fire Chief Tom Blanchette.
- a. Chief Blanchette explained that during their safety audits of both buildings they determined that they are short fire notification strobes in the bathrooms at Station 1 so they had those taken care of today.
- b. Chief Blanchette said that tonight he has a candidate looking to join the department, she is a college student, she has done some training and ride along time with them. Her name is Geanina Swanay and she is interested in being a member as an EMT. The Board met Geanina and approved her being employed with the town.
- c. Chief Blanchette said they received a thank you from Concord for assisting them with fires on Bog Road and Merrimack Street.
- Chief Blanchette presented the Board with ambulance service write off requests. He explained that the first batch is for eight runs totaling \$ 776.92. He explained that by the time they were able to submit these runs to the collection agency and they take their fees, the likelihood of the town seeing any reasonable money back wouldn't cover the postage and stuff required for that submission. He said the benchmark they have been working with is \$130 or less, if they've gone through normal invoicing, insurance, private pay and it's been in collection for a period of time. He said all of these runs are prior to November 1, 2020. Chief Blanchette explained that at the bottom of the page is representative of four accounts which have been sitting at collections for quite a while, it reflective of \$4,136. He said the collection agency has reported back that two of them are uncollectible and two are indigent and cannot pay. Selectman Maxfield made a motion to write off the following ambulance bills: account #11187 in the amount of \$128, account #15746 in the amount of \$87.96, account #6482 in the amount of \$61.73, account # 8411 in the amount of \$114.47, account #9063 in the amount of \$63.47, account #11273 in the amount of \$108.71, account #12203 in the amount of \$111.02 and account #11663 in the amount of \$101.56 for a total of \$776.92. Seconded by Selectman Miller. Roll call vote: Miller - yes; Maxfield - yes; Prescott - yes. All in favor. Motion carried.
- e. Selectman Maxfield made a motion to write off the following ambulance service bills: account #59 in the amount of \$752 uncollectable, account #075 in the amount of \$1,260 uncollectable, account #090 in the amount of \$960 indigent, account #057 in the amount of \$1,164, for a total amount of \$4,136. Seconded by Selectman Miller. Roll call vote: Miller yes; Maxfield yes; Prescott yes. All in favor. Motion carried.
- f. Chief Blanchette informed the Board that they received the grant reimbursement from the New Hampshire Department of Natural and Cultural Resources for their 2020 Division of Forests and Lands Grant. A check was forwarded to them for reimbursement of materials in the amount of \$1,944.66. Another check in the amount of \$68,083.50 came in from the New Hampshire Department of

- Health and Human Services for the detail work provided by the police department and the fire department during the mass vaccination clinics at New Hampshire Motor Speedway during the month of March. The checks were turned over to the Town Treasurer for deposit.
- g. Notification was received from the New Hampshire Fire Academy that Madison Hebert and Lucas Hardy have both passed and completed their Firefighter Level 2 course. As of late this afternoon, they were also notified that Hayden Gardener had passed and completed his Firefighter Level 1 course. This makes three new, certified firefighters with a few more testing that day.
- Chief Blanchette referred to a discussion from last year about getting on the list for military and federal surplus vehicles. Some vehicles had turned up down to Fort Devens and after working with Forest and Lands they had gotten a hold of a Stewart Stevens military transport truck. It is a 2 1/2-ton, 4-wheel drive, diesel FEEP program; after 1 year the town would essentially own the truck at no charge to community. Chief Blanchette said they are looking to replace 1987 Chevy Forestry which is in excess of thirty years old. It is inspectable but as an emergency vehicle probably should not be on the road. With the permission of the Board, Chief Blanchette would like to go down there with some people from Forest and Lands and some people from Pembroke to review the truck. If in good shape will come back with pictures and see about getting an approval to move forward. Selectman Miller asked about a cost estimate for moving equipment like radios to the surplus truck. Chief Blanchette responded that the work would likely be done in house. He stated that most of the components on Forestry 2 were like the equipment on Forestry 1 and the changeover for the new Forestry 1 was done mostly in house. Chief Blanchette anticipated doing this transfer the same way. All three Selectmen agreed that Chief Blanchette should go down to look at the vehicle. Chief Blanchette reported that the vehicle they had on hold only needed a set of batteries but that the tires looked good.
- i. Selectman Maxfield mentioned a letter from the Concord Fire Chief thanking Chief Blanchette for assistance battling recent fires.
- The Board recognized Alyssa Hayes the new Chair of the Loudon Old Home Day Committee. She explained that she is seeking permission from the Selectmen to hold Loudon Old Home Day on August 14, 2021. She had been keeping up with State guidelines for COVID-19 and stated that they would follow those as well as any implemented by the Board. Chairman Prescott appreciated her inquiry and stated that they were getting to the point where the Board needed to allow gatherings while taking precautions and staying cautious. Selectman Miller stated that everything is moving in the right direction because the Governor's Order has been rescinded. He mentioned Laconia Bike Week and that they were foregoing maximums for people under the tents because they are open air while recommending that people wear masks. Selectman Miller stated that he would be ok with opening Old Home Day up this year and that it would be good to get back to normal. Selectman Maxfield and Chairman Prescott both agreed. Selectman Maxfield also noted that 2023 will be Loudon's 250th anniversary, so Old Home Day could run a couple of days to celebrate. Ms. Hayes agreed. Ms. Hayes stated that many details like vendors and entertainment from last year's event will roll over into this year. Selectman Miller asked Ms. Hayes to work with Fire Chief Blanchette on the proper permitting for the event. Ms. Hayes agreed, stating she hoped to have that all in within the next week or two.
- IX. The Board recognized Mary Jackson. Ms. Jackson said she had forwarded a letter from the owner of Signarama; she asked

to have letter dated Friday, May 7th from Bill Lustig read into the minutes. Selectman Miller read the letter as follows:

"Just following up on our call yesterday. Prior to installing the sign, I contacted Bill Lake at the Town of Loudon. I asked about the electric permit relative to your sign. I explained that we don't have an electrician on staff that can fill out the electric permit. He recommended that once we install the sign, we could contact our electrician that could follow up in a couple of days, evaluate the sign, and complete the permit. My electrician got tied up and it dropped off his radar. I contacted him this morning and I am sure that I will hear back from him soon. Thanks."

Selectman Miller noted that Chairman Prescott had a chance to speak with Bill Lake. Chairman Prescott stated that Deputy Chief Lake remarked that he had spoken with someone from Signarama who said that they didn't have an electrician but were ready to do the work. Deputy Chief Lake asked when the electrician was going to come, and the person from Signarama stated probably that afternoon. Deputy Chief Lake asked that the electrician stop by the office to fill out the electrical permit application. The electrician never showed up, and as the letter stated this all fell off the radar. Alicha Kingsbury noted here that in the letter Deputy Chief Lake did acknowledge going ahead to put the sign up then touching base afterwards. In that conversation, the person from Signarama stated that he didn't have somebody to swing by and fill the application out. Ms. Kingsbury stated that no one at American Way Realtors was informed of the need for more information. Asked about where the conditional permit went and why no one had reached out to inform them that one had been issued. Chairman Prescott said that it was not a conditional permit. Ms. Kingsbury pointed to the "Notice of Violation" stating that permit #21-001 was issued. Selectman Miller stated that the conditions of the permit were not met. Ms. Kingsbury said that no one let them know about the conditional permit. Chairman Prescott stated that they were aware that the project would need an electrician, and they did not follow through themselves. Ms. Kingsbury said that if they were waiting on Signarama then she and Ms. Jackson should have been contacted. Bill Lake said on two occasions to put the sign up and work out the other details afterward. She said that Signarama and someone else also said the sign needs to go up first before they can figure out what it needs. The permit was for the electrical, which had not been done. Selectman Miller stated that follow up should be the responsibility of the customer. Ms. Jackson stated that the first she had heard about this was during the Selectmen's meeting when it was announced that she had a code violation. Selectman Miller asked if Ms. Jackson knew when she had signed the permit. Ms. Jackson said no. Selectman Miller read that the permit was signed by Mary Jackson on February 18, 2021. Alicha Kingsbury said that the initial letter of complaint from the Selectmen's Office was dated March 8, 2021. Ms. Kingsbury stated that they were never contacted about an inspection. Selectman Miller responded that the Fire Chief was not going to call them before an inspection. Mary Jackson stated that the sign was installed on March 24, 2021. Chief Blanchette then conducted an inspection on April 23, 2021. Selectman Miller read as follows from an email sent by Bill Lustig:

