Loudon Ledger Submission Policy

All groups, organizations, individuals, etc are encouraged to submit articles to the Loudon Ledger. Special events, landmark anniversaries or birthdays, "attaboys" etc, are all welcome. Please note, however, that the Ledger will uphold its mission:

To provide a comprehensive source of information and education about business, government, and community organizations within Loudon in order to facilitate and encourage informed citizen participation.
We will also follow our *Articles of Agreement*, which are on file with the Secretary of State:

The corporation shall not participate in, or intervene in any political campaign on behalf of any political party or candidate for public office, nor shall it sponsor or endorse any plan or proposition that does not facilitate or encourage informed citizen participation.

In other words, any article submitted must present all sides of an issue in a factual, unbiased, manner so that the reader may form his/her own opinion based on the information presented. To paraphrase Eric Severard: " You should educate not advocate."

Articles should be submitted to the Loudon Communications Council, P.O. Box 7871, Loudon, NH 03307. They may be emailed to ledgerarticles@gmail.com. From there, they will be forwarded to the council for review before they are inserted in the Loudon Ledger. If you have any questions regarding this policy, please contact Mary Ann Steele, chairperson of the Council, 603-267-6509

Richard Brown House News

With things opening up in May, the residents at Richard Brown House have enjoyed gathering for more activities. A Monday evening Game Night has been established for residents to meet others for cards or board games, a Potluck Dinner was planned, everyone enjoyed a Chinese Food lunch, and two community volunteers came by to lead the residents in some craft projects of greeting card-making and rock painting. UNH Extension-Nutrition Connections set up a monthly changeable Healthy Habits Corner at our community and we all learned some info about high blood pressure. To get people outside, residents were able to participate in a Corn Hole Tournament and start gardening in our three raised garden beds on the property. We received some donations for our food pantry, as well as gift cards and rolls of quarters from generous community members.

In June, we plan to offer more educational, craft, and game programs for everyone to enjoy. UNH Extension-Nutrition Connections is planning a Nutrition Trivia activity, as well as the “Walk With Ease” program and a community member will be working with the residents on some gardening projects. We are lucky to have a local high school Key Club stopping in to do some community service work with our residents.

Do you have a special talent or working knowledge of a topic that might be of interest to our residents? We are seeking community members or groups who would be willing to share their time with our folks teaching a craft, sharing information, or leading an activity. Music, cooking, animal presentations, dancing, & youth groups are very popular... or we would love to hear your ideas!

Feel free to reach out to me anytime with questions, ideas, or support for our residents. Torey.kortz@voanne.org 603-798-3190 ext. 202. Our Property Manager, Lucie Bilodeau, can be reached at lucie.bilodeau@voanne.org 603-798-3190 ext. 203.

Loudon Historical Society

The Historical Society belongs to the residents of Loudon and we are happy to listen to input concerning the kinds of history that you want us to preserve. It has been interesting for me the last few months looking through the collection and putting together a Mel Bolden display for Black History Month then looking through books, pictures and newspaper articles to develop the stories of farming and transportation for our Traveling Trunks program. Now we have been asked to put together a display focusing on indigenous people and how they impacted Loudon's history. Unfortunately we don't have much to draw from in our collection. Polly Touzin has volunteered to take over the effort of collecting stories, pictures, newspaper articles and artifacts to have a display ready to coincide with the Old Home Day celebration in August. If anyone has something they could share, we ask that you contact Polly. We could scan and reprint pictures. We could record and transcribe your stories. We could take items that you might be willing to loan us for the month of August. Polly Touzin can be reached by mail at 57 Berry Road, Loudon NH 03307 or by phone at (603) 783-5942.

Please join us for a public presentation of the Traveling Trunks on June 8 at 6:30 pm at Charlie's Barn.

Girl Scout Troop 60180

This spring has been a very busy one for the Troop! After an incredibly successful cookie selling season, we have been working hard on our badges.

February: The Daisies continue working hard on all of their petals. The Brownies set off on an adventure around the world and started a new Journey. The Juniors finished up their engineering badges and built a birdhouse. We also took a break from badges to have a Valentine's Day party making chocolate dipped strawberries rolled in Thin Mint cookie crumbles of course and also made hand tied heart pillows.

March: The Troop spent a day ice skating at Merrill Fay Arena and had a wonderful time checking skating off our Troop's dream board. We were detectives and helped solve a crime of the missing cookie jar, earning investigator badges. The Daisies finished even more petals by learning how to respect themselves. The Brownies worked on their Journey by continuing to learn about girls all around the world and the stories they tell. The Juniors earned their entrepreneur badges by coming up with a product business plan and giving a sales pitch.

April: The Daisies learned about how to use resources wisely and were able to earn even more petals and are excited to almost have all their flower petals completed. They also started the space explorer badges. The Brownies earned their fair play badges and started their space explorer badges. The Juniors had a busy month as they started training for a 5k as part of 2 badges they are working towards. They started their space science badges too and even had a late-night meeting to view the night sky. The entire Troop visited a dance studio and danced until we dropped.

Our spring activities included a lot of support from people and business around Loudon too!

Thank you to Mike Corbett for teaching the Juniors how to build a birdhouse and tool safety.

The Girl Scouts had a wonderful time at the LES PTA Egg Hunt and took a group photo with the Easter Bunny.

Thank you to Alicia Brooks and the dance students at Alicia's School of Dance for hosting our Troop, teaching them about types of dances, teaching routines and performing.

Thank you to the Maxfield Public Library for letting us check out the telescope to view the night sky.

We could not do as much as we do without such support from friends, family, and community.

Please email Ashley or Sheena with any questions Troop60180@gmail.com

Thank you for supporting your future leaders!

NEW HAMPSHIRE MOTOR SPEEDWAY®

Action Returns to The Flat Track During Motorcycle Week at NHMS

New Hampshire Motor Speedway is a must-stop destination with racing, camping, demo rides and entertainment for riders during Laconia Motorcycle Week.

LOUDON, N.H. – New Hampshire Motor Speedway (NHMS) is a top destination for riders visiting the area during Laconia Motorcycle Week, June 11-19, with on- and off-track events throughout nine days of motorcycle mayhem. Racing at The Flat Track bookends a week-long motorcycle celebration that also features racing on one of NHMS's road courses, vendors, demo rides, camping and more.

"We are thrilled to have The Flat Track back in action this season," said New Hampshire Motor Speedway Executive Vice President and General Manager David McGrath. "With two weekends of dirt-sliding racing to entertain riders as they make their way to and from Laconia on top of two-wheeled action on the road course, demo rides and vendors, this year's Motorcycle Week at NHMS is one that riders just can't miss."

NHMS will host events at The Flat Track on back-to-back weekends. Riders can enjoy the motorcycle handlebar-banging dirt racing of "America's Original Extreme Sport" on June 11 when American Flat Track brings the Laconia Short Track race back to the 0.25-mile dirt

OBITUARIES

Robin Davis

Robin Douglas Davis, 66, passed away peacefully at his home surrounded by family in the early morning hours of March 23, 2022. He was severely injured in a motorcycle accident in late September of 2019 and spent the past 2 ½ years recovering. He ultimately succumbed to those injuries and the myriad of complications that stemmed from those injuries. Robin was born in Laconia NH on

July 13, 1955 and resided in Meredith for the better part of his life, until moving to Florida in July of 2018. Robin was predeceased by his beloved mother Margaret Vachon of Meredith, NH; 2 brothers, George Davis of California and Paul Davis of Winchester NH and his sister Linda Downs of Vermont. He is survived by his wife of 35 years Camilla (Fournier) Davis of New Smyrna Beach FL., His son David W. Davis and his wife Kristi of Clinton, Utah. As well as two wonderful grandsons' 6-year-old Bryce and 2-year-old Mason Davis, his sister Jane Eacobacci and her husband Joe of Milford, NH; Jackie Hurd and her husband Arnold of Meredith, NH; a brother Mark Davis of Loudon, NH; and another brother, Samuel Vachon of Concord, NH, and a sister Valerie Wright also of Concord NH. also survived by many nieces and nephews. Robin served in the US Army in Germany as a heavy equipment mechanic during the Vietnam Era.

John Dowes Jr

Mr. Dowes, 66, a lifelong resident of Loudon, NH, passed away at home with his loving family and friends by his side. Born in Concord, NH, to his father, John E. Dowes Sr (pre-deceased), and his mother, Lois (Folsom) Dowes (pre-deceased). John worked at Papertech in Hopkinton, NH for more than 20 years, Schnitzer, and ADA Flagging. John loved riding his motorcycle and attending the blessing of the bikes in Colebrook, NH. He enjoyed hunting and fishing with his family. He loved spending time with his Weiner Schnitzel, Doodie. He is survived by his wife of 31 years, Robin (Magoon) Dowes, son, John E. Dowes III and wife Mary (Hoitt) Dowes, sister, Jennifer (Dowes) Magoon and husband Bliss Magoon Jr, and several brother-in- laws, sisters-in-laws, nieces, nephews and cousins.

Aldor St. Germain

Surrounded by his family, Aldor St.Germain passed away quietly at his home in Loudon NH on May 3, 2022 Born in Woonsocket, RI on December 29, 1930, he was a son of the late Ovilla and Helen St.Germain. He had previously lived in North Smithfield for many years. His parents instilled the importance of a meaningful work ethic and Aldor lived his life exemplifying that. He was the beloved husband of Violet A. (Saucier) St. Germain who passed on June 12, 2011. He is survived by his children, Donald St. Germain, and his wife Emma, Diane St. Germain and her husband Al Beauregard with whom he lived, and Michael St. Germain. Aldor built a successful diesel truck and auto repair business, “Tap Auto Service” along with his partner William “Bill” Cavanaugh and his son Donald. It is said that Aldor could “listen to an approaching vehicle and tell you what was wrong with the engine even before it pulled into the garage”. Like his parents, he leaves behind a legacy of hard work and a commitment to never give up. Aldor had a love of racing and enjoyed following the sport. As a young man, Aldor’s mischievous nature prompted him to race under an alias so his mom wouldn’t discover that he was behind the wheel.

Later in life, Aldor, followed his wife in becoming a follower of Jesus and we know that they have reunited again.if you confess with your mouth the Lord Jesus and believe in your heart that God has raised Him from the dead, you will be saved. Romans 10:9

Carolyn “Bump” Stinson

Carolyn Elaine Stinson (3/11/1949 – 5/2/2022) went to join her husband and her loved ones, Monday, May 2, 2022. She was born March 11, 1949 in the Loudon, NH in the home she grew up in. She was born to Harold Muzzey Sr. and Gertrude (Welch) Muzzey.

In 1973, she married Willy, of 48 years, and they built their home together. While raising their sons, Bump was a stay-at-home mom and did childcare for many years.

Bump’s heart was big and loved caring for people of all ages, especially her family. While at home, she got her GED and started the path to obtain her CNA and LNA Licenses to care for the older generations, whether caring for them in a private setting or working at Epsom Manor, Heartland and later, Granite Ledges. Later, her position as Activities Director allowed her to connect with and enrich the lives of the residents.

Carolyn’s nickname “Bump” may have originated from a couple of possible stories. One story told was her parents stopped to see a neighbor after she was born and the neighbor said “she was no bigger than a bump”. The other story told was she was always “bumping into something” as a child. Regardless, the nickname stuck and many called her that throughout her life.