"He (Bill Lake) recommended that once we install the sign, we should contact our electrician that will follow up in a couple of days." Selectman Miller stated that this was not permission. Mary Jackson stated that sign permit SP2021-001 was issued. Selectman Miller stated that it was contingent upon the electrical service and that those permits would need to be done in coordination. He also said that Ms. Jackson had informed the Code Office in February that she planned to electrify the sign, so Code is looking for a permit before she takes any further actions. Ms. Kingsbury asked if they had a right to be notified of a planned inspection and if they had a right to

be present. Selectman Maxfield noted that this conversation should be moved toward a conclusion. Alicha Kingsbury asked what would happen next if they no longer wished to light the sign. Selectman Miller responded that it would be permitted. Chief Blanchette stated that as the sign permit was applied for, the intent was that it would be a lighted sign. Therefore, when you say you are going to apply for a lighted sign, that would require an electrical permit. At some point, that sign was taken down and a sign was going back up. The sign went up without the permit being issued because an electrical permit also needed to be pulled in advance of the work done by the electrician. A permit number was issued to the application but the permit was not approved because the intent was that the sign was going to be lit, which would require an electrical permit be pulled in conjunction with the sign permit. The inspection that was done on April 23, 2021 was to validate whether there was electrical to the sign at that point. Chief Blanchette that the state of the electrical equipment found on the sign created a safety hazard. A new sign was put up, and the electrical code states that if anyone touches the electrical then they are responsible for it all the way to the panel. The electrical sat for over two months, unattended. Ms. Jackson stated that it was not over two months because the sign was installed on March 24, 2021 and that the problem should be with Randy Cummings, owner of the property. Selectman Miller read aloud an email from Ann-Marie, Code Enforcement Administrative Assistant, to Deputy Chief Lake on February 22, 2021:

"I spoke with Mary (Jackson) about a sign permit. She said yes, the sign will be electrified, lit up at night. She said she spoke to C1 and explained that Signarama will be installing the sign. Once the permit was approved, she would be contacting them to do the rest of the job that they will be ones to pull the electric permit. I explained that regardless of who pulls the permit one is required and for her convenience it would be printed or on the Town's website if it would be easier to print it out and drop a check in the mail. The permit is in my file."

Selectman Miller stated that this needed to be resolved and asked if the landowner should be contacted. Selectman Maxfield said yes. Chairman Prescott said that they had permission to do this from the owner and that the sign was intended to be electrified, so at this point they needed to get an electrician to make sure the sign was safe. The electrician would sign the permit and get the work done. Alicha Kingsbury stated that the Notice of Violation provides for ten days to rectify the situation, but that state law allows for thirty days. She asked if that thirty days was counted from Monday, May 3, 2021 when they received the notice. Mary Jackson stated that she contacted Bill Lustig a week ago and that he had contacted his electrician, so she was waiting to hear back from them. Selectman Miller stated that they needed a drop-dead date to resolve the issue. Chairman Prescott asked if the thirty days would be good. Mary Jackson agreed that thirty days should be enough.

- X. The Board reviewed weekly correspondence.
- a. The Board received a Landfill inspection report from NOBIS Engineering.
- b. The Board received an email from Mary Jackson regarding the sign permit issue.
- c. The Board received an email from Alicia Grimaldi relative to the Skate Park donation. Selectman Maxfield stated that he thought they needed a safety individual to tell them whether the wooden ramp was safe. Road Agent Pearl offered to do a visual inspection. The Board discussed issues of upkeep for a wooden ramp and agreed that Road Agent Pearl should take a look at the ramp before they make a decision.
- d. The Board received a letter from Community Action regarding

the receipt of the 3rd quarter installment.

- e. The Board received the Maxfield Public Library Trustees meeting minutes for the March 4, 2021 and the April 1, 2021 meetings.
- f. The Board received an abatement request.
- g. The Board received a tax credit application for Map 58 Lot 72.
- h. The Board received an Intent to Excavate for Map 1 Lot 4.
- i. The Board received a Time off Request form.
- XI. Tax Warrant for 2021 The following was read aloud by Selectman Maxfield:

"We the Selectmen and Assessors of the Town of Loudon, NH do solemnly swear that in making the inventory for the purpose of assessing the foregoing taxes we appraised all taxable property at its full value, and as we would appraise the same in payment of a just debt due for a solvent debtor. So, help us God."

- XII. Veterans Memorial Etching Selectman Maxfield said they took sample of font with etching. Probably able to do by July once they work it up.
- XIII. Selectman Miller suggested voting on opening meetings up to the public again in-person. Selectman Maxfield agreed that it was time. Selectman Miller made a motion that starting May 18, 2021 that the Board of Selectmen will start meeting in the upstairs conference room at the Town Office from there forward. Selectman Miller noted the caveat that if COVID-19 starts affecting the Town again, they can revert back. Selectman Maxfield seconded the motion. Chairman Prescott asked about the status of COVID-19 cases in Town. Chief Blanchette responded that the number of cases was down. Roll call vote: Miller yes, Maxfield yes, Prescott yes. All in favor. Motion carried. Melissa Bishop asked if there would be an UberConference available for those who could not attend in person. Chairman Prescott clarified that there would not be.
- XIV. Jodi Russell asked about the status of the letter to be sent by the Town Attorney to Mr. Merullo. Chairman Prescott stated that the Board had reviewed a draft letter and made some suggestions. Ms. Russell asked if the Board was giving Mr. Merullo a ten-day deadline to respond. Selectman Maxfield responded that they had not established that at this point. Melissa Bishop asked when the goal of getting the letter was. Chairman Prescott responded that he would hope within the next week.
- XV. Selectman Maxfield made a motion to adjourn at 8:00 P.M. Seconded by Selectman Miller. Roll call vote: Miller yes; Maxfield yes; Prescott yes. All in favor. Motion carried.

LOUDON BOARD OF SELECTMAN

Selectmen's Meeting Minutes Tuesday, May 18, 2021

Present: Selectman Maxfield, Selectman Miller, and Selectman Storrs.

Also, present: Fire Chief Tom Blanchette.

I. Selectman Maxfield called the meeting to order at 6:17 PM.

- II. Selectman Miller made a motion to approve the Selectmen's meeting minutes of Tuesday, May 11, 2021 as written. Seconded by Selectman Maxfield. Roll call vote: Miller yes; Maxfield yes. All in favor. Motion carried.
- III. Selectman Miller nominated Selectman Maxfield to be the Chairman for the Board of Selectman. Seconded by Selectman Storrs. All in favor. Motion carried.
- IV. Selectman Miller nominated Selectman Storrs as an Ex-Officio to the Planning Board. Seconded by Chairman Maxfield. All in favor. Motion carried. Selectman Miller agreed to be the Alternate Ex-Officio.
- V. The Board met with Fire Chief Tom Blanchette.
- a. Chief Blanchette publicly thanked the members of the Loudon Fire Department for their dedication and commitment to their community. He explained that this is National EMS week.
- b. Chief Blanchette said that they held their monthly training last night; there were 23 members present. He explained that they used the training prop that was built at Station 2, they had a group working on radio communications and etiquette and a third group working on initial steps upon arrival at a motor vehicle accident. Chief Blanchette said the three groups rotated for about two hours.
- c. Chief Blanchette said he took an introduction to roof and wall framing class.
- d. Chief Blanchette said he and Lieutenant Brooks are enrolled in a National Fire Academy delivery program called Leadership to Creating Environments for Professional Growth and Development.
- e. Chief Blanchette said /EMT Chris Acres passed his NH Firefighter Level 2 certification.
- f. Chief Blanchette said that Deputy Lake is enrolled in Fire Plan Examiners class.
- g. Chief Blanchette explained that the Broker that they decided to go with created a National listing for Engine 3, he submitted a copy to the Board.
- h. Chief Blanchette said he has been getting prices on tanks for the cistern project at Station 2. He said the price from Shay Concrete products is \$7,800 and the price from Phoenix Concrete is \$6,882.00. He said they got a donation from Capital Well for \$5,640 to install the submissible pumps, timers and plumbing. Chairman Maxfield asked if Chief Blanchette has the money in his budget. He said he does. He said Firefighter Guertin has offered to help with the plumbing and Russ Pearl has volunteered to dig the hole with his personal excavator. Selectman Miller made a motion to approve the expenditure of \$6,882.00 for a precast cistern tank through Phoenix Precast Product with funds from the Fire Departments water supply line 01-42200-800-845. Seconded by Selectman Storrs. All in favor. Motion carried.
- i. Chief Blanchette said they are going around town filling and topping off cisterns. He said that they may have a problem with the one on Memory Lane; they'll keep their eye on it.
- j. Chief Blanchette said there is someone present that has forwarded several concerns/complaints about the E. Cooper Street airfield and Ford residence. He said this has been an ongoing thing for awhile and did go through the Zoning Board process. The Zoning Board ruled against allowing the Fords for doing mechanical repair on their property. Chief Blanchette said the Stys have communicated that they think airplanes are coming in and being worked on. Chief Blanchette asked where the Board wants to go with this. He suggested passing the information that he received from the Stys to the Concord City Prosecutors Office to see what they say. Selectman

Miller agreed it should be forwarded to the Prosecutor.

- The Board met with the Supervisors of the Checklist.
- Andrew Parrella introduced himself, Lucy Gordon and Francine Clave. He explained that they want to explain a project that they will be working on for the next couple of months. Mr. Parrella said that every 10 years since 1981 state law requires that the checklist be verified; known as "the purge". He explained that it requires that any registered voter that has not voted since April 1, 2017 to receive a letter asking them to re-register and verify their residency. Mr. Parrella said there are about 736 voters that qualify and will be receiving a letter. He said anyone that has voted since that date will not receive a letter and is automatically reregistered.
- VII. The Board reviewed weekly correspondence.
- 1. The Board reviewed and signed manifests.
- The Board received a letter from the Girl Scouts regarding 2. putting up a rock garden. Chairman Maxfield said he is not opposed to it but isn't sure about the location suggested. Selectman Miller agreed that it is a good idea but they need to talk to the Scout Leader. A suggestion was made that the Scouts talk to the Garden Club.
- The Board received an email from the Road Agent regarding the Septage Lagoon Closure. The Board will review the information and discuss it with the Road Agent next week.
- The Board received an email regarding it being Public Works Proclamation Week.
- The Board received a letter from James R. St. Jean regarding the State of NH Virtual Surplus Property Auction to be held June
- The Board received a regional impact notice from the Belmont Planning Board for a Personal Wireless Service Facility.
- 7. The Board signed a Tax Credit application for Map 60, Lot 21.
- Selectman Miller made a motion to appoint Peter Pitman as Vice-Chair of the Zoning Board with the appointment to expire March 31, 2022. Seconded by Selectman Storrs. All in favor. Motion carried
- Selectman Miller made a motion to appoint Stanley Prescott as Cemetery Custodian with the appointment to expire March 31, 2022. Seconded by Selectman Storrs. All in favor. Motion carried.
- The Board received employee time-off request forms.
- VIII. Selectman Miller said they need to discuss the Lower Ridge Road bridge.
- Jeff Leonard asked the Board why if the legislative body has voted for the operating budget do the department heads have to get approval from the Selectmen to spend money within their budgets. Chairman Maxfield said many line items don't have to be but if it's contractual they do. Selectman Miller said its more of a formality so they know what is going on if someone comes to them. He explained that they don't have to because it has been approved but it has always been the procedure. Mr. Leonard asked if a department head didn't agree with them could he still spend the money. Selectman Miller said he could. Mr. Leonard said that in his opinion as long as a department head doesn't overspend a line and uses it for what it is meant for, they shouldn't need to get any other approval or get it voted on by the selectmen.
- Χ. Selectman Miller made a motion to go into nonpublic session at 6:58 P.M. under RSA 91-A:3, II, (c). Seconded by Selectman Storrs. Roll call vote: Miller – yes; Storrs – yes; Maxfield – yes. All in favor. Motion carried. Selectman Miller made a motion to come out of nonpublic session at 7:22 P.M. Seconded by Selectman Storrs. Roll call vote: Miller – yes; Storrs – yes; Maxfield – yes. All in favor.

Motion carried. Selectman Miller made a motion to seal the minutes for 5 years. Seconded by Selectman Storrs. Roll call vote: Miller yes; Storrs – yes; Maxfield – yes. All in favor. Motion carried.

XI. Selectman Miller made a motion to adjourn at 7:25 P.M. Seconded by Selectman Storrs. All in favor. Motion carried.

LOUDON BOARD OF SELECTMAN

Selectmen's Meeting Minutes Tuesday, May 25, 2021

Present: Selectman Maxfield, Selectman Miller, and Selectman

Also, present: Fire Chief Tom Blanchette, Police Chief Kris Burgess and Road Agent Russ Pearl.

- Chairman Maxfield called the meeting to order at 6:00 PM.
- Selectman Miller made a motion to approve the Selectmen's meeting minutes of Tuesday, May 18, 2021 as written. Seconded by Selectman Storrs. Roll call vote: Miller – yes; Storrs – yes; Maxfield - yes. All in favor. Motion carried.
- III. The Board met with Fire Chief Tom Blanchette.
- Chief Blanchette said last Thursday Deputy Lake attended a New Hampshire Municipal Association effective code enforcement workshop.
- Chief Blanchette spoke with the Board about obtaining a Federal vehicle from the Department of Natural and Cultural Resources. Chief Blanchette said the intent would be to take the existing forestry 2 vehicle and replace it with the vehicle from Department of Natural and Cultural Resources. Chief Blanchette said the existing Forestry 2 vehicle is a 1987 and the new vehicle is a 2004. The Board said they have all signed the agreement and think it is a great idea.
- Chief Blanchette said all the students of the department who were in Fire Fighter level I and II have successfully passed.
- Chief Blanchette said last Friday they had a structure fire on Chichester Road and he would like to thank the Police Department for getting the road closed down for them. Chief Blanchette said Concord Fire Department, Chichester Fire Department and Epsom Fire Department assisted them in the fire which allowed them to put the fire out before it reached the house.
- IV. The Board met with the Police Chief Kris Burgess.
- Chief Burgess said that Officer Spellman is currently on his a. fourth week of the academy.
- Chief Burgess said that there was a virtual TCP meeting on May 13th where there was a discussion proposed by New Hampshire Motor Speedway to utilize Clough Hill Road, Lower Ridge Road and Loudon Ridge Road for all north bound traffic. Chairman Maxfield said that they are opposed to using Lower Ridge Road and Loudon Ridge Road due to narrow bridges and the fact that Loudon Ridge Road is a farming community and do not want all the traffic disrupting the area.
- Chief Burgess said that Monday they will be participating in the Memorial Day service at the library.
- Chief Burgess said he has a new hire that has met all the

requirements and they are working on putting all the information together for the Board to review.

- e. Chief Burgess said they were granted a school safety grant but after meeting with Merrimack Valley School District it seems they already have a lot of the equipment in place. Chief Burgess said that they are unsure if they will accept the grant at this point.
- f. Chief Burgess said they will be getting the speed trailer actively out and about town. Selectman Miller asked if they have looked into a replacement since he knows there have been continued issues with the battery. Chief Burgess said they have looked into easily mobile ones and are possibly looking to encumber some money from the budget to purchase one.
- V. The Board met with Road Agent Russ Pearl.
- a. Mr. Pearl said on Friday his crew went out to the Clough Pond beach and put out new buoys and ropes and spent some time cleaning the beach up.
- b. Mr. Pearl said he received a couple quotes on the septage lagoon closure. Chairman Maxfield said that there is sufficient money in the lagoon capital reserve fund for the closure. The Board said they would take the two bids under advisement.
- c. Mr. Pearl said he has been working on the reclamation and paving project bid specs for this year. Mr. Pearl said he included some alternative locations that they can get some really good pricing on Lower Ridge Road and Flagg Road. Mr. Pearl said alternative #1 is another section on Loudon Ridge Road up past Captain French Road. Mr. Pearl said alternative #2 is Clough Pond Road which is starting to fall apart and is need of shimming and would allow him to do sum chip sealing to try to maintain that road for many more years. Mr. Pearl said that alternative #3 is the paved section on Berry Road. The Board approved the specs to be put out for bid.
- d. Mr. Pearl said that he has had a couple calls about Fillmore's new building that is on the sharp corner of Currier Road and he is in discussion with him on options to fix the issue.
- e. Mr. Pearl said his crew has been actively ditching on Youngs Hill Road and have done portions of Currier Road.
- f. Mr. Pearl said he borrowed a hot box from Youngs Paving to repair pot holes. Mr. Pearl said they used it for about a week and went thru about 10-12 tons of asphalt.
- VI. The Board met with Audra Tassone and Tim Hyland regarding the Timberman Triathlon. Mr. Hyland said he has been working with Chief Blanchette and Chief Burgess and are trying to bring the event back to this area in a half capacity. Mr. Hyland said this will be a 70.3-mile distance event. Mr. Hyland said there were valid concerns over the original route thru Loudon which included crossing over Route 106 and on to Route 129. Mr. Hyland said the new proposed route would be South Bound Route 106 onto North Village Road to South Village to Wales Bridge Road and then to Route 106 to head North. Chief Burgess said there will be two police officers to assist the bicyclists across Route 106 at that point. Mr. Hyland said there will be a number of message boards alerting traffic as well. Ms. Tassone said that they also work with a in house mailing company and will be sure the Loudon residents are notified at least two weeks before the event. The Board agreed the change in route was a better plan.
- VII. Road Agent Russ Pearl requested a nonpublic session with the Board for a personnel matter. Selectman Miller made a motion to go into nonpublic session at 6:40 P.M. under RSA 91-A:3, II, (c). Seconded by Selectman Storrs. Roll call vote: Miller yes; Storrs yes; Maxfield yes. All in favor. Motion carried. Selectman

Miller made a motion to come out of nonpublic session at 6:48 P.M. Seconded by Selectman Storrs. Roll call vote: Miller – yes; Storrs – yes; Maxfield – yes. All in favor. Motion carried. Selectman Miller made a motion to seal the minutes for 5 years. Seconded by Selectman Storrs. Roll call vote: Miller – yes; Storrs – yes; Maxfield – yes. All in favor. Motion carried.