Bump loved to crochet, knit and play BINGO. Playing Rummikub with the grandchildren and other card games with neighbors. She cherished the get-togethers with the women from the “Red Hatters”. Whenever she ran into someone, she always had a story or joke to tell. She was known for that and how she made people laugh.

Bump was predeceased by her husband, Willy; her parents and two brothers, Kenneth and Raymond Muzzey. She leaves behind her son, Dennis and his wife April and son, Kevin, all of Loudon. Her four grandchildren, Cory, Cadilyn, Emmaleigh and Taiylor, as well as her sister, Evelyn and husband Carey Timmins; her brother, Harold and his wife Diana Muzzey; and many nieces, nephews and cousins.

A Celebration of Life for both, Bump and Willy, will be held at their home in Loudon on Friday, June 10, 2022 from 4:30 pm to 7:00 pm, with a small service done at 5 o’clock. Bring any stories of Bump and Willy to share if you so choose.

What's Cookin'?

Food, Food and More Food!

June brings us the first fruits of the season. Strawberries and rhubarb. YUM!!

Rhubarb Cobbler

3 cups diced rhubarb
2 cups sugar, divided
1 T. butter
½ cup shortening
1 large egg
1 cup flour
1 tsp. baking powder
½ cup milk Whipped cream or ice cream

Place rhubarb in a 9x13 baking pan. Sprinkle with 1 cup sugar and dot with butter. In a bowl, cream shortening and remaining sugar. Beat in egg. Sift together flour and baking powder; add alternately with milk to creamed mixture. Drop by tablespoons full over rhubarb. Bake at 350 degrees for 55-60 minutes. Serve warm with whipped cream or ice cream.

Rhubarb Jam

5 cups rhubarb cut in 1 in. pieces
1 cup drained crushed pineapple
4 cups sugar
1 pkg. strawberry jello

Mix rhubarb, pineapple and sugar. Let set 20 min. Bring to a boil and cook 12 min stirring constantly. Remove from heat and stir in jello until dissolved. Pour into sterile jars and process in boiling water bath 15 min.

Rhubarb-Apple-Pineapple Pie

1-2 medium apples, peeled and diced
1- 8 oz can crushed pineapple, drained
3 cups fresh rhubarb, diced
1 cup sugar
¼ cup honey
3 T. flour
1 tsp. lemon juice
1/8 tsp. salt
1 T. margarine
Pie crust for two layers.

Preheat oven to 450 degrees. In large bowl, mix apples, pineapple, rhubarb, sugar, honey, flour, lemon juice and salt. Pour into pie shell and top with second layer of crust. Seal edges and bake in oven you have turned down to 350 degrees.

Bake for about 1 to 1 ¼ hours or until center is bubbly and crust golden brown. Note: to save on oven cleanup you may want to place pie on cookie sheet to bake.

Mixed Berry Tarts

½ cup flour
1 (16.5 Oz) refrigerated sugar cookie dough
3 cups ricotta cheese

¾ cup confectioners' sugar
2 tsp. vanilla
4 cups mixed berries (strawberries, raspberries, blueberries, blackberries)

Heat oven to 350 degrees. Coat 8 tart pans with cooking spray. Mix flour into cookie dough. Divide into 8 pieces and press into pans. Prick dough and bake until golden – about 15 min. Let cool, then remove from pans. Mix cheese, sugar and vanilla. Divide among shells. Top with berries.

Strawberry Muffins

2 cups flour
¼ tsp. salt
1 cup sugar
4 T. melted butter
1 large egg
1 cup sour cream
1 T. baking powder
1 cup strawberries, washed and cut up.

Preheat oven to 350 degrees. Combine flour, salt and baking powder. In a separate bowl, mix sugar and sour cream. Add melted butter and stir. Add egg and stir well. Toss strawberries in flour mixture. Add sugar mixture to flour mixture and fold gently. Bake 25-35 min. Makes 12 muffins.

Strawberry-Blueberry Crumble Bars

For crust and topping: 1 cup sugar
1 tsp. baking powder
3 cups flour pinch salt
Zest of 1 lemon
1 cup cold unsalted butter, cubed
1 large egg
½ tsp. vanilla or almond extract
For berry filling: 2 ½ cups blueberries
2 cups chopped strawberries
½ cup sugar
4 tsp. cornstarch
Juice and zest of 1 small lemon
½ cup toasted slivered almonds

Preheat oven to 375 degrees. Line a 9x13 baking pan with foil or parchment paper or grease and dust with flour. Prepare crust: On low speed, combine granulated sugar, baking powder, flour and salt in large bowl. Add lemon zest, butter chunks, egg and flavoring. Beat on low speed until the butter is evenly distributed and mixture is crumbly. Press about 2/3 of prepared mixture in bottom of prepared pan. Be sure to fill the corners. Set aside.

In a large bowl, gently stir together berries, cornstarch, sugar and lemon juice until well incorporated. Spread the filling over the crust, then sprinkle with remaining dough mixture. Top with almonds. Bake 45-50 min or until top is light golden brown and fruit looks jammy. Cool completely on a rack before cutting into squares.

Loudon Fire Department News

This month The Loudon Fire Department wishes to recognize a few of its members for their accomplishments in furthering their skills. We first would like to congratulate Firefighter / EMT Keith McNulty and Firefighter / EMT Sara Frenette on successfully training for and passing the NH Candidate Physical Ability Test. The CPAT test must be successfully completed in order to be eligible for career employment as a firefighter in NH and is a solid testament of one's commitment to physical fitness and abilities. At the same time Firefighter / EMT Sara Frenette successfully completed her NH Pro Board-Certified Firefighter Level II program at the NH Fire Academy. We are also pleased to announce that Firefighter / AEMT Sean Marden has successfully completed his Advanced National Registry of Emergency Medical Technician class and will now be able to perform more advanced life support skills while working on the ambulance.

We have had four new members join the department this month all of which reside in Loudon and will be a boost to our ranks. Nathan Ecker, Peter Godbout, Eric Tucker, and Jacob Shapiro have all joined as probationary members. Peter is currently a National Registered Emergency Medical Technician and is nearing completion of his Advanced EMT program. Jacob is nearing completion of his EMT program. Nathan and Eric are in the process of being enrolled in upcoming programs as they become available. Each member will go through one year of probationary training and must successfully complete the department's field training program as well as obtain certification as either a firefighter or EMT within the year.

The department spent most of the month of May training on Wildland and Forest Fire skills and techniques. Each of the 4 Battalions continued on mastering the The National Fire Protection Association (NFPA) 1410 single Engine company drill in preparation for their evaluations. The evaluation will determine which Battalion will come out on top for the safest and quickest deployment of 300 feet of 4" supply hose and 300 feet of 3" supply line attached to a portable master stream and flowing 300 gallons of water per minute for 3 minutes using only 3 firefighters to perform the evolution. The winning Battalion will be treated to a catered dinner for their efforts. These drills are designed to encourage teamwork and safe efficient operations during the initial first few minutes of arrival of a single engine company at a building fire.

Several members have also spent time performing spring maintenance on the dry hydrants and cisterns around town. Spring maintenance includes topping off the cisterns, backflushing the dry hydrants, lubricating all of the caps and swivels, and applying new reflective tape so they can be easily spotted at night. Additional maintenance during the summer months includes mowing, brush cutting, and trimming to ensure easy access to the connection points and reduce vegetative growth into the fire ponds.

As families begin to take their summer vacations, we wanted to remind folks of a few safety tips they should consider when they are vacationing in a rental property such as any type of peer-to-peer hospitality service like Airbnb. Make sure when you arrive that you check to

make sure that the smoke detectors are in place in bedrooms and outside each sleeping area and that they are working properly. Check to make sure that there are working carbon monoxide detectors on each level of the property and outside each separate sleeping area. Review the address of the property with everyone in case they need to call 911 in the event of an emergency. Ensure that everyone is familiar with a predesignated outdoor meeting place, and everyone is familiar with an exit plan times two separate routes. Make sure that all doors and windows can be unlocked and opened and are of the proper size to be used as an exit if needed. Check to make sure that there are portable fire extinguishers in place and that they are in working condition and everyone knows their locations. Vacations are meant to be great family time and relaxing but remember safety of the family is just as important as it is when you are in your familiar home. Please do not take anything for granted and just conducting these few quick and easy steps could prevent the unthinkable from happening if an emergency does occur.

Respectfully

The Members of the Loudon Fire Department

continued from Page 5

track. On June 18, the inaugural Musket Dirt Shootout will feature the Dirt Midget Association, Sprint Cars of New England and Granite State Mini Sprints.

NHMS is home to the best racing action in the region, and there will be no shortage of action on the 1.6-mile full road course with nearly 50 races throughout four days. The United States Classic Racing Association kicks it off with the FIM North American Vintage Championships, June 11-12. A variety of classes, ranging from 1950s tank shifters to modern small bike twins provide a plethora of vintage racing action.

The road course racing continues June 18-19 when Northeast Motorcycle Road Racing (NEMRR) competes in round three of Championship Cup Series racing, highlighted by the 99th Annual Loudon Classic Middleweight Grand Prix. Known as the longest-running motorcycle race in America, the Classic has been held on site since long before the speedway was built, when it was simply a road course known as Bryar Motorsports Park.

Along with NEMRR, Supermoto East Coast will combine high-flying action on the dirt with high speeds on the asphalt. Classes ranging from kids to adults will compete in round three of their championship June 18-19.

Penguin Road Racing School will host instructional sessions for riders looking to improve their skills June 16-17.

Katancha and Harley-Davidson will host the largest demo ride course in the area along with a vendor mall and food court. The nearly nine-mile route will take riders through an on- and off-property experience to test out the latest and greatest that the top motorcycle manufacturers in the world, such as Harley-Davidson, have to offer. Members of Harley Owners Group, the official riding club of Harley-Davidson, can pick up their commemorative rally pin. On top of the demo rides, there will be a plethora of vendors on-site with gear, accessories, sound systems and more for bikers.

Riders can also support children in need throughout New England through the June 14 Ride to the Racetrack, a cruise from Laconia Harley-Davidson to NHMS that includes two laps on the 1.6-mile full road course. Registration is \$20 per rider or passenger and all proceeds benefit the New Hampshire Chapter of Speedway Children's Charities, the official charity of NHMS.

With the speedway centrally-located on Route 106, the main corridor to Laconia, and just 20 minutes south of Rally Headquarters, it has become the perfect home-away-from-home during Motorcycle Week. Dry and full hookup spots are available with amazing views of the racetrack.

Riders can also visit the North East Motor Sports Museum, located on N.H. Route 106 North in front of The Flat Track next to the speedway's South Entrance. The museum will be open 10 a.m. – 4 p.m. Saturday and Sunday, June 11-12 and Friday – Sunday, June 17-19. Newly-displayed historic motorcycles and race car exhibits will be featured, as the museum refreshes exhibits every year. Riders are encouraged to check NEMSMuseum.com for updates.

Schedule:

- June 11: American Flat Track Laconia Short Track (The Flat Track)
- June 11-12: USCRA FIM North American Vintage Championships (1.6-mile full road course)
- June 11-12: North East Motor Sports Museum open
- June 11-19: Camping available (NHMS)
- June 13-18: Demo rides, vendor mall and food court open (NHMS)
- June 14: Ride to the Racetrack to benefit the New Hampshire Chapter of Speedway Children's Charities (Laconia Harley-Davidson to NHMS)
- June 16-17: Penguin Road Racing School (1.6-mile full road course)
- June 17-19: North East Motor Sports Museum open
- June 18: Musket Dirt Shoot Out (The Flat Track)
- June 18: 99th Annual Loudon Classic (1.6-mile full road course)
- June 18-19: Northeast Motorcycle Road Racing Round Three (1.6-mile full road course)
- June 18-19: Supermoto East Coast (S3 Lot)

Riders are encouraged to check the speedway website (NHMS.com) and social channels for the most up-to-date information regarding events happening as a part of Motorcycle Week at NHMS.

Follow Us:

Keep track of all of New Hampshire Motor Speedway's events by following on Facebook (@NHMotorSpeedway), Twitter (@NHMS) and Instagram (@NHMS). Keep up with all the latest information on the speedway website (NHMS.com) and mobile app.NHMS

LOUDON MEMORIAL DAY PARADE RETURNS ON MAY 30

May 30 was America's traditional Memorial Day for many years and this year it falls on the last Monday in May. Loudon's 2022 Memorial Commemoration will feature a return of the traditional Memorial Day Parade after a two-year COVID hiatus. Organized by Loudon's American Legion Post #88, the event will again feature the Merrimack Valley High School marching band along with fire trucks and local police details. Starting at the Town Office Parking lot, the parade will move to the Maxfield Library for remarks and rituals. Things will then move to the Village Road Bridge where naval veterans will be remembered. Then the third leg will take the parade to the historic Mt. Hope Cemetery by the Congregational Church for more music and remembrances.

Everyone loves a parade and the Legion would like to include more participants and vehicles. Contact Post #88 Commander Ken Ward at kward824@yahoo.com, for more information.

See you on May 30th!

Young At Heart

On Tuesday, May 10, 2022, 37 members of the Young at Heart met at the Faith Community Bible Church for their monthly meeting. There was truly a touch of spring in the air. With the sky sunny and bright, the birds singing and the temperature rising it made everyone happy to be out and about. It was a perfect day for the meeting.

Letty began the meeting with the Pledge of Allegiance and then made a few announcements regarding future meetings. The June 14th meeting will begin at 10:00 am at the Faith Community Bible Church located at 334 N. Village Road. The meeting will feature speaker Dr. David "Lou" Ferland, the author of *Historic Crimes and Justice in Portsmouth* and his presentation will be on "Murder in Portsmouth" in the 1800's.

Also, those who have signed up for the computer class the date is June 28th 10:00 am at Charlie's Barn. If you have a laptop, please bring it with you for the class.

After the announcements Letty then introduced the main event of the meeting featuring the Loudon Historical Society "Traveling Trunk" presented by Liz LeBrun and Melissa Moore. Liz and Melissa worked together on obtaining a grant from NH Humanities to develop a program they call Traveling Trunks. The idea is to bring pictures, documents, and artifacts from the Historical Society Museum out into the community and to let the items tell the story of how the past has affected the present. There are two trunks. One trunk has an agricultural theme called Loudon Grows: Farm to City and the other is transportation, Loudon: Land on the Move: Land and Sky. Each Trunk involves a slide presentation about 40 minutes long with a question-and-answer period. This event was extremely well put together and very educational. Thank you, Liz and Melissa! Anyone who has an opportunity to see this presentation will not be disappointed.

See you all next month and remember we always take donations for the Loudon Food Pantry. The Young at Heart began in 1997 and is open to Loudon Residents 55 and older. Young at Heart meets the second Tuesday of each month (excluding July and August) beginning at 10:00 am at the Faith Community Bible Church.

The Clough Pond Lake Host Program Celebrates 20 years!

The Clough Pond Lake Host Program has been educating boaters and helping prevent the spread of invasive weeds and animals for 20 years! The Lake Host Program is our first line of defense! Invasive weeds would cut down on the pond's oxygen, making it hard for fish to breathe and make it very difficult for recreational swimmers to enjoy the water. Fishermen would find it hard to use trolling motors and tackle. Invasive animals such as Asian Clams, cut swimmers feet and spread so quickly that it is impossible to eliminate them from lakes and ponds. We want to keep Clough Pond Invasive Free! Come help us!!

We would like to invite you to join our "team" as we gear up for the 2022 summer. We are looking for individuals who enjoy the outdoors, like chatting with folks at the boat ramp and are looking for a little extra cash. The Lake Host positions are paid \$12.00 hourly and scheduled in four hour shifts with openings seven days a week. These hours are great for retired folks or college students looking to pick up extra spending money or perhaps earn credit hours towards Environmental Science classes. Training to become a Lake Host requires nothing more than a 60 – 90 min. zoom session and a desire to help keep your local waters clean.

We extend huge thanks to all the Lake Host coordinators who have served over the past 20 years, finding volunteers and paid Lake Hosts to work this important detail! Our most recent Lake Host coordinator, Perry Hayden, can be reached at hayden1987@gmail.com for further information. Also feel free to go to www.cloughpondnh.org/lake-host for more details.

Our Lake Host Program as well as our Volunteer Lakes Assessment Program, Weed Watcher Program and the LakeSmart Program are heartily supported by Brookside Pizza, NH Lakes Association, and the Loudon Conservation Commission. Many thanks to our team of Super Supporters!

Supervisors of the Checklist

Last month, we mentioned that it is important to confirm your party affiliation as listed on Loudon's Checklist of Voters. RSA 654:34-IV mandates that voters are not allowed to change party affiliation between June 1st and the day of the state primary (September 13th). At the primary election, registered Republicans will vote in the Republican primary, and registered Democrats will vote in the Democratic primary, you cannot request a ballot for the other party. However, Undeclared voters can decide on election day which ballot they wish to mark, by registering with a party when they present themselves to the Ballot Clerk. After marking your ballot, you may return your party affiliation to "Undeclared" by checking out at the "Return to Undeclared" table before you leave the polling location. You can change your party affiliation before June 1st by filling out a short form with the Town Clerk.

If you have any questions or are interested in helping out on election day, please let us know, send us an email.

Your Supervisors Of the Checklist

911 Loudon Police News

DRUG TAKE BACK DAY:

On Saturday, April 30th, the Loudon Police Department participated in the National Drug Take Back Day. We were able to collect 2 large boxes which totaled 92.1 lbs. The next event is tentatively scheduled for October 2022. Stay tuned for details. If you have medications that you wish to dispose of prior to the next event, please check with your local pharmacy as select local pharmacies offer this service.

REMINDERS:

We understand some of this is repetitive, but it is important to reiterate:

CLOUGH POND BEACH:

A reminder that you must have a resident sticker to use Clough Pond Beach. You may purchase these during normal business hours at the Loudon Transfer Station. Please do not fish from the beach area as it is prohibited.

TOWN RECREATION FIELDS:

Baseball season is in full swing! We love seeing all the kids out and enjoying our recreation fields, playing sports, and using the skateboard park. Please talk to your children about respecting our properties as a lot of hard work goes into maintaining them. Our

volunteers from both the Loudon Youth Athletic Association along with the Loudon Recreation Committee work hard to provide programs and puts endless hours in for our residents to enjoy. If you see any suspicious activity, please call our 24-hour dispatch at 228-1631 as soon as possible.

JUNKYARD VIOLATIONS:

It's that time of the year again. We receive complaints regarding junkyard violations. RSA 236:92 permits you to have 1 unregistered vehicle on your property ('where 2 or more unregistered, or old motor vehicles, no longer intended or in condition for legal use on the highways, or used parts or materials from motor vehicles which, taken together, include in bulk 2 or more vehicles are held on the property of a person or persons not operating an establishment or place of business which is maintained, operated, or used for storing, keeping, buying or selling junk, or for the maintenance or operation of an automotive recycling yard in violation of RSA 236:111-129'). If you have any questions regarding this, please contact us.

TOWN DOG ORDINANCE:

Due to the increase calls regarding animal complaints, we are providing a reminder that the Town of Loudon has adopted the state NH RSA 466.

RSA 466:1 Keep, harbor, or maintain an unlicensed dog

RSA 466:31 II(a) Maintain, keep, care, harbor, own a dog found at large

VISIT NHMS.COM FOR MORE INFO

From June 1-30 New Hampshire Motor Speedway is happy to offer a pair of tickets* to doubleheader Saturday on July 16, 2022. Loudon residents must call (603)783-4931 to redeem. Please note all tickets are mobile and an email address must be provided.

*Limit 2 tickets per household, non-transferable

RSA 466:31 II(b) Dog barks for sustained periods of more than ½ hours, or during the night hours so as to disturb the peace and quiet of the neighborhood or area

RSA 466:31 II (c) Dog digs, scratches, or excretes or causes waste or garbage to be scattered on the property of another

RSA 466:31 II (d) Dog is in heat and is permitted to run at large

RSA 466:31II (e) Dog growls, snaps at or runs after, or chases any person(s)

RSA 466:31 II (f) Dog runs after or chases bicycles, motor vehicles or any other vehicles being driven, pulled, or pushed on the streets, highways, or public ways

RSA 466:31 II (g) Whether alone or in a pack with other dogs, the dog bites, attacks or preys on game, domestic animals, fowl, or human beings

Dogs need to be on a leash or under voice command. These violations can produce fines and/or ‘must appear’ summons to the Concord District Court.

Finally, remember to license your dogs with The Town Clerk. This is due annually by April 30. Any dog 3 months old or older shall be licensed. The license period is May 1 of each year to April 30 of the subsequent year regardless of when the license is obtained.

RSA1-a Vaccination required. Before a license can be issued by the Town Clerk, the owner or keeper of dog must furnish a copy of a current verification from a licensed veterinarian that the dog has been vaccinated against rabies.

4th ANNUAL BATTLE OF THE BADGES BLOOD DRIVE:
On Thursday, April 28th, we held our 4th annual Battle of the Badges Blood Drive.

Our goal was to collect 47 units and we collected 52!!

There were 61 donors scheduled and we saw 55 of them through the door. Those numbers alone are incredible considering how hard it is to get donors through the doors during April.

There were 5 successful power red donors which counted for 10 units, and 42 successful whole blood donations.

Congratulations to Team Fire for winning again for the 4th consecutive year! Team Fire once again wins bragging rights for the next year and will continue to display the trophy at the Fire Department. In all seriousness, this is a friendly competition that is a lot of fun for both Teams and the most important part is that we come together to support such an important lifesaving event.

Thank you to everyone who supported this event! Stay tuned for a tentative October Blood Drive as the need is paramount! Please continue to support the Red Cross blood drives by making regular donations!

COMMUNITY POLICING:
On May 9, Loudon Girl Scout Troop 60180 visited the Loudon Police Department. Sgt. Flanders read to them about being a police officer

and then the girls had a tour of the police department and a cruiser.
RACE EVENT:

The upcoming NASCAR race is scheduled for Sunday, July 17th. Stay tuned for more details as we get closer.

Local family run business that offers septic and camera inspections. We also preform septic and pump station repair as well as new pump installation.

Saturday: 10-2 - Curbside pick-up is still available!

LIBRARY NEWS: WE ARE HIRING! Maxfield Public Library is seeking a part-time Custodian to work between 8-10 scheduled hours per week. The Custodian is responsible for maintaining the appearance and cleanliness of the library building's interior and some of the exterior grounds. This position must be filled by a responsible individual who is able to work under limited supervision. Evenings and weekends are required. Please call 603-798-5153 or email the Library Director, Dena Norman, at maxfielddirector@gmail.com for more information.