- VIII. The Board reviewed weekly correspondence.
- 1. The Board received a letter from a resident at 19 Sheep Rock Road.
- 2. The Board reviewed the town meeting minutes.
- 3. The Board received a memo from the Office Manager regarding community building and gazebo rentals. The Board has approved community building and gazebo rentals as of May 27th, 2021. The Board set a 40 people max in the community building and the renter would be required to clean and disinfect the area before leaving. The Board said they would make sure there were disinfectant wipes available for renters.
- 4. The Board received a memo from the Office Manager regarding the Central New Hampshire Regional Planning Commission transportation collection program.
- 5. The Board received a letter from Kathleen Fisher regarding the Old Home Day Association audit.
- 6. The Board received copies of letters sent by Chief Blanchette to the Concord, Chichester and Epsom Fire Departments for their aid.
- 7. The Board signed to NHDOT regarding the traffic control plan during the NASCAR weekend.
- 8. The Board signed a letter to T. Merullo regarding Hardy Road excavation.
- 9. The Board signed an intent to cut for map 40, lot 13.
- 10. The Board signed an intent to cut for map 13, lot 7.
- 11. The Board signed a yield tax certification for map 23, lot 16.
- 12. The Board signed a yield tax certification for map 8, lot 8.
- 13. The Board signed an intent to excavate for map 40, lot 7.
- 14. The Board signed a gravel tax warrant for map 40, lot 7.
- 15. The Board signed a property tax update application for map 58. lot 13.
- 16. The Board signed the agreement with NH Department of Natural & Cultural Resources for the excess vehicle.
- 17. Selectman Miller made a motion to appoint John Storrs as Planning Board Ex-Officio. This appointment to expire on March 31, 2022. Seconded by Selectman Maxfield. Majority in favor. Motion carried.
- 18. Selectman Miller made a motion to appoint Katherine Phelps as the Vice Chair of the Loudon Planning Board. This appointment shall expire on March 31, 2022. Seconded by Selectman Storrs. All in favor. Motion carried.
- 19. Selectman Miller made a motion to appoint Rodney Phillips as Planning Board Chairman. This appointment shall expire on March 31, 2022. All in favor. Motion carried.
- 20. Selectman Miller made a motion to appoint Wendy Young as Deputy Town Clerk. This appointment shall expire on March 31, 2023. All in favor. Motion carried.
- 21. The Board reviewed employee time off request forms.
- IX. Selectman Miller made a motion to go into nonpublic session at 7:00 P.M. under RSA 91-A:3, II, (c). Seconded by Selectman Storrs. Roll call vote: Miller yes; Storrs yes; Maxfield yes. All in favor. Motion carried. Selectman Miller made a motion to come out of nonpublic session at 7:21 P.M. Seconded by Selectman Storrs. Roll call vote: Miller yes; Storrs yes; Maxfield yes. All in favor.

Motion carried. Selectman Miller made a motion to seal the minutes for 5 years. Seconded by Selectman Storrs. Roll call vote: Miller – yes; Storrs – yes; Maxfield – yes. All in favor. Motion carried.

- X. Selectman Miller made a motion to go into nonpublic session at 7:33 P.M. under RSA 91-A:3, II, (a). Seconded by Selectman Storrs. Roll call vote: Miller yes; Storrs yes; Maxfield yes. All in favor. Motion carried. Selectman Miller made a motion to come out of nonpublic session at 7:57 P.M. Seconded by Selectman Storrs. Selectman Miller said this nonpublic was personnel related and was for contract negotiation. Roll call vote: Miller yes; Storrs yes; Maxfield yes. All in favor. Motion carried. Selectman Miller made a motion to seal the minutes for 5 years. Seconded by Selectman Storrs. Roll call vote: Miller yes; Storrs yes; Maxfield yes. All in favor. Motion carried.
- XI. The Board reviewed and signed weekly bills and payroll.
- XII. Selectman Storrs made a motion to adjourn at 8:03 P.M. Seconded by Selectman Miller. All in favor. Motion carried.

LOUDON BOARD OF SELECTMAN

Selectmen's Meeting Minutes Tuesday, June 1, 2021

Present: Chairman Maxfield, Selectman Miller, and Selectman Storrs. Also, present: Fire Chief Tom Blanchette, Deputy Fire Chief Bill Lake, Conservation Commission Chair Julie Robinson, Trails Committee Chair Sandra Blanchard and Office Manager Brenda Pearl.

- I. Chairman Maxfield called the meeting to order at 6:00 PM.
- II. Selectman Miller made a motion to approve the Selectmen's meeting minutes of Tuesday, May 25, 2021 as written. Seconded by Selectman Storrs. Roll call vote: Miller yes; Storrs yes; Maxfield yes. All in favor. Motion carried.
- III. The Board met with Fire Chief Tom Blanchette.
- a. Chief Blanchette said they had a tire blow out on the tanker on their way to Epsom last week and had to get road side assistance from Stratham Tire where they replaced an inner and outer tire. Chief Blanchette said that Stratham Tire highly recommends the remaining tires be replaced as soon as possible. Chief Blanchette said he would like to move forward allowing Stratham Tire to order and replace the tires for that tanker and process the invoice in the new fiscal year or he will be forced to park the tanker until then. Chief Blanchette said it will be around \$4,300 to replace the remaining tires.
- b. Chief Blanchette said that they had a 3-alarm brush fire where some of their ancient fire hose blew apart. Chief Blanchette said they had to make an emergency purchase of six lengths of fire hose.
- c. Deputy Bill Lake spoke with the Board about the issues with finding the new code enforcement truck approved at town meeting. Deputy Lake said there is back up with trucks due to the factories being shut down during the early months of the COVID 19 pandemic. Deputy Lake said that if he were to order a truck it would be twelve

weeks out but they currently aren't even taking orders at this time. Deputy Lake said he has found two trucks that match what they are looking for the first being from Nucar in Tilton and the second being at Saint J in Vermont. Deputy Lake said that the truck from Nucar says it is in transit to the dealership but they are unsure when it will arrive and the truck from Saint J's was in transit and just arrived to the dealership. Deputy Lake said that he has been in discussions with Saint J's on holding the truck until the new budget starts July 1. Deputy Lake said the only way they will hold the truck is if the town will purchase the cap and the slide out unit ahead of time. Deputy Lake said the price for the cap and slide out is \$6,459.00 and he would like to make that purchase so that the truck can be held. Deputy Lake said these funds would come from the Fire Department Equipment Expendable Trust Fund approved at town meeting. Selectman Miller said that with the town approving the warrant article on May 15, they can expend the full amount now of the truck and do not need to wait until July 1 since the money is in the account. Selectman Miller made a motion to allow the expenditure out of the Fire Department Equipment Expendable Trust Fund for the purchase of a 2021 Dodge 2500 Tradesman Crew Cab 4 X 4 for \$37,104 and the cap and glider associated with it for an additional \$6,459.00 as authorized at town meeting. Seconded by Selectman Storrs. All in favor. Motion carried.

- IV. The Board met with Conservation Committee Chair Julie Robinson and Trails Committee Chair Sandra Blanchard. Ms. Blanchard said that the Batchelder and Lovejoy trails they have completed have been a super success. Ms. Blanchard said that the Trails Committee put a survey out to see what residents wanted and the results were that people wanted more trials in the area. Ms. Blanchard said that the first trail project they are looking in to is the Maxfield trail that has access from Old Shaker Road but there is really no room for parking. Ms. Blanchard said she spoke with the Road Agent and he said that there is enough room that he can widen one area by several feet to make parking easier. Selectman Maxfield asked where the trail comes out. Ms. Blanchard said that you can go out Fletcher Road and connect to the Concord trails. Ms. Blanchard said that the second project they are looking into is the Kirby Land which is the spot of a current snow mobile trail that starts out at Lovejoy Road and brings you to the Maxfield trail. Ms. Blanchard said that they are working on contacting the property owners to get permission to use the trail year-round. Ms. Blanchard spoke with the Board about using a bit of Harry MacLauchlan land to connect Kenney Road to the Batchelder trail. Ms. Blanchard said that Mr. MacLauchlan has about 6 acres that he gave permission to put trails on. Ms. Blanchard spoke with the Board about using some of the towns 50 acres of wetlands off of Route 129 for a possible trail. The Board said they would take a look at a map and get back to the committee with a decision.
- V. The Board met with Tony Merullo. Mr. Merullo spoke with the Board about the completion of Creekwater Lane and the amount requested by Nobis for the final inspections. Mr. Merullo said he does not agree with the additional cost of \$2,800 for the final inspections of the road. The Board said that the original cost of \$1,400 paid was spent due to unexpected inspections need for issues with the catch basin moving and needing to be repaired which resulted in the additional \$2,800 for the final inspections. The Selectmen said they will ask for a more detailed bill from Nobis.
- VI. The Board reviewed weekly correspondence.
- 1. The Board received an email and maps from the Conservation Commission.
- 2. The Board received a letter from Bianco Professional

Associates regarding an abatement request.