SERVICES AND ADULT PROGRAMS; "At midnight, in the month of June, I stand beneath the mystic moon." – Edgar Allan Poe

Warmer weather is on the horizon. It has been the breath of fresh air we needed after a long dark winter. The main floor brightened up the displays with novels about Mental Health Awareness, Jewish-American Heritage, and Asian-American Pacific Islander Heritage. Heading into June, we are preparing to kick-off the annual Summer Reading Program. What do you think this year's theme will be?

ADULT EDUCATION: Maxfield Public Library is ecstatic to be offering this new program. Adult Education classes will kick off Thursday, June 2, 2022 at 2PM with a class titled "Focus on Health and Well-being," offered by Granite VNA. Our second class will be offered Tuesday, June 14, 2022 at 2PM with a focus on repotting those indoor plants. Call, 603.798.5153, or email Rebecca at maxlibprograms@gmail.com for questions or to register for either class.

ART IN THE AFTERNOONS: Art in the Afternoons meets at 12pm on the first and third Friday every month. June dates are the 3rd and the 17th. Bring your current art project and join us for a relaxing place to work.

BOOK GROUPS: Our book groups are still gathering to discuss their recent reads. We offer two different group times to better accommodate our patrons. Rebecca's Afternoon Book Group meets at 2PM and Jessica's Evening Book Group meets at 6:30PM. Both groups meet on the FOURTH Thursday every month. For the month of June, groups will be at their scheduled times on JUNE 23rd. Call, 603.798.5153, or email maxlibprograms@gmail.com, for questions or to sign up!

BOOK REVIEWS: Are you an avid reader? Do you like to share information about titles you have recently read? Feel free to write up a small paragraph and share with Rebecca! You can submit your review via email at maxlibprograms@gmail.com, or right at the main circulation desk.

COMMUNITY ROOM USAGE: Maxfield Public Library has the pleasure to offer the Community Room to the public who need a quiet place to work or for a meeting. Contact us at 603.798.5153 for dates of availability or to ask questions about booking the community room.

CRAFT CLASSES: May's craft classes were a joy to have, with a wonderful group of individuals. For June, the craft classes will be helping to prepare for the Summer Reading Program. Join us on June 8, 2022 for "Make Your Own – Watercolor Bookmarks." And back by popular demand, on June 29, 2022, we will be offering "Painted Garden Rocks". Classes are scheduled on Wednesdays at 12PM. Spaces in classes are limited. To register for any of our adult craft classes or to ask about materials fee for each class, call 603-798-5153 or email Rebecca at maxlibprograms@gmail.com.

CURBSIDE DELIVERY & PICKUP OPTIONS: With all this gorgeous weather, we understand it can be hard to come inside. Maxfield Public Library is happy to offer curbside pick-up. Use your account on our website to request titles or call or email us with titles you are looking for. We will gather your materials and have them ready for you when you arrive.

INTERLIBRARY LOAN SERVICES: New Hampshire State Library's ILL service is still offering amazing collections of new and exciting titles. Have you been looking for a title that you saw advertised or that a friend suggested but can't be found at Maxfield Public Library? We are happy to request the item from another library for you. Call 603-798-5153 or email maxlibprograms@gmail.com to submit a request.

MUSEUM PASSES AVAILABLE! Warmer weather = new places to explore! June weather offers a new variety of seasonal passes to our museum options. Call the library, email, or stop by the main circulation desk to ask about available passes. You must provide a specific date to sign out passes. Some museums are requiring online reservations, so be sure to check their websites first before reserving your pass with the library.

FOLLOW US ON SOCIAL MEDIA! Please continue to follow us on Facebook, visit our website – maxfieldlibrary.com, or check the Town of Loudon website – www.loudonnh.org for all updated and new Library announcements.

YOUTH SERVICES NEWS: Music and Movement and Story Time will be held outdoors, weather permitting. If the weather is bad, we will move indoors to the children's room. Masks are optional! We are still looking for new Teen Advisory Board members to attend meetings and/or write book reviews for us! Email Christina at maxfieldlibya@gmail.com for more information.

STORY TIME: Storytime will be on Thursdays at 10:30am in the children's courtyard outdoors, weather permitting. If the weather is not favorable, we will move indoors to the children's room. Masks are optional. We have been reading books about the rain and spring! We read stories, use rhythm sticks, shakers, and scarves! Come read, sing, play, and make a craft with us after! In June we are going to read stories about space, yoga, transportation, bees, and turtles!

TAKE AND MAKE CRAFT KITS: - In the month of May, we had an umbrella craft! Please email us at maxfieldlibya@gmail.com and send us pictures of your completed crafts if you feel comfortable doing so! In June we will have animal crafts, space crafts, and transportation crafts!

TEEN ADVISORY BOARD: Do you need community service hours? Come and help us choose books for the young adult section of the library and give us your ideas for programs! We also chat about books we are reading and make recommendations for each other! It is a no-pressure book club! Email us at maxfieldlibya@gmail.com or call to find out more information about joining the Teen Advisory Board! Our June meeting will be held on Friday, June 17th from 4:00-4:45pm.

MUSIC AND MOVEMENT: Music and Movement is a program for young children that happens on Tuesday mornings at 10:30am outdoors in the children's courtyard! If the weather is not favorable, we will move indoors to the children's library. Masks are optional! At Music and Movement, we focus on singing, reading stories, shakers, action rhymes, dancing, and playing with scarves and rhythm sticks!

WRITING AND HOMEWORK HELP: Tuesdays from 3:00- 4:45pm, Miss Christina will be available to help youth from ages 13-18 with their homework and writing tasks. Miss Christina is a former High School English teacher and former tutor who specializes in helping youth with writing. She also is a college planning nerd and has experience helping students research colleges and work on college application essays. She can help with biology, history, English, and other humanities-based subjects. Registration is required. Contact Miss Christina at maxfieldlibya@gmail.com for more information.

CURSIVE WRITING CLUB: Thursdays from 3:30-4:30pm Miss Christina will be facilitating activities that will help kids ages 8 and up practice writing and reading in cursive. Registration is required. Our meetings in June will be on the 2nd, 9th, 16th, 23rd, and 30th. Contact Miss Christina at maxfieldlibya@gmail.com for more information.

STORY WALK: Family Story Walk. The StoryWalk® Project was created by Anne Ferguson of Montpelier, VT and developed in collaboration with the Kellogg-Hubbard Library. Storywalk® is a registered service mark owned by Ms. Ferguson. Our story walk will be held at the Recreation Field. This is a great way to have a fun family activity while maintaining social distancing. Every Monday, starting in July, families will be able to read the "story of the week" while walking along a pathway. Our Oceans of Discovery themed StoryWalk® will begin on June 28th and a new story will be posted on the following dates:

June 28th, July 19th, August 9th, August 30th, September 20th

The StoryWalk® will occur at the Recreation Field. This will be a great way to enjoy the sunshine and the summer weather with your family and loved ones!

ANIME CLUB: Anime club is still going strong! We enjoy watching anime and chatting about it as well! Email us at maxfieldlibya@gmail.com or call to find out more information about coming to our next anime club meeting!

STEVE BLUNT, SUMMER READING KICK-OFF SHOW: DOWN BY THE BAY- SONGS IN THE KEY OF SEA: On Saturday, June 25th at 11:00am, come flap your fins & flop your tails! Steve performs ocean-themed songs & stories guaranteed to make a splash at the library. "Five Little Fishies" is a counting finger play that celebrates little minnows going off to school. "The Boston Come-All-Ye" is a salty old shanty in which the fish of the sea take over a sailing ship. "Do the Octopus" is a rockin' original tune that invites everyone to wave their

tentacles and dance like a marine invertebrate. Big and little fish alike will be hooked by this summer reading show—with plenty of fun, upbeat songs in the key of sea.

This performance kicks off our Summer Reading Program for 2022. Be sure to register for our Summer Reading Program after the show!

This event will be outdoors at the library, weather permitting. If there is rain, the event will be held indoors in the children's room.

This program is recommended for children ages 0 – 10!

UNH ROCKY SEASHORES OF NEW HAMPSHIRE CHILDREN'S PROGRAM: Join us Saturday, July 23rd at 11:00am for this exciting experience! This program includes a 45- to 60-minute interactive session with UNH Marine Docents and includes hands-on experiences with models, games, or even live critters. During this program kids will learn who is wild and crazy enough to live on the Rocky Shore and how these creatures survive there.

This program is recommended for kids in grades k-3!

Loudon Youth Athletic Association

What a great Loudon Opening Day! Such a fun morning with perfect weather to kick off the start to our 2022 season! Thank you to everyone who came to the ceremony and to the games! Loudon is a great place to live and is full of amazing community support! We are very grateful for the help we get from so many wonderful people involved who make this such a wonderful experience for the kids in Loudon. Thank you to our coaches who volunteer their time. We wouldn't be able to offer sports to the kids without your help! We appreciate all your hard work and commitment to the teams! You all make a huge difference, Thank you! Thank you to our team sponsors! Loudon is able to offer affordable programs to the families in our community from the generous support from some wonderful people and businesses! Thank you to Chris Burke, MVSD Bus Transportation and our bus drivers. It really makes the morning fun for the kids (and adults) to be able to ride down in the parade on the bus! Not many towns get this experience, but it really is a nice special touch, and we appreciate you all making it possible! Thank you! Thank you to the Loudon NH Fire Department for all you do to keep us safe and for helping make our day so special. It was pretty awesome to have the Ambulance join us for the morning! Thank you! Thank you to the Loudon NH Police Department, Chief Kris Burgess, and Janice Morin for all you do for our town and keeping us all safe! The police department loves seeing us all out together in the community and we appreciate them being a part of the special day and leading the parade. Pretty cool to get a police escort to start the morning off! Thank you! Thank you

to Merrimack County Sheriff's Department and Deputy Stacie Fiske for joining us in the parade! How cool was it to have all the lights and sirens as the kids approached the field! They all loved it! We appreciate you helping make the day special! Thank you! Thank you to JBI Helicopter Services and the Newcomb family for being such a special part of opening day for so many years! It is so exciting to hear the helicopter getting closer and closer as the National Anthem was ending (perfect timing) One of the BEST parts about having the Newcomb family with us for the morning is that they truly enjoy doing it for us just as much as we enjoy having them there! We really appreciate you doing the flyover and for loving Loudon as much as we do! Thank you! Thank you to Pastor Jon Rose for offering a special prayer for the season. We appreciate the kind words and thoughts you offer to the community! Thank you! Thank you to the town of Loudon and our Selectmen, Roger Maxfield, Jeff Miller, and John Storrs, for always being so supportive and making sure we can continue to always offer sports

to the families in our community. Thank you to Brenda Pearl and Kara Buss for all the help and for always being so kind and wonderful! Thank you to Russ Pearl and the Loudon Highway Department for helping the program and taking such great care of our fields. There are so many behind the scenes things that take place to be successful. We are grateful for the help and support. Thank you! Thank you to Loudon Elementary School, Mrs. Masterson and Mrs. York for always being so great about sharing out LYAA information with our Loudon families! It is so nice to be able to send and receive information through the school. Thank you to Kevin O'Brien, MV Athletic Director and to MVSD for all the positive support over the years. Thank you! Thank you to everyone that came to Field Clean Up Day! We have a lot of wonderful people who came out and gave their time to make sure the fields were safe and playable for the kids! Thank you to John Thomas, Mike Mullen, and Jon Thompson for all the help with the fields. Thank you! Thank you to the snack shack crew! We try hard to have the concession stand open as much as possible. Thank you to Darcie Crete & David Orsini for all the hard work cleaning, stocking, preparing the stand and spending the day in there cooking and serving food. Thank you to all the helpers who volunteered on Opening Day in there! We appreciate all you do to help! Thank you! Thank you to Gary Brooks, Brooks Signs & Screen Printing, for our new sign! We appreciate your immediate help and donating your time to do it for us! We know it is a lot of work and it came out great! Thank you! Thank you to Kristi Jakubowski for all the pictures from the day! Years come and go, and some memories fade so having pictures is so important! Thank you! Thank you to Calli Gray for volunteering in our program since she was little. Taking every opportunity to help for so many years just because she loves our community and our sports program! Thank you for coming down early to get the snack shack open and ready to go and for assisting in everything that needed to be done to make the morning so successful! It's great for younger kids to see our teenagers volunteering and setting such a great example! Thank you! Thank you to Darlene Johnson and Best Septic for our amazing sink in the snack shack and for the cleanest porta-potties at any field! We appreciate all the support you have given to us over the years! Thank you! Thank you to Lenny O'Keefe, Concord Police Department and Liberty Concord Police Comfort Dog for being a part of our special day! The families loved having her there and it was so great of you to stay for pictures with the teams! Liberty was so sweet with all the players, and they really loved getting to meet her! Thank you! Thank you to all the volunteers who help keep the programs organized. We appreciate your commitment to the program and our community! Grateful for you all! Thank you!

Thank you to Suncook Valley for all the work it takes to have our

Preapprovals Start Here.

league! A special thank you to Natalie Casey (Epsom) who truly plays such a big role in making sure we can offer baseball in our communities! Thank you! Thank you to our Brookside Pizza family for everything extra they do for us to make sure the kids always have what they need for the best experience possible! They have been proudly supporting the youth sports in our community for over 35 years. We are very grateful for everything they do for us, and they really love helping in the community! We will always be heartbroken over the passing of Billy Lazos last year, but we know how proud he is of his family and them loving the Loudon community as much as he did! Thank you, Brookside, Erofilii, Alex & Sandi! Thank you to our very special guest, Coach Steve Ostrowski, who threw the 1st Pitch during the ceremony. Each year we try to pick someone who makes a difference in our community, and we all agreed Coach Ostrowski was the right person. He has proudly been coaching in Loudon for 17 years with 30 teams....so impressive (he is still currently coaching Loudon players in the Concord Babe Ruth program) Coach Ostrowski has spent countless hours dedicated to our program and to our kids in Loudon! We are grateful for his commitment to our community, all the knowledge he has shared with us over the years, and his whole coaching approach which focuses on teaching kids to understand the fundamentals and learning to truly love the game! We were just as honored to have him there with us as he was to be a part of our special day! Thank you Coach Ostrowski for all you do! Thank you to Nick Gelinas, who has grown up on these fields and has such a passion for helping in the community! Such a big help yesterday with so many things that needed to be done that he knew he could help with and just did it! Truly one of the most positive and respectful kids you will ever meet, and we are so grateful to have him as a part of our community! Thank you to all the friends and families of LYAA that always offer to help with anything needed and for all the kind words and support! Everything we do is for the kids and families to truly have the best experience possible! We couldn't be more appreciative

for our community! Thank you! We really do live in an amazing town full of wonderful people! Thank you all for helping make our Opening Day and all of our programs so successful and such a positive experience for the kids in Loudon! We are all #LoudonProud! Thank you! LYAA 2022

2022 Citizen of the Year Nomination Form

The Loudon Old Home Day is seeking your help in determining the Citizen of the Year. We would like you and/or your organization to nominate a worthy recipient for this year's "Citizen of the Year" award. Our committee will then take all the candidates nominated, see if he/she fit the criteria and use this information to choose this year's "Citizen of the Year". This person would become the grand marshal at the August 13, 2022 Loudon Old Home Day Parade.

Our committee was very proud of our 2021 selection of Dennis Jakubowski.

Please use the criteria included to help you with this year's nomination.

1. Must have been a Loudon Resident no less than 3 (three) years.

2. Must be a good character and a volunteer of the community. Reasons for the nomination may not include the person's job description.

3. A nomination must be by written application, from an individual or organization of Loudon and the application must list a brief background of the nominee – including names of the organization he/she has been or currently is a member of.

4. Applications must be received by the selection committee (to be chosen on a yearly basis, as necessary) no later than the designated date chosen for that particular year.

A member of the LOHD committee will notify the person chosen and interview him/her and take a photo.

Please mail your nomination to: Loudon Old Home Day Association: PO Box 7050, Loudon, NH 03307

As soon as possible, but no later than June 1, 2022.

Thank you for your help,

Loudon Old Home Day Committee

Citizen of the Year Nomination

Nominee: _____

Person or organization submitting: _____

List people making this recommendation:

1. _____

2. _____

3. _____

4. _____

Nominee has lived in Loudon for _____ years.

Nominee has volunteered on a committee and organizations listed below.

1. _____

2. _____

3. _____

4. _____

5. _____

Please write a brief summary why you have chosen this particular person. Attach extra sheets as necessary.

Date submitted: _____

Loudon Old Home Day 2022

Crafters, Exhibitors and Vendors

The Loudon Old Home Day Association would like to invite you to attend our annual Old Home Day celebration! **This year's event will be on Saturday, August 13th** on the fields behind the Loudon Town Offices. We will be featuring an entire day filled with a parade, antique auto show, food, games, music, dancing and activities for people of all ages.

Our craft tent is 30' x 60' which will include electricity at no additional charge. This tent space is available on a **first come first serve** basis. The size of a tent spaces is 8' x 10'. Please note there will be no food items under the tent.

We will also have outside space available for our crafters, exhibitors and vendors, with or without electricity. The size of the outside spaces is 10' x 10'. All Tents will need to be weighted/tied down. You may set up your own tent in the allotted space.
Anyone requiring more than the space allotted will be charged for the second and/or third space.

You may set up your booth on Friday, August 12th after 6:30 PM. If you choose to set up your booth on Saturday morning the 13th, the booth must be in place and **ALL VEHICLES** must be off the athletic fields by 8:30 AM. For the safety of all visitors on the field, there is no traffic allowed to move on the field until after the scheduled activities are finished (please see booklet for schedule). Booths should be open by 9:00 AM and remain open until 4 PM. If you prefer to stay open until after the fireworks, we will place you in a spot that will not obstruct the view of spectators. Please wait until you are given the go ahead before bringing vehicles onto the grounds to pack your belongings. If you decide to move your vehicle before being allowed, it is possible you will not be asked back the next year.

Prices are as follows:

Craft tent - 8' x 10', electricity included.....	\$40.00
Outside booth – 10' x 10', with electricity	\$35.00
Outside booth – 10' x 10', without electricity.....	\$30.00

We would appreciate receiving your registration as soon as possible.
All spaces are to be paid for in full before July 1st, 2022.

Please make your check payable to:
And mail to:

Loudon Old Home Day Association
PO Box 7050
Loudon, NH 03307
Attn: Vendors

Any questions please call Terri Barton at 783-9123 or 608-7248. Please note all registration fees are non-refundable. Also, vendors must supply their own tables, chairs and electrical drop cords, as well as tents (for those not under the large tent).

Sincerely,

The Loudon Old Home Day Committee

Dear Loudon Resident,

As the temperature begins to rise and the rains clear, the flowers begin to bloom, and the Old Home Day Committee continues to plan for this year's annual events. This year's event is scheduled for Saturday August 13th. The behind the scenes details, both large and small, of planning such an event have started taking place, and as with any community event, **we need your support!**

Loudon Old Home Day is known as one of the very best Old Home Day events in NH! This day offers something for everyone: a parade, crafts, baking contest, chili contest, games, horseshoe tournament, demonstrations, and plenty of entertainment. And of course, let's not forget the **amazing fireworks show!**

As part of our activity guide and advertiser booklet, we have an individual supporter page for Loudon residents to show their support for this awesome event. Would you consider a donation of \$10.00? Maybe \$20.00? Maybe more? We would love to add your name to our growing list of supporters! Please take the time to complete the bottom portion of this page and return it with your check, made payable to **LOHDA**. **The deadline for making our list in the book is June 1st.** Any donations received after that date (or after the book goes to print) will be included on a poster at the Old Home Day Booth. We appreciate your assistance in meeting this date.

We are always looking for new members to help in the planning stages, or even to help on Old Home Day to help at the LOHD booth. Won't you consider joining us?

You can also go online to www.loudonoldhomeday.com and make your donation – easy and secure!

Whether you go online or mail us your check, **we thank you in advance for your support!** Please come and join us on Saturday, August 13th at the ball field as on South Village Rd and enjoy the activities with friends and family – both old and new!

~~Loudon Old Home Day

2022 Individual / Family LOHD Supporter

The deadline for making our list in the book is June 1st.

Name(s) as you would like it to appear in booklet: (Please Print)

Amount of Donation: \$ _____ Check #: _____

Please return this portion with your donation: LOHDA P.O. Box 7050 Loudon, NH 03307

Thank you very much for your generous support of Loudon Old Home Day.
We hope to see you there!

129 STANIELS RD
LOUDON, NH

**A+ Rated by the BBB!**

We are a New Hampshire roofing company with an A+ rating from the Better Business Bureau, whose owners have over 20+ years roofing experience.. Check out our 5 star reviews on Google! We do all roofing - repairs, replace roofs, install shingle and metal roofs, roof cleaning, and more. We service the Manchester, Concord, Nashua area, and all towns of NH!

**Shingle Roof Installation**

Need a new roof installed? We are one of the most affordable when it comes to roof replacement. Whether you want asphalt shingles or a new metal roof, we use only top grade materials. Plus we are CertainTeed Shingle Master certified, which means our training is above and beyond most other roofers resulting in a top notch roof installation.

**Metal Roof Installation**

Marquis Roofing is a leading expert in the installation of metal roofing in NH for residential and commercial customers. We offer the best metal roof warranty in the business and have been installing and repairing metal roofs for over 10 years. Metal roofs have several benefits over traditional roofs, with the primary benefit being they last longer, require less maintenance,

**GAF Master Elite Certified**

**Ice Dam Removal & Roof Shoveling!**

For ice dam removal, we provide emergency services to prevent roof damage as well as snow removal to prevent roof collapse. Trained personnel will go up on your roof and remove the ice dams and the snow. This is a manual process and is done from ladders. Reasonable priced, quotes available even over the phone.

**Roof Repairs**

Patching and repairing damaged roofs are our specialty. From leaky roofs, storm damage, and ice damage - we can fix it all. No job is too small and we take all our projects very seriously. Our roof repair experts know how fix major leaks and cracks, and replace missing shingles. All at prices that can't be beat!

"Vote for ME !!
I'll Get A Done!"

Does Donald Duck really want to serve as a Trustee of the Trust Funds? You might want to ask yourself that question before you give away your all-too-important vote to Mr. Duck – or to any other name you write-in on a ballot.

Write-ins are an important and powerful component of our voting system. In fact, Loudon had a big “upset” on March 13, 2001, when Roy Buttrick won a seat as Selectman as a write-in. The first hand count came out as a tie at 121 to 121. The recount gave the victory to Roy 126 to 121. Mr. Buttrick’s name never appeared on any ballot. Nevertheless, by virtue of the write-in, he unseated an incumbent Selectman who was theoretically running unopposed. That’s the power of the ballot,and one more piece of evidence that voting matters and every vote counts.