- 3. The Board received a Planning Board notice of decision for map 1, lot 6.
- 4. The Board received a Planning Board notice of decision for map 22, lot 24.
- 5. The Board reviewed the Loudon Trails Subcommittee meeting minutes of April, 26, 2021.
- 6. The Board received a letter from the City of Concord Assessing Department regarding the Tallant Road value update.
- 7. The Board received the audit, minutes and notice of meeting from the Concord Regional Solid Waste Resource Recovery Coop.
- 8. The Board reviewed and signed Fire Chief Tom Blanchette's employment contract.
- 9. The Board signed the MS-232.
- 10. The Board signed the MS-636.
- 11. The Board signed the CAI Technologies contract for 4/1/21-3/31/22.
- 12. Selectman Miller made a motion to have the Chairman of the Board sign the Nobis Engineering Landfill Post-Closure Monitoring Contract for July 2021 to June 2022. Seconded by Selectman Storrs. All in favor. Motion carried.
- 13. Selectman Miller made a motion to authorize the Chairman of the Board to sign the Mainstay Technologies agreement with the effective date of 7/1/2021 for 12 months in the amount of \$1,192.80. Seconded by Selectman Storrs. All in favor. Motion carried.
- 14. The Board signed the PA-29 updated paperwork for map 42, lot 3.
- 15. The Board signed the PA-29 updated paperwork for map 38, lot 8-2.
- 16. The Board signed the PA-29 updated paperwork for map 66, lot 8.
- 17. The Board signed a Gazebo rental form for T. Willis.
- 18. Selectman Storrs made a motion to appoint Jeff Miller alternate ex-officio of the Loudon Planning Board, this appointment shall expire on March 31, 2022. Seconded by Chairman Maxfield. Majority in favor. Motion carried.
- 19. The Board reviewed employee time off request forms.
- 20. The Board received a letter of resignation from Lindsay Goley.
- VII. The Board reviewed and signed weekly bills and payroll.
- VIII. Chairman Maxfield said that he will be meeting with NHMS and Jennifer Harper the Director of Homeland Security on Wednesday, June 2, 2021 at 2:00 P.M at the Town Office Building.
- IX. Chairman Maxfield said that David Rodrigue, the Director of Operations with the NHDOT, called and asked if the Board would reconsider the proposal from NHMS to redirect traffic going north on the Sunday race day using Loudon Ridge Road and Lower Ridge Road. Chairman Maxfield said that the Board will not reconsider the proposal and suggested an alternate option utilizing the Gil Rogers Hwy.
- X. The Board recognized Jeff Leonard of Coaster Rd. Mr. Leonard asked a few questions about the Nobis bill for Tony Merullo and the cost of the new command vehicle for the Deputy Fire Chief.
- XI. Selectman Storrs made a motion to adjourn at 7:54 P.M. Seconded by Selectman Miller. All in favor. Motion carried.

Planning and Zoning Minutes

Town of Loudon Loudon, New Hampshire Planning Board Meeting Minutes May 20, 2021

DRAFT

Chairman Rodney Phillips called the meeting to order at 7:00 p.m. He made a statement advising anyone in the audience for Application #Z21-07 that the date on the abutter's notices was incorrect so they had been re-noticed and the hearing for that application would be May 27, 2021 at 7:00 p.m.

Roll call attendance: Bob Phillips, Alternate – Present; Danielle Bosco – Present; Dustin Bowles, Alternate – Present; Jeff Miller, Ex Officio – Present; Katie Phelps – Present; Chairman Rodney Phillips – Present; Jeremy Minery – Present; Marilyn Whitten – Present; Forrest Green – Present.

Acceptance of Minutes:

April 15, 2021, Regular Meeting Minutes:

Ex Officio Jeff Miller noted on page 6, line 245 that the words "that that" should be changed to "that it." Katie Phelps made a motion to approve the minutes with one correction; seconded by Danielle Bosco. All in favor. April 15, 2021. Meeting Minutes approved with one correction.

Board Elections:

Chairman:

Katie Phelps made a motion to appoint Rodney Phillips as Planning Board Chairman; seconded by Ex Officio Jeff Miller. All in favor. Rodney Phillips appointed as Chairman.

Vice Chair:

Chairman Rodney Phillips made a motion to appoint Katie Phelps as Planning Board Vice Chair; seconded by Marilyn Whitten. All in favor. Katie Phelps appointed as Vice Chair.

Discussion

Chris Daignault - New Hampshire Motor Speedway. Mr. Daignault distributed print outs to the Board, stating that in light of being good neighbors they brought this discussion. The sign board out front at the speedway was junk and the cost of repair was not justified for the use. They were looking to put a snap frame around the sign so that vinyl sign boards could be changed out for events like NASCAR, Bike Week, and the Gift of Lights. Down the road they were looking to add landscape lights, three (3) on top and three (3) on bottom. Ex Officio Miller asked how the boards would be held in, voicing concerns about wind. Mr. Daigneault stated that a frame would be placed over the existing LED screen with one endcap available to slide in the vinyl signs. Chairman Phillips clarified that there were no structural changes higher than sixteen (16) feet off the ground and stated that he did not think there needed to be an application for this sign. Ex Officio Miller agreed. There were no other questions, so Mr. Daigneault thanked the Board for their time.

Conceptual Consultation

Reid Lanpher – Map 61 Lot 8 – Tractor, RV, and Trailer Sales – Commercial/Recreational. Reid Lanpher stated that Scott's Recreation was under contract to purchase the thirty seven (37) acre parcel near the Speedway, owned by Harry Franssen and currently rented out for RV sites. He wanted to see if there would be

any objections to an RV, tractor, and trailer dealership there with a 10,000 square foot steel building. They were looking to put a paved six (6) acre parking area on the northern chunk of the lot, with retail sales and service being the primary activities. Chairman Phillips noted that this property was in the Commercial/Recreational district, reading from the Zoning Ordinance that "travel or camping trailer, motor home, or boat sales, service, repair or storage businesses" were permitted uses in that district. Mr. Lanpher also expressed the desire to manufacture and distribute their own line of tractors from this location in the future, something that he noticed would require approval. Chairman Phillips stated that they would need to go to Zoning for those concerns before getting too far into the process. Mr. Lanpher said that the northerly of the two entrances would be the primary one and that they would seek DOT approval to widen entrance. Jeremy Minery asked if the building would look like all other Scott's Recreation buildings. Mr. Lanpher replied that they had only built one of their buildings, but this would most likely be a dark gray with black trim steel building. He also asked about if there were any requirements for building design. Chairman Phillips stated that there were in the Land Development Regulations and pointed to the Northeast Motor Sports Museum as a good example. He stated that they like to keep buildings looking rural. Ex Officio Miller asked if the building would be two stories; Mr. Lanpher replied that it would be a single story with a mezzanine inside. Alternate Bob Phillips asked if the facilities would all be in the same building; Mr. Lanpher replied in the affirmative. Mr. Lanpher asked if there would be any Town objections to having the two entrances. Chairman Phillips stated that in this case it would be a State issue. Chairman Phillips encouraged Mr. Lanpher to check with Code Enforcement about the NFPA requirements for fire suppression. Jeff Leonard asked from the audience about the tree buffer on NH Route 106. Mr. Lanpher asked if the Board had any opposition to additional visibility. Chairman Phillips mentioned the landscaping regulations and told Mr. Lanpher to check with the State about any trees that might be in the Right-of-Way. Ex Officio Miller told Mr. Lanpher to check the lighting requirements. Mr. Lanpher thanked the Board for their time.