What do write-ins mean for those responsible for counting votes? Once all ballots have been cast and the polls have closed, the ballot counting device will provide the counts for all candidates whose names appear on the ballot. That’s the easy part. Every ballot then has to be checked for write-ins. All ballots on which write-ins appear are set aside for hand counting. Since hand counting has been demonstrated to be less accurate than ballot counting devices, more write-ins increase the chance of errors.

The residents of Loudon taking part in the hand counting take great care to ensure an accurate count. But, since everyone I know in Loudon is human, mistakes can occur.

If you truly feel that Mr. Duck would be a good Trustee of the Trust Funds, then you should vote for him. However, if you are voting for him in jest please think twice before doing so. The same holds true if you’re writing in the name of a friend or a family member as a protest or as a compliment. In the end, unless you really hope to see that person elected, it simply means adding another step in the counting and reporting process.

Another interesting fact about New Hampshire election law... what if the person with the most votes declines to take the position after being elected? Do we offer the position to the person with the next-highest number of votes? No. This is a common misconception. If the person who won the election declines to assume the office, the position is vacant. RSA 652:12, IV.

Next month: What happens to the ballots after voting day?

3RD ANNUAL ICE CREAM SOCIAL – DRIVE THRU!

Saturday June 18th, 2022: 4pm – 7pm

Join us for this popular event! On Saturday, June 18th, come to the Fire Station at 8 Cooper Street for a drive-thru Ice Cream pick up! We will have multiple flavors of ice cream and lots of toppings to choose from, including chocolate sauce, caramel, strawberries, sprinkles, whipped cream, nuts, etc. Cost is only \$5.00 per dish and proceeds go to support the Loudon Firefighters Association, a 501(c)(3) non-profit organization which supports the department membership with items such as equipment, training and community assistance where needed most!

Dads – Mention this flyer and Dad gets a FREE Ice Cream for Father’s Day! (Dad must be present to claim!)

Tell your friends and family! Hope to see you then!!

Loudon Summer
Swim Program - 2022

The Loudon Recreation Committee is once again partnering with SWIM NH to offer Red Cross swimming lessons at Clough Pond. Small group lessons will be offered in one week sessions, classes running Monday-Thursday with an inclement weather make-up day on Friday if needed. The first session is anticipated to begin on July 18th with the last session to end on August 11th. Each session will cost \$30 per child with a family rate of \$90 maximum. Children **must** be at least 5 years old at the start of lessons. An adult must be present during the child’s lesson. CDC, Swim NH and Loudon town protocols will be followed.

To register, send this form with payment to Laurie Jaquith, 123 S Village Rd., Loudon, NH 03307. **Please make checks payable to Loudon Recreation.** If you have any questions regarding the program, please call or text Laurie at 568-0971 or email at ljaquith1@gmail.com. You will receive an email notification of your lesson time(s) at least one week prior to the start of each session. We anticipate morning lessons to occur between 8:00-10:00 am. *We reserve the right to cancel a session if the minimum enrollment is not met.

Loudon Selectmen's
Meeting Minutes

Selectmen’s Meeting Minutes
Tuesday, April 5, 2022

Present: Chairman Maxfield, Selectman Miller and Selectman Storrs

Also present, Fire Chief Tom Blanchette, Police Chief Kris Burgess, Police Sergeant Dana Flanders, Road Agent Russ Pearl and Town Administrator Brenda Pearl.

- I. Chairman Maxfield called the meeting to order at 6:00pm.
- II. Selectman Miller made a motion to approve and authorize the Consent Agenda as listed. Seconded by Selectman Storrs. Discussion, Chairman Maxfield said 2021 Post Closure Report is the landfill closure report. It is an annual report prepared by the town engineer, Nobis and signed by the Chairman of the Board. All in favor. Motion carried.
- III. The Board met with Fire Chief Tom Blanchette:
- a. Chief Blanchette said he closed out the quarter with 77 emergency calls ahead of last year 54 more EMS and 23 more Fire calls than last year. A total of 304 calls for emergency service from the beginning of the year.
- b. Chief Blanchette stated they had one member test positive for COVID but has not been in contact with anyone from the department in over a week. Chairman Maxfield asked if it was a full-time member of a call member. Chief Blanchette said it was a call member.
- c. Chief Blanchette said all other members are well.
- d. Chief Blanchette said that all members who hold EMS licenses as of March 31st, have completed their requirements to hold their National Registry of Emergency Medical Technicians Certification and now working on the NH EMS Process.
- e. Chief Blanchette said they have one member who has decided to let their license go and stepping away from the department as there are working as a nurse.

Loudon Station

Contract Post Office and Gift Shop

* Priority Shipping Supplies

* Package Shipping

* Stamps

* Mail Boxes

563 Route 106N Loudon, NH - 603.783.9156

Monday - Friday 9:30AM - 5:00PM Saturday 9:00AM - Noon

f. Chief Blanchette said he has one member of the call department who has decided to take a leave of absence for personal reasons. The member is expected to return in 60 days or less.

g. Chief Blanchette said they had 8 members participate in annual deputy fire warden training virtually. All but 2 deputy wardens and issuing agents participated.

h. Chief Blanchette said last night the officers attended a training session in Epsom put on by the Capital Area Mutual Aid Compact.

i. Chief Blanchette said that Tuesday, next week begins the process of writing and updating the towns hazard mitigation plan. Chief Blanchette said the meetings are open to the public and will be available on the town website under Emergency Management tab and will be at the Fire Station in the training room.

j. Chief Blanchette said that he and Deputy Lake participated in health officer training focusing on childcare licensing inspections.

k. Chief Blanchette said that they plan to post the full-time vacancy this week with a closing date of April 29th.

l. Chairman Maxfield stated the Board received 3 proposals for the new command vehicle. Chairman Maxfield stated that the vehicle could not be purchased until July 1st. Chief Blanchette said that there is a 16–24-week lead time on vehicles right now

and he was hoping to get one ordered and have it by mid to late summer. Selectman Miller said that the price of the vehicle has gone up substantially since last year and it will be a challenge to get the rest of the equipment on the truck. Chief Blanchette said that the equipment cost is up substantially from when they purchased Deputy Lake's vehicle as well. Chief Blanchette said they bid out for a 1500, half ton truck to get it more economical for the cost.

IV. The Board met with Russ Pearl Road Agent:

a. Mr. Pearl said that they are switching trucks over for spring.

b. Mr. Pearl said they got the tennis and basketball courts ready and trash barrels out at the fishing hole. Chairman Maxfield stated the courts held up ok with the ice rink on it. Mr. Pearl said it may be a good idea to look for another location to build something out to make it easier considering all the work that goes into the rinks.

c. Mr. Pearl said he got the road bid package together for Piper Hill and Clough Hill for the Selectmen to review and ok. The Selectmen agreed bid request can go out.

d. The town hall foundation rebuild is going well. Chairman Maxfield said this is the town hall in the center which is on the National Registry of Historic Places. Chairman Maxfield said that they are putting 60 feet of granite under the foundation. Chairman Maxfield said that Freewill Baptist church is paying half and the cost is not to exceed \$24,000.

e. Mr. Pearl said the old number 6 plow truck is ready to go on Municibid. Chairman Maxfield asked if the truck is going with a plow. Mr. Pearl said yes, the plow and sander. The Selectmen agreed they are ok with posting it on Municibid.

f. Mr. Pearl said he submitted a memo to change the speed limit on

the dirt roads. Chairman Maxfield said the Board will take it under advisement.

g. Mr. Pearl said he has some bids for the Equipment storage shed floor. Chairman Maxfield confirmed the money is available in the warrant article. Mr. Pearl stated yes. Selectman Miller made a motion to accept the bid for the floor for the storage facility to KM Cheney Concrete Inc at 131 W. Parish Road Concord NH for an area of 42ft by 60ft 6in thick with fiber mesh, 5000psi concrete for the amount \$11,575. Seconded by Selectman Storrs. All in favor. Motion carried.

h. Mr. Pearl said there was an email received regarding the lagoon closure plan with some questions for the town. Mr. Pearl asked the Board to review the email.

V. The Board met with Police Chief Kris Burgess:

a. Chief Burgess said everyone is well in the department.

b. Chief Burgess said all the cruisers are up and running. Chief Burgess said at the last meeting he mentioned they may overspend the vehicle repair line. There is approximately \$834 remaining but feels they should be ok.

c. Chief Burgess said April 18th they will be hosting a clandestine lab training put on by NH State Police. The Fire Department and Pittsfield Police Department have also been invited.

d. Chief Burgess reminded that April 28th is the annual Battle of the Badges blood drive and encourages all to join. It will be from 2pm-7pm at the Fire Station.

e. Chief Burgess said Saturday April 30th is drug take back day between 10am and 2pm.

f. Chief Burgess said that this Thursday April 7th he will be meeting with Homeland Security in preparation for the NASCAR race and on April 14th he will meet with DOG for their first TCP meeting.

g. Chief Burgess said they have received some applicants for the last full-time position. The deadline is next week.

h. Chief Burgess said he sent the Selectmen a memo regarding the trail on 129. Chief Burgess stated at the meeting on March 15th he misspoke regarding the 300 ft rule. Chief Burgess said that the 300-foot rule is on applicable when hunting and that when target shooting it does not apply there just needs to be a proper backstop. Chief Burgess said he has educated himself on the rules and regulations with help from Fish & Game.

i. Sergeant Flanders stated he is working on a pilot program for body cameras and that there is federal money available, and he is still working on it.

VI. The Board met with Breanne Mullen. Ms. Mullen requested she and another member; Clint Mercer go into Nonpublic session. Selectman Miller made a motion to enter nonpublic session at 6:26pm. Seconded by Selectman Storrs. Selectman Miller stated per RSA 91-A:3 II c. Matters which, if discussed in public, would likely affect adversely the reputation of any person, other than a member of the public body itself, unless such person requests an open meeting. This exemption shall extend to any application for assistance or tax abatement or waiver of a fee, fine, or other levy, if based on inability

to pay or poverty of the applicant. Roll call vote, Selectman Miller- Yes, Selectman Storrs- Yes, Chairman Maxfield- Yes. All in favor. Motion carried.

a. Selectman Miller made a motion to come out of nonpublic session at 7pm. Seconded by Selectman Storrs. All in favor. Motion carried.

b. Selectman Miller made a motion to seal the minutes. Seconded by Selectman Storrs. Roll call vote, Selectman Miller-yes, Selectman Storrs-yes, Chairman Maxfield-yes. All in favor. Motion carried.

c. Selectman Miller said the meeting was in reference to an ongoing litigation with LYAA and they will gather more information as required.

VII. The Board met with Carole Soule. Ms. Soule presented the Board with packets had a map to reference. Ms. Soule said the land she is discussing is Map 59 Lot 8. Ms. Soule discussed the history of the class V and class VI roads near the property and the possibility of driveway placement. Judith Joy spoke as the new owner of the property. Ms. Joy said that the only way onto that property is from the class 6 road. The Board asked Road Agent Russ Pearl how he feels about the road. Mr. Pearl said he thinks the road needs about an inch and a half of crushed gravel to better maintain the road and help if emergency vehicles are ever needed. Selectman Storrs said he thinks the culvert needs to be replaced as well. Jeff Leonard said that when the Class VI waiver is signed it does release the town of liability if emergency vehicles cannot get to a home. Mr. Leonard also asked if it is a preexisting lot with a preexisting driveway, do they even need a waiver. Alisha Kingsbury said that there are other homeowners on that road and the responsibility to maintain or upgrade should not fall on just one resident. Ms. Soule asked if the Board would have a decision tonight? The Board said they need some time to review the information presented and they will have a decision by the next meeting on

April 19th. Ms. Soule asked if the Board agreed that it was an existing driveway. The Board agreed that yes there was an existing driveway on the property, however it did not meet zoning requirements. Alisha Kingsbury said that Ms. Soule needs a letter stating there is an existing driveway so the septic designer may access the property to do testing. The Board agreed to write a letter stating there is a driveway on the property and will further investigate the requirements and regulations if needed for the Class VI Road.