Jeff and Terri Leonard – Map 54 Lot 3 – Subdivision at 115 Kenney Rd. Chairman Phillips recalled that most of the end of last month's discussion was on what frontage meant. The Town Attorney was contacted with questions about what waiving for good cause meant as well as the questions about frontage. The Town Attorney was disappointed the neither the Land Development Regulations nor the Zoning Ordinance defined frontage requirements as being on a Class V or better road. The Town Attorney also asked if there was any precedent for this case. Chairman Phillips mentioned the 2011 subdivision on the corner of Bee Hole Road and Wiggins Road that had some similarities (Applications #11-12 and #Z11-04). This application made one lot separated by Wiggins Road into two separate lots. The Planning Board conditionally approved the subdivision dependent upon Zoning Board approval because there was only 145 feet of frontage on one lot and less than the acreage required on the other lot. They went before the Zoning Board the next week and received a Variance. The Town Attorney cited a case from another town that required all frontage to be on a Class V Road. Mr. Leonard referenced conversations with Loudon Road Agent Russ Pearl about putting in a deeded easement for the Town and how that would move the Class VI sign to forty feet past the easement and their driveway. This would give the proposed new lot a total of roughly 840 feet of road frontage, with ninety feet of Class V Road frontage. Ex Officio Miller asked about how to deal with Section 23.4 of the Land Development Regulations, requiring Class VI Road upgrades to the limit of the subdivision. Mr. Leonard

did not feel that this section applied in this case. Alternate Dustin Bowles reminded the Board that this section could be waived for good cause. Chairman Phillips stated that he felt the Board had good cause to waive the requirement because all Town vehicles currently turn around in a private driveway, so the deeded turnaround would reduce Town liability. Ex Officio Miller said that the property owner would now need to start the subdivision process. Chairman Phillips agreed that the property owner would now need to hire a surveyor to represent her for the formal subdivision process. Chairman Phillips asked if any other Board members had any thoughts. Jeremy Minery, Vice Chair Phelps, and Marilyn Whitten agreed that it would be good if the Town got a turnaround out of the deal. Mr. Leonard asked about what would happen to the easement if a property further up the road was sold and developed so that the road had to be upgraded past their property. Alternate Bowles stated that it wasn't a bad thing to hang onto the easement for emergencies down the road. Jeff Leonard thanked the Board for their help.

New Business

#21-04 W. Scott Call – Map 1 Lot 6 – Subdivision – Rural Residential. Surveyor Jeff Green of Jeffrey Green Land Surveying represented the applicant. No abutters were present. Forrest Green recused himself for this application. Alternate Dustin Bowles was appointed in Forrest Green's place. Chairman Phillips noted two checklist waiver requests and a waiver request to combine the existing conditions and subdivision plans on one sheet. Vice Chair Katie Phelps made a motion to accept the application as complete. Seconded by Danielle Bosco. All in favor; Application #21-04 accepted as complete. Chairman Phillips asked if this was a Development of Regional Impact (DRI). Vice Chair Katie Phelps made a motion that this was not a DRI. Seconded by Ex Officio Jeff Miller. All in favor; Application #21-04 voted not to be considered as a Development of Regional Impact. Chairman Phillips opened the public hearing for this application at 7:52 p.m. Mr. Green stated that the existing lot was 4.8 acres with a house and garage and that they were looking to subdivide the lot in half. There was a second, existing paved entrance to the property because the back corner was a gravel excavation operation in the past. The excavation area had already been mostly loamed, seeded, and recovered. The subdivision would create a new 2.37 acres lot while the existing lot would become 2.495 acres. Mr. Green had already received DES subdivision approval. Mr. Green requested a waiver to combine the existing conditions plan with the proposed subdivision plan because with the lot contours and existing house on such a small lot, everything would fit on one plan. Ex Officio Miller asked about the note regarding sheds on the plan. Mr. Green stated that the intention is to move or remove the two sheds, which is why a note reading "sheds on the new property line will be moved or removed to meet setbacks" was included on the plan. Chairman Phillips stated that he did not think the sheds should be shown on a plan that was going to be recorded, so the existing conditions plan should show the sheds while the subdivision plan should not. Mr. Green stated that he could not do that because anything that is physically on the property must be shown on both the existing and proposed plans. He stated that this is a standard of surveying. Chairman Phillips stated that by signing a plan showing the sheds they would be creating non-conforming lots. Ex Officio Miller proposed setting a condition of approval to have the sheds removed and include a note on the plan. Chairman Phillips asked how that would be enforced. Mr. Green stated that the sheds would not be moved or taken down until the subdivision was approved. Alternate Bob Phillips stated that if a proposed plan showed what the property would look like in the future, then the sheds would not be shown. Mr. Green responded that if the sheds were not shown on the plan, then

they would not need to say that they were moving the sheds because they were not shown to exist. Mr. Green also stated that after the plan was signed, ensuring removal of the sheds would fall to Code Enforcement. Chairman Phillips suggested waiting to approve the application until after consulting with Town Counsel. Alternate Bowles suggested that it should be checked before the plans were signed, and Vice Chair Phelps asked if there would be a note on the plan and a condition. Alternate Bowles stated he would like to see it under the general notes in addition to the box currently shown on the plan. Vice Chair Phelps asked if the plan would need to be updated again if the Chairman waited to sign the plans until after the sheds had been moved or removed. Jeremy Minery asked if the conditions were not met, if the second lot ever be created. Chairman Phillips stated that it would become an official lot once the plan was signed and sent to the Merrimack County Registry of Deeds. Chairman Phillips read the waiver letter for the Existing Conditions Plan Section 12.4. Alternate Dustin Bowles made a motion to approve the waiver; seconded by Marilyn Whitten. All in favor, Existing Conditions Plan Section 12.4 waiver approved. Chairman Phillips read the waiver letter for Subdivision Plan Existing Conditions Checklist Item 10, Site Specific Soils Map. Vice Chair Katie Phelps made a motion to approve the waiver; second by Danielle Bosco. All in favor, Subdivision Plan Existing Conditions Checklist Item 10 waiver approved. Chairman Phillips read the waiver letter for Subdivision Plan Layout Checklist Item 12, Site Specific Soil Survey. Vice Chair Katie Phelps made a motion to approve the waiver; seconded by Marilyn Whitten. All in favor, Subdivision Plan Layout Checklist Item 12 waiver approved. Conditions of approval were set as: adding the DES permit number to the final plan, adding Note #10 specifying either removal or moving buildings to meet the required setbacks, and the condition that the buildings will be moved or removed prior to the Chairman signing the final plan. Alternate Dustin Bowles made a motion to approve the application with three conditions. Seconded by Vice Chair Katie Phelps. All in favor; Application #21-04 approved with three conditions. Chairman Phillips closed the public hearing at 8:16 p.m.

#21-05 James & Fern Bond – Map 22 Lot 24 – Subdivision – Rural Residential. Surveyor John Newman of New Hampshire Land Consultants represented the applicant. Applicant Fern Bond was present. Abutter Richard Gurall (Map 22 Lot 25) was present. Forrest Green rejoined the Board at this time. Vice Chair Phelps asked about an authorization letter for Mr. Newman to represent the Bonds. The Administrative Assistant told the Board that a new application packet, including an authorization letter and plan checklist, was submitted on Wednesday, May 19th. Chairman Phillips informed the Board that this information was submitted after the fifteen (15) day deadline for materials. Mr. Newman explained that this was in part because the Conservation Commission was unable to meet until after the deadline. Chairman Phillips asked about changes to the plan. Mr. Newman noted a setback change and the addition of a Wetlands stamp. Jeremy Minery asked if Mr. Newman had met with the Road Agent, and Mr. Newman replied that he had. Chairman Phillips asked if the Board wanted to waive the deadline requirement in this case because Mr. Newman was unable to meet with the Conservation Commission until after the deadline. Ex Officio Miller stated that it seemed unreasonable to push the application hearing off in this situation. New plans were distributed to the Board at this time. Jeremy Minery made a motion to accept the application as complete. Seconded by Vice Chair Katie Phelps. All in favor; application accepted as complete. Chairman Phillips asked if this was a Development of Regional Impact. Vice Chair Katie Phelps made a motion that this was not a DRI. Seconded by Danielle Bosco. All in favor; Application #21-05 voted not to be a Development of Regional