VIII. The Board reviewed new business:

a. Chairman Maxfield said the 1st Quarter 2022 941, IRS Quarterly Employment Report, has been submitted.

b. The Board received a memo from the Road Agent regarding speed limits on dirt roads. The Board is taking it under advisement.

c. The Board received a memo from Chief Burgess regarding a pay increase for a department member. Chairman Maxfield confirmed the money is in the budget for both this year and next years budget. The Board agreed with the increase to be effective this upcoming Sunday April 10th.

d. The Board received a memo from the Town Administrator regarding an Advisory Service. Brenda Pearl Town Administrator said that the Advisory Service would assist with all financial questions and services. The Board agreed to hiring COHOS Advisory Services.

e. The Board reviewed and signed Appointment Papers for Loudon Zoning Board Member- Steve Ives, Loudon Zoning Board Vice Chair- Todd Phelps, Loudon Zoning Board Chair- Earl Tuson, Loudon Zoning Board Alternate- Ned Lizotte, Loudon Planning Board Vice Chair- Danielle Bosco, Loudon Planning Board Chair- Rodney Phillips, Loudon Planning Board Alternate- William Taranovich.

f. The Board received a confidential envelope from Chief Blanchette.

g. The Board received an invoice from Leonard's Plumbing & Heating for opening up the outdoor bathrooms. There was no charge for the invoice. The Board thanked Leonard's Plumbing and Heating.

IX. Chairman Maxfield reviewed upcoming important dates, ARPA Meeting- Thursday, April 7th. Road Agent Russ Pearl noted Hazardous Waste Day on April 23rd from 8-12. Residents must be there within that timeframe.

X. Chairman Maxfield recognized Jeff Leonard 68 Coaster Road. Mr. Leonard stated in the Consent Agenda there was an over expenditure line item from the Fire Department. Mr. Leonard asked what line it was. Chief Blanchette said it was Equipment Maintenance Line and it was related to ice rescue suit repairs. Chief Blanchette said he believes the money can be used from the Trainings line. Chief Blanchette said he believes they will be over the Fuel Line as well for the year. Mr. Leonard also asked if the Board has a nonpublic session that they do it at the end of the meeting so people attending or watching do not have to wait. Chairman Maxfield said they would take the suggestion under advisement. Mr. Leonard also asked if the call member that is taking a leave of absence needs to follow the same policy as any other employees. Selectman Miller said yes, the policy would be across the board and the Chief knows what to do.

XI. Selectman Storrs made a motion to adjourn the meeting at 7:50pm. Seconded by Selectman Miller. All in favor. Motion carried.

Loudon Board of Selectmen

Selectmen's Meeting Minutes Tuesday, April 19, 2022

Present: Chairman Maxfield, Selectman Miller and Selectman Storrs

Also present, Road Agent Russ Pearl, Matt Moore Engineer and Town Administrator Brenda Pearl.

I. Chairman Maxfield called the meeting to order at 6:00pm.

II. Selectman Miller made a motion to approve the meeting minutes of April 5, 2022, as written. Seconded by Selectman Storrs. All in favor. Motion carried.

III. Chairman Maxfield opened Board of Permit at 6:02pm. Present, Rodney Phillips Chair Planning Board.

a. The Board received a 2022 event schedule for Mountain View Stables map 38 lot 6, requesting 9 events at the Wedding Venue. Mr. Phillips stated they are allowed up to 12 events per the update to the

Zoning regulations. Request was approved.

b. The Board received a wedding venue event request for map 32 lot 4 for Currier Hill Farm for 7 events. Mr. Phillips stated that Currier Hill Farm had approval for 8 events. Request was approved.

IV. Chairman Maxfield closed Board of Permit at 6:04pm

V. Selectman Miller made a motion to approve and authorize the Consent Agenda as listed. Seconded by Selectman Storrs. All in favor. Motion carried.

VI. The Board met with Russ Pearl Road Agent:

a. Mr. Pearl presented a quote from FL Merrill for screening of the sand that is done every year. The price has gone up to \$3.75 per ton. Selectman Miller said he believes the price is fair, Selectman Storrs and Chairman Maxfield agreed.

b. Mr. Pearl said they have been cleaning up behind the highway garage and town hall and brought some metal in for scrap and got \$811.25. They also brought in some metal from the old transfer station trailers for another \$2544 and still more to take.

c. Mr. Pearl said the two old trailers at the Transfer Station need to be moved. They will need to be towed away. They were looked at and are too far gone to be sold.

d. Mr. Pearl said he met with the state regarding the lagoon closure and will have some options to present to the Board. Mr. Pearl suggested that the Board schedule a work session to discuss the lagoon closure and also the bridges and what the Board would like to do with the bridges and the timeframe.

e. Mr. Pearl said he feels the recycling at the Transfer Station needs to be stepped up. The fees are going up for the disposal of the trash into the hopper and many recyclable items are being thrown in the hopper. Mr. Pearl said that he is working with Mark Bishop to try and find signage or information on how to encourage more recycling.

f. Mr. Pearl said Matt Moore is present to help with the Clough Pond Beach accessibility. Chairman Maxfield said that he spoke with Michael Harris and Mr.

Harris is displeased that last fall a plan was not produced. Mr. Moore explained what Mr. Harris requested for access to the beach. Mr. Moore explained some options the town has and that anything going into the water would require additional approvals. Chairman Maxfield stated he thinks the board should regroup before any decisions are made. Mr. Pearl agreed that it would be a topic for a work session.

VII. The Board met with Julie Robinson Chair of the Conservation Commission and JT Horne. Ms. Robinson explained that the easement on Lower Ridge Road on Howard Pearls property is wrapping up. Mr. Horne said that the document has been submitted to the town attorney for review and asked that the Board sign the document, so it is ready for closing and when the attorney gives the ok. Mr. Horne also asked that the financial side be arranged with the escrow agent. Selectman Miller made a motion to authorize the Chairman of the Board of Selectmen to sign on behalf of the town of Loudon for the easement agreement with Loudon Ridge Property LLC as well as the LCHIP agreement, for the same purpose. Seconded by Selectman Storrs. All in favor. Motion carried.

VIII. The Board met with appointment, Nick Hayes. Mr. Hayes said that he submitted a request to use the town fields and was looking for approvals. Chairman Maxfield said that Breanne Mullen has been handling the scheduling for the fields for 12 years. Mr. Hayes said that he has reached out to Breanne and she has refused to respond. Selectman Miller said that the town does not know the schedule for the fields because Breanne handles it. Mr. Hayes said he is requesting to use the fields when she is not and it is for Loudon citizens. Selectman Miller asked if they are all Loudon citizens. Mr. Hayes said yes, 100% Loudon citizens but they did open up t-ball to outside of Loudon. Mr. Hayes said he has followed the process that was put in place to get approval but still has not been able to use the field. Chairman Maxfield said the Board will try to speak with Breanne to get some answers. Mr. Hayes asked what the turn around time would be on an answer. Chairman Maxfield said he does not know what the time frame would be, and they need to speak to her. Mr. Hayes said he is also asking to use the basketball courts. Chairman Maxfield said he feels it is a possibility and would rather see one night a week or a Saturday morning. Mr. Hayes said he is trying to give the kids something to do at no cost to the town and trying to have two different age groups. Mr. Hayes said if the numbers are small enough, he would be willing to do one night a week as long as the age range is safe for the players. Chairman Maxfield asked if Mr. Hayes has insurance. Mr. Hayes said he will produce insurance. Selectman Miller said he does not have a problem with the use of the courts. Chairman Maxfield said he would like to see the insurance before usage. Mr. Hayes said he will produce the insurance before usage. Mr. Hayes asked if the current organization is producing insurance on an annual basis. The Board said yes she has produced insurance for the current year. Mr. Hayes asked if the baseball fields are available is the Board ok with his organization using the fields. The Board said yes and they will reach out to her.

IX. The Board met with appointment Carole Soule. Ms. Soule said she received the letter regarding the driveway on the lot from the last meeting. Ms. Soule said she does not understand the letter because it says she needs a driveway permit but the driveway does

not meet the setbacks. Russ Pearl Road Agent said that it is a formality and that it must be documented that the Selectmen gave approval to use an existing driveway knowing that the setbacks were not met. Chairman Maxfield said that next would be signing the Class VI Road agreement acknowledging that the road is not maintained by the town and stating any upgrading that must be done to the road. Chairman Maxfield said that the town would like to see some gravel put down on the road and the broken culvert replaced. Mr. Pearl said that in the winter the road needs to be sanded for rescue vehicles to access the road. Ms. Soule asked if she could get the driveway permit tonight. Mr. Pearl said no, that the fire department is also involved in the process. Ms. Soule asked about the road repairs and if the Board normally asks for the road to be fixed. The Board said they have in the past and it is part of the building permit process.

X. The Board reviewed new business:

a. The Board received a confidential letter from the Fire Chief.

b. The Board stated the Fire Chief is asking for approval to order the new vehicle. The Board stated he may order the vehicle, but payment would not go out until July 1.

c. The Board received a letter of concern on Pleasant Street regarding

the trucks on the road.

d. The Board reviewed and signed the Healthtrust renewal for 07/01/22-06/30/23. Selectman Miller said that the insurance rates are increasing by 6.7%. Town Administrator, Brenda Pearl said that they were aware of the increase and have budgeted for the increase. Selectman Miller made a motion to authorize the Chairman of the Board of Selectmen to sign on behalf of the town the Healthtrust contract for employees. Seconded by Selectman Storrs. All in favor. Motion carried.

e. The Board reviewed a memo from the ARPA Committee. Chairman Maxfield said the Committee is recommending a generator for the Town Office Building from a local contractor. Chairman Maxfield said this is the first recommended expenditure from the ARPA funds. Selectman Miller made a motion to accept a bid to expend ARPA funds in the amount of \$38,800 to Peter Johnson Electrical Service of Loudon NH for supplying and installing generator and labor and concrete base. Seconded by Selectman Storrs. Discussion, Selectman Miller said that there is a significant number electrical issues in town and if the building is down there is no way of assisting the residents and it is important to be done. All in favor. Motion carried.

XI. The Board reviewed old business:

a. The Board reviewed the speed limit on dirt roads. Chairman Maxfield referenced RSA265-63. Chairman Maxfield confirmed with the Road Agent that he recommends the speed limit of 25 on dirt roads. Selectman Miller said he hoped to hear something back from the Police Chief for a traffic investigation. The Board will bring it back with information from the Police Chief.