Impact. Chairman Phillips opened the public hearing at 8:25 p.m. Mr. Newman explained that they had an existing 6.48 acres lot from which they were subdividing off a 2 acres lot. This would leave the existing lot with 4.75 acres. Their biggest issue was a sixty five (65) foot shed and trying to keep it out of the setback. The current line configuration that jogs around the shed would not allow the 180'x240' box to fit; the box hung over the pin by about 6 feet. They were able to fit the box on the lot with the same area but different dimensions though. Mr. Newman asked to waive the 180'x240' box requirement. Alternate Bowles explained the intent of the box as keeping lot shapes in proportion and to prevent gerrymandering. Jeremy Minery asked if during the Conceptual the setback had been moved around the shed. Chairman Phillips concluded that the only way to attain the full box would be to go before the Zoning Board for a reduced setback. Mr. Newman agreed that using the full-size box would push the boundary line over enough to require a Special Exception for a reduced setback. Mr. Gurall asked if permanent bounds would be set along the property lines. He was concerned because his driveway was very close to the boundary line. Mr. Newman replied in the affirmative. Mr. Gurall also asked if his well was shown on the plan because the seventy five foot offset would go onto the existing lot. Mr. Newman replied in the negative, stating that he had only shot Mr. Bond's two wells. Vice Chair Phelps asked about DES subdivision approval information. Mr. Newman stated that they had not received approval yet. Chairman Phillips asked about showing the buildings on Lot 19, across Piper Hill Road, because they were within 100 feet of the Bond property. Vice Chair Phelps asked about the wetland buffer and setback on the upper left corner of the plan. Mr. Newman stated that the square footage was less than required and that the area was fully contained. Chairman Phillips asked if Conservation Commission Chair Julie Robinson had seen that area. Mr. Newman responded in the affirmative. Alternate Bowles asked if Mr. Gurall's well was within 100 feet of the existing Bond lot. Mr. Gurall responded that his well was probably ten (10) feet off the northwest corner of the house. Vice Chair Phelps asked about the purpose of showing that well on this plan. Alternate Bowles and Chairman Phillips responded that per the Regulations, any structure within 100 feet needed to be shown on the plans. Chairman Phillips acknowledged that this could be difficult when dealing with neighboring properties and that they were not doing anything within seventy five feet (75) of the well. Forrest Green asked if the proposed lot line was jogged to accommodate the setback and to obtain the required two (2) acres size. Mr. Newman responded that it was to fix the setback issue. Forrest Green stated that adjusting the lot line to fit around the shed met the definition of gerrymandering. Mr. Newman stated that the Board had seemed fine with this configuration during the Conceptual. Chairman Phillips agreed, but also stated that they had not considered the 180'x240' box at that time. He stated that they might entertain the idea of waiving the box requirement if there were no other options but in this case they could straighten out the line and go to Zoning for a reduced setback. Forrest Green asked if an exception had ever been made for the 180'x240' box requirement. Alternate Bowles replied in the negative and asked if moving the rear pin could help. Danielle Bosco asked about moving the shed. Mr. Newman responded that he did not think that would work. Applicant Fern Bond also stated that the shed is on a concrete slab. Alternate Phillips stated that if the shed was broken up into bays, taking fifteen (15) feet or one bay off would allow the property line to be dropped down. Mr. Newman asked if the line needed to be completely square. Several Board members agreed that taking off part of the shed would help to drop the line down a little and fit the required box. Chairman Phillips stated that the plans would need to be fixed whether they went to zoning or took off part of the shed. Alternate Bowles stated that if they came back with new

plans in June, then the Board could grant an approval conditional to a Zoning approval. Mr. Newman asked if they could get a conditional approval that evening if they removed part of the shed. Chairman Phillips stated that the only other condition so far would be including the DES permit information. Mr. Gurall asked if the foundation of the shed would need to be removed as well; Chairman Phillips and Ex Officio Miller replied in the affirmative. Chairman Phillips then read a drafted condition to the Board as follows, "Pin moved down until the 180'x240' box fits and portion of shed removed." Ex Officio Miller added that it should say "to fit the setback." Vice Chair Katie Phelps made a motion to approve the waiver for Site Specific Soils; seconded by Forrest Green. All in favor, waiver for Site Specific Soils approved. The Board disregarded the waiver letter for Section 23.6.1 (d) for Lot Configuration because it no longer applied. Danielle Bosco asked if the Board could approve a plan where a boundary line was being moved and if that had been done before. Alternate Bowles stated that he could not remember any. Forrest Green asked what would happen if the pin was moved and the plan signed, but an issue arose after building on the lot had begun. Chairman Phillips stated that the pin was being moved for a very specific reason, and it was not going to move very far. Alternate Bob Phillips also noted that a building permit for the new house would not be issued until the plans were signed. Alternate Bowles agreed. The conditions of approval were set as: including the DES permit number on the final plan, and that the pin be moved down until the 180'x 240' box fits and the portion of the shed be removed to fit the setback. Jeremy Minery made a motion to approve the application with two conditions. Seconded by Marilyn Whitten. All in favor; Application #21-05 approved with two conditions. Chairman Phillips closed this public hearing at 9:03 p.m.

Board Discussion and Correspondence

Central New Hampshire Regional Planning Commission (CNHRPC) Traffic Study – Chairman Phillips read the list of roads submitted by the Road Agent. This included primary locations on Clough Hill Road, Loudon Ridge Road, and Clough Pond Road as well as secondary locations on North Village Road, Currier Road, School Street, Dump Road, and Piper Hill Road. Alternate Bowles stated that the Planning Board did not generally make any suggestions unless there was a major subdivision happening. Chairman Phillips agreed to just pass on the Road Agent list.

Chairman Phillips brought up the idea of re-zoning the NH Route 106 corridor as Commercial instead of Commercial/Industrial or Commercial/Recreational, stating that the CNHRPC would be willing to help with this. He noted that with Commercial/Industrial zoning it was hard to apply the current architecture standards to make the industrial areas in town look rural. Chairman Phillips stated that this could help to encourage industrial businesses into industrial parks, keeping Route 106 as light commercial businesses. Ex Officio Miller asked how that would affect the Commercial/Recreational district. Alternate Bowles asked about how this change would affect Veteran's Way. Chairman Phillips stated that the Board could work with Zoning on this.

Chairman Phillips stated that Matt Monahan from the CNHRPC suggested reviewing the Town's workforce housing standards, making sure that the Town standards were in compliance with state regulations. He asked for any volunteers who would want to work on that. Alternate Bob Phillips and Marilyn Whitten volunteered.

Chairman Phillips brought up addressing the issue of greenhouse light in the Land Development Regulations and Zoning Ordinance. Ex Officio Miller asked if the Regulations specified if the light were exterior or interior. Chairman Phillips replied that they did not say. He also stated that in many of the industry magazines, New Hampshire comes up frequently. He had learned that in Kingsville,

Ontario, a by-law was passed to ensure 100% light remediation. This meant no light leaving greenhouses. Leamington, Ontario, allows the shades to be open up to twenty percent from 2 am to 6 am. The promise to put darkening curtains in at Lēf Farms was made at a Select Board meeting in January 2017, but there is no way to enforce that. Light has been reduced by maybe 30-40 percent, but the future goal is to have more greenhouses there that could produce enough light to be back at 100%. Chairman Phillips said that the Board needed to get something going to find out what is possible. Alternate Phillips asked about smells. Chairman Phillips responded that after speaking with an engineer from the Kingsville and Leamington, Ontario, area he learned that it was actually a "nuisance" by-law passed in Canada to regulate light and cannabis odors.

Chairman Phillips told the Board that he had not inspected Denyse Merullo's excavation on Hardy Road. A letter was found in the file from Roy Buttrick about grandfathered status of this excavation, meaning that they did not need a permit. The Selectmen sign the Intents to Excavate, so it looked like the letter to clarify the "incidental to construction" claim on the Merullo Intent should come from them. They needed to do more follow up on Benevento, though it was established that most of their pits are grandfathered. Chairman Phillips said that the Board will need to do inspections though to make sure up they are keeping up with reclamation. Chairman Phillips had thought to update the Town Excavation Regulations to have the option to require excavation and reclamation plans and to have them updated periodically. Alternate Phillips asked if the excavation owner could be made to pay for inspections. Chairman Phillips stated that he didn't know. The Administrative Assistant mentioned an old letter requiring an inspection of all pits and submission of new reclamation plans. Alternate Bowles mentioned having the State come in to do an inspection of open excavations in the past.

Report of the Zoning Board of Adjustment

Matthew Raimer's Special Exception application #Z21-03 for reduced setbacks for a garage addition would be going before the Board again. Jennifer Sawyer's application #Z21-07 was a new Special Exception application for an outdoor wedding venue.

Report of the Board of Permit

Vice Chair Katie Phelps reported that Whisked Away Café would return from May 5 to August 5 with the same set up as last year. The Timberman Triathlon would take place August 22 with the bike portion coming through Loudon. There were concerns, however, about the bikes traveling on NH Route 129 so the permit was still pending. Vice Chair Phelps asked if anyone else would be interested in serving on the Board of Permit.

Adjournment

Vice Chair Katie Phelps made a motion to adjourn; seconded by Jeremy Minery. All in favor. Meeting adjourned at 9:30 p.m.

Respectfully Submitted,

Kelly Pedersen Planning Board Administrative Assistant

Loudon Zoning Board of Adjustment Regular Meeting Minutes May 27, 2021

DRAFT

Chairman Earl Tuson called the meeting to order at 7:00pm Roll Call Attendance

Alternate Ned Lizotte, Chairman Earl Tuson, Vice Chair Peter Pitman, Charlie Aznive, Alvin See, Alternate Steve Ives.

Alternate Steve Ives was appointed as a voting member in the absence of Todd Phelps.

Deputy Fire Chief Bill Lake was present to represent Code Enforcement.

Acceptance of Minutes

April 22, 2021, Regular Meeting Minutes – Vice Chair Peter Pitman made a motion to approve the minutes as written; seconded by Charlie Aznive. All in favor, April 22, 2021, meeting minutes approved.

Public Hearings

Old Business

#Z21-03 Matthew Raimer - Special Exception for Reduced Side and Rear Setbacks - Rural Residential. Mr. Raimer was present. No abutters were present. Chairman Tuson asked if Mr. Raimer had a chance to review the April meeting minutes. Mr. Raimer responded in the affirmative. Chairman Tuson asked Mr. Raimer if the dimensions listed on the revised plan submitted to the Board were the existing dimensions. Mr. Raimer stated that they were based on the measurements taken during the site walk and verified by Deputy Chief Lake. Mr. Raimer stated that the shed on his property was now documented as having one corner that was two (2) feet from the boundary line and the other corner was two and a half (2.5) feet from the line. Chairman Tuson asked about the lean-to on the rear of the shed. Mr. Raimer responded that he would remove the overhang, putting the shed two (2) feet from the line. One corner of the garage was stated to be two (2) feet from the property line while the other was seventeen (17) feet from the line. Alternate Steve Ives asked about the size of the shed. Mr. Raimer responded that it was ten (10) feet by fourteen (14) feet. Chairman Tuson asked about the size of the lean-to on the shed. Mr. Raimer stated that it had a five (5) foot overhang in the rear. Vice Chair Pitman asked about the gravel driveway that went over the boundary line. Mr. Raimer responded that he can do whatever the Board determined to fix it. Vice Chair Pitman stated that it was his understanding from the site walk that Mr. Raimer needed to come into compliance before the Board could go forward with the application. Mr. Raimer stated that he had no problem with his approval being contingent on the removal of the overhang and fixing the gravel of the driveway. Vice Chair Pitman asked if Deputy Chief Lake would speak to the Board. Deputy Chief Lake agreed that the overhang and driveway were over the boundary line, suggesting that he could verify the lean-to removal and the shed moving if that was required as a condition of approval. He had suggested that Mr. Raimer wait to do any of this work until after the Board made a decision so that he could comply with any conditions of approval. Chairman Tuson asked about emergency access around the garage. Deputy Chief Lake stated that the size of the garage did not require emergency access from the rear and the addition did not pose any access issues. Charlie Aznive asked when the garage was originally built. Chairman Tuson read from the application file (#Z06-23) that the original application, approved in 2006, granted an eighteen (18) foot rear setback and a twenty eight (28) foot side setback for the garage. He also stated that the shed was not included in the 2006 application. Vice Chair Pitman voiced the opinion that the shed needed to be moved to comply with the setbacks approved in 2006. Mr. Raimer stated that this would put the shed on top of his leach field. Mr. Raimer explained that he did not know where his boundaries were in 2006, but that he knew now. Ned asked if Mr. Raimer could mark up the plan to clarify the relationship between

the leach field and the shed. Vice Chair Pitman stated that the shed was originally built on abutter Rodney Phillips' property; Raimer responded that this was because he did not originally know where boundary was. Mr. Raimer said that Mr. Phillips had no objections so long as the items over the boundary were moved or removed. Bill Lake confirmed this. The Board members asked for clarification of the dimensions for the addition, and Mr. Raimer marked those dimensions on the plan. Charlie Aznive asked what they would do if a neighbor came in looking for a 2 foot setback. Alternate Ives pointed out that the original application created a non-conforming lot by allowing the reduced setback for the garage. Approval of this application would make the lot more non-conforming by reducing the setback to an unprecedented two feet. Alvin See noted that the original approval was only for the garage. Chairman Tuson asked Deputy Chief Lake if he was aware of any building permits for the shed or lean-to. Deputy Chief Lake stated that he was not aware of any. Vice Chair Pitman asked Mr. Raimer if he pulled a building permit for the shed, and Chairman Tuson asked about a building permit for the lean-to on the garage. Mr. Raimer said that he didn't think that he had needed one. Chairman Tuson then read through the application with Mr. Raimer. The application was updated by Mr. Raimer to state that the Special Exception was being requested from Article II, Section 204.5. Mr. Raimer updated Question 1 of the Special Exception application to read "204.5 Reduced Setback." Mr. Raimer updated Question 4 by saying that there were no known additional demands on municipal services. Mr. Raimer stated that he did not fill in Reduced Setback specific Questions 6 and 7 because he did not have that information. Chairman Tuson stated that the applicant had a duty to answer the questions listed in the application but that there seemed to be a feeling that many of the questions were not adequately answered. Vice Chair Pitman and Charlie Aznive agreed. Chairman Tuson noted that after viewing the new plan and completing the site walk in March, the 2006 application did not avoid the injurious or detrimental effects asked about in Question 2 of the Special Exception application. He also stated that it was rather telling that the applicant did not have an answer for Questions 6 and 7 of the Reduced Setback section of the application. Vice Chair Peter Pitman made a motion to deny the application; seconded by Charlie Aznive. Roll call vote: Chairman Earl Tuson – yes; Vice Chair Peter Pitman – yes; Charlie Aznive – yes; Alvin See – yes; Alternate Steve Ives – yes. All in favor, application #Z21-03 denied.

New Business

#Z21-07 Jennifer Sawyer – Special Exception for an Outdoor Wedding and Events Venue - Rural Residential. Applicant Jennifer Sawyer was present. Property owner Michael Milligan was present. Ms. Sawyer presented the Board with a letter from abutter Bob McCullen (Map 38 Lot 2) expressing his support for the application. Alternate Lizotte noted that the application listed the Special Exception as being requested from Article II, Section 701.3 (p) when it was really from Section 204.3 (p). Ms. Sawyer corrected the application on file. Ms. Sawyer then explained to the Board that she wished to use an existing barn on their property, formerly used as a horse stable, to host weddings. She stated that the events would be held May through October and that most of the interested parties she had spoken to so far would host smaller events. Chairman Tuson asked if the Board would like to complete a site walk. Alternate Lizotte agreed that a site walk would help the Board better understand the layout of the property. Alternate Lizotte also asked about the eight (8) event limit provided in the Zoning Ordinance and Ms. Sawyer stated that as a new project she planned to start with eight (8) events. Alvin See made a motion to continue the application to a site walk; seconded by Vice Chair Peter Pitman. All in favor, application #Z21-07 continued

to a site walk. Deputy Chief Lake informed Ms. Sawyer that this application would turn a horse barn into an assembly, triggering some of the strictest code requirements. Chairman Tuson suggested that the applicant meet with Code Enforcement prior to the site walk to understand some of the Code requirements of this project. Charlie Aznive agreed. The Board set the date of their site walk for Thursday, June 10, 2021, at 5:00 p.m. Chairman Tuson stated that this would be the only notice.

Board Discussion/Correspondence

Chairman Tuson noted the informational enclosures sent out in the May Board packets, asking if anyone had any questions. Discussion turned to the timeline of Special Exception application #Z16-04 from Greg and Diane Colarusso for an outdoor wedding venue. The Administrative Assistant explained that the zoning amendment that added Section 204.3 (p) to the Ordinance was approved in March of 2016 and the Colarusso application was submitted in April 2016. This made them the first wedding venue approved under this amendment and the eight (8) event restriction. Chairman Tuson read an excerpt from the January 18, 2016, zoning amendment hearing clarifying that the number of events would have to be revisited at Town Meeting. Alternate Lizotte stated that the question of increasing the number of events could be considered during a workshop in the fall, and Chairman Tuson agreed.

Adjournment

Vice Chair Peter Pitman made a motion to adjourn; seconded by Charlie Aznive. All in favor, meeting adjourned at 8:14 p.m.

Respectfully Submitted,

Kelly Pedersen

Zoning Board of Adjustment Administrative Assistant

Town of Loudon Zoning Board of Adjustment 6/10/2021

DRAFT

Sitewalk, 7175 School St., Loudon

Meeting opened at 5:00 PM.

Attendance:

Board members: Charlie Aznive, Alternate Steve Ives, Vice Chairman Peter Pitman, Alvin See, Chairman Earl Tuson.

Owner and Applicant: Mike Milligan, Jennifer Sawyer.

Application Z21-07: The applicants discussed their recent conversation with a fire protection consultant and his recommendations, including building capacity, fire resistant finishes, and egress changes; and the location and nature of proposed activities, including the building and tents, attendance, parking considerations, abutting parcels and uses.

Motion made to adjourn by Peter Pitman. Seconded by Charlie Aznive. All in favor.

Meeting adjourned 5:14 PM.

Respectfully submitted, Earl Tuson, Chair