XII. The Board reviewed upcoming important dates:

a. Planning Board Meeting - Thursday, April 21, 2022 – 7:00pm

Household Hazardous Waste Day – Saturday, April 23, 2022 – 8am – 12pm

Zoning Board Meeting - Thursday, April 28, 2022 – 7:00pm

XIII. Chairman Maxfield stated they are waiting for the payment from Freewill Baptist Church for half the cost of the foundation construction on the Town Hall in the center.

a. Selectman Miller said he spoke briefly with the Fire Chief regarding detail rates with NHMS. NHMS did not approve of the rates that were recommended and there was to be more discussion on a rate. The upcoming event is being planned and a rate has not been set. The Board discussed the importance of finding a number that will work for all parties. The Board discussed scheduling a work session.

b. The Board discussed what decisions need to be made regarding the lagoon closure and the town bridges.

c. The Board received a letter from Fran Connolly regarding the conditions of Berry Road. Mr. Pearl said he has spoken with Mr. Connolly and the concerns with the road. The Board discussed the possibility of paving the road in the future.

d. Chairman Maxfield recognized Rodney Phillips. Mr. Phillips asked what the Board's decision was on addressing the zoning violation on Map 40 Lot 11. The Board said they feel the next step would be to

consult the attorney.

XIV. Chairman Maxfield recognized Marc Griffin. Mr. Griffin asked what it takes to be put on the next Selectmen agenda. Chairman Maxfield said he should call Brenda and state the reason for the meeting and find out if it should be public or nonpublic.

XV. Selectman Storrs made a motion to adjourn the meeting at 8:01pm. Seconded by Selectman Miller. All in favor. Motion carried.

Loudon Board of Selectmen

Selectmen's Meeting Minutes Tuesday, May 3, 2022

Present: Chairman Maxfield, Selectman Miller and Selectman Storrs

Also present, Road Agent Russ Pearl, Police Chief Kris Burgess, Police Sergeant Dana Flanders, Fire Chief Tom Blanchette and Town Administrator Brenda Pearl.

I. Chairman Maxfield called the meeting to order at 6:00pm.

II. Selectman Miller made a motion to accept the meeting minutes of April 19, 2022, as written. Seconded by Selectman Storrs. All in favor. Motion carried.

III. Selectman Miller made a motion to accept the work session meeting minutes of April 30, 2022, as written. Seconded by Selectman Storrs. All in favor. Motion carried.

IV. Selectman Miller made a motion to approve and authorize the Consent Agenda as listed. Seconded by Selectman Storrs. All in favor. Motion carried.

V. The Board met with Fire Chief Tom Blanchette:

a. Chief Blanchette said everyone in the Department is healthy.

b. Chief Blanchette said Ambulance 1 had the bumper replaced and is out having the rest of the body work done. Car 2 had some recall work done yesterday and Thursday will be undercoated. Last week new tires were installed on Utility 1 and on the forestry, the driver side doorhandle failed, Chief Blanchette said they were able to salvage the parts so there was no cost to fix, just time.

c. Chief Blanchette said tomorrow MSAR is coming to do maintenance checks.

d. Chief Blanchette said the internal career position posting closed on Friday and they had 2 applicants and they both meet the requirements. Chief Blanchette said they will be holding interviews on Tuesday night and there will be 3 Chiefs from other agencies, a peer board and Chief asked a member of the Board if they would like to attend. Selectman Miller stated he would attend.

e. Chief Blanchette said they had 3 applicants approach the Officers last night interested in joining the Department. All 3 are residents of Loudon, 1 is a current EMT and the other 2 are not certified but interested in obtaining certifications.

f. Chief Blanchette said the fuel budget is going to be over expended

and will be submitting a letter to the Board.

g. Chief Blanchette said the Hazard Mitigation Committee had their second meeting today and feels they are on schedule. A community survey will be posted on the town website to get feedback from the community regarding hazard mitigations.

h. Chief Blanchette said the Code Enforcement Office has been very busy. Deputy Lake is on vacation this week.

i. Chief Blanchette asked the Board what their testing preference was for Clough Pond Beach. If they would like to start Memorial Day and end Labor Day. Chief Blanchette said the State will do 3 tests as part of the Beach Program. The Board and the Chief agreed that the process they have been following is working and can be continued.

j. Chief Blanchette thanked the community members who attended the Battle of the Badges Blood Drive. Chief Blanchette thanked Janice Morin for all her work getting the event put together.

k. Chairman Maxfield asked Chief Blanchette if he only had one ambulance in service right now. Chief Blanchette said yes just one in service, if they need another, they will call mutual aid. Chairman Maxfield asked when the ambulance is expected to be finished at the auto shop. Chief Blanchette said sometime between Friday and early next week.

VI. The Board met with Russ Pearl Road Agent:

a. Mr. Pearl said the Municibid post has closed for the truck with a winning bid of \$10,100. The Board signed the documents needed for the purchaser to pick up the truck.

b. Mr. Pearl said the Trails Committee asked that the Highway crew help with clearing some of the left-over debris on the 129 trail. Mr. Pearl confirmed that the Board is ok with him helping on the land. The Board agreed.

c. Mr. Pearl said a subdivision was done on Kenny Road and in the process, they carved out an easement to install a turn-around. Mr. Pearl said the Town would be responsible for maintaining up to the easement and that it would require some crushed gravel in that class VI portion of Kenny Road. Selectman Miller said he believes it will be safer for the Highway driver to turn around.

Selectman Miller made a motion to accept an easement granted on Map 54 Lot 3 as a turnaround for the Highway Department for snowplowing and other purposes. Seconded by Selectman Storrs. All in favor. Motion carried.

d. The Board received the road paving bids. The Board received bids from the following:

GMI Asphalt LLC, 288 Laconia Road Belmont, NH- Clough Hill Road \$322,161.50, Piper Hill \$202,486.70 and Bee Hole Road \$75,676.40.

Continental Paving, Londonderry, NH- Clough Hill Road \$355,807, Piper Hill Road \$223,770.50 and Bee Hole Road \$86,475.

Advanced Excavating and Paving, Suncook, NH- Clough Hill Road \$405,005, Piper Hill Road \$276,620.50 and Bee Hole Road \$101,099.

Chairman Maxfield said he recommends taking the bids under

advisement and discussing with the Road Agent. Selectman Miller stated the Board should not wait too long to make a decision because pricing keeps changing. The Board discussed with the amount of the warrant article for each road and the difference in the cost of the bids.

Selectman Miller made a motion to accept the bid for the paving projects for Clough Hill Road overlay project, Piper Hill Road overlay project and Bee Hole Road project and award the bid to GMI Asphalt LLC in the amounts of \$322,161.50 for Clough Hill Road, \$202,486.70 for Piper Hill Road and \$75,676.40 for Bee Hole Road. Contingent upon GMI accepting the amount authorized at town meeting. Seconded by Selectman Storrs. All in favor. Motion carried.

Chairman Maxfield recognized Jeff Leonard, 68 Coaster Road. Mr. Leonard said that Selectman Miller in his motion accepted the bid first at the purposed bid

amount and not the amount authorized at town meeting. Selectman Miller thanked Mr. Leonard for pointing that out and stated he would amend the motion.

Selectman Miller amended the motion to accept GMI Asphalt for the following projects, Clough Hill Road overlay project, Piper Hill Road overlay project and Bee Hole Road overlay project- contingent upon their acceptance of the town approved funds from the warrant articles. Seconded by Selectman Storrs. All in favor. Motion carried.

Selectman Miller made a motion to accept GMI Bid contingent upon acceptance of the authorized funds for each project. Seconded by Selectman Storrs. All in favor. Motion carried.

e. Mr. Pearl said he has received many calls about sand that was used in the winter accumulating on residents' yards. Mr. Pearl asked the Boards permission for the Town to rent his equipment to rectify the issue. Mr. Pearl said it is tough to schedule with other companies and the town does not have a trailer. Selectman Miller asked if this is something that is happening every year. Mr. Pearl said it seems to be worse this year than in the past. Chairman Maxfield asked how much time Mr. Pearl estimates it would take to complete. Mr. Pearl estimated about 10 hours in total. The Board agreed with a 10-hour limit and asked Mr. Pearl to come to the Board for anything over 10 hours.

f. Mr. Pearl presented the Board with information for the truck that was approved at Town Meeting and the availability for ordering. The Board reviewed the options presented. Selectman Miller made a motion to accept the bid from Lebanon Ford for a 2022 Ford F600 4x4 chassis with Reading 11 ft dump body and 10 ft Fisher plow and sander in the amount of \$95,147. The money was approved at Town Meeting. Seconded by Selectman Storrs. All in favor. Motion carried.

VII. The Board met with Police Chief Kris Burgess:

a. Chief Burgess recognized Sergeant Flanders for his work with Franklin Police Department administering a polygraph examination and ultimately obtaining a confession in a felonious sexual assault case. The Board commended Sergeant Flanders for the work he has done.

b. Chief Burgess said all employees at the Police Department are well.

c. Chief Burgess said cruiser 5 is still at Above All collision awaiting parts.

d. Chief Burgess said he and Sergeant Flanders attending the Traffic Control Plan meeting on April 14, this is the first of several traffic control meetings leading up to the Nascar event.

e. Chief Burgess said he attended a meeting with Homeland Security on April 7th at the EOC along with Chief Blanchette.

f. Chief Burgess said on April 18th he held a training put on by New Hampshire State Police in regard to meth labs. Several surrounding agencies attended.

g. Chief Burgess thanked Chief Blanchette for allowing the use of the facility for the Blood Drive.

h. Chief Burgess said on Friday April 29th the Loudon Police Department along with the Merrimack County Sheriff's Office assisted with a motorcycle funeral procession that came from Haverhill Mass and ended at the Boscawen cemetery.

Chief Burgess said about 150 motorcycles were assisted crossing 106 from Chichester Road.

i. Chief Burgess said on Saturday April 30th the Loudon Police Department participated in drug take back day. Chief Burgess said he estimates around 60 pounds of medication was collected.

j. Chief Burgess said he recently submitted (3) reimbursement packets for psychological testing through the New Hampshire Police Standards & Training and is hoping to receive \$450 in return for the (3) \$150 test.

VIII. The Board reviewed new business:

a. The Board received an Appointment Paper for Keith McNulty for Planning Board Alternate. Selectman Miller made a motion to appoint Keith McNulty to the Loudon Planning Board as an Alternate. This appointment shall expire March 31, 2023, given under our hands this 3rd day of May 2022. Seconded by Selectman Storrs. Discussion, Chairman Maxfield thanked Mr. McNulty for volunteering his service with the Loudon Planning Board. All in favor. Motion carried.

b. The Board received a memo from Chief Blanchette regarding ambulance bill write-offs. Selectman Miller made a motion to write-off the following ambulance bills,

Run # 585 \$2.42, #844 \$123.43, #861 \$107.53, #880 \$108.68 and #935 \$107.06. Seconded by Selectman Storrs. All in favor. Motion carried.

c. The Board reviewed and signed the Bill of Sale and Title for 2008 International sold through Municibid.

d. Chairman Maxfield stated he, the Road Agent and Matt Moore met at Clough Pond Beach to discuss an assisted walkway to the beach. Mr. Moore is going to get new plans together for next week. Chairman Maxfield stated Matt Moore is a Loudon resident and has offered draw up the plans free of charge to the Town. The Board thanked Mr. Moore for his generosity.

e. Chairman Maxfield said Steve Fifield of Fifield Restoration has completed the restoration of the foundation at the Town Hall in the center. Chairman Maxfield said that Fifield Restoration did a great job on the project.

f. Chairman Maxfield said the contract for the Loudon history book went to the Attorney and is being discussed.

g. Chairman Maxfield stated the Senior Awards Night to present the Arthur McNeil & Raymond Cummings Memorial Scholarship at Merrimack Valley High School will be held on Monday June 6th at 6pm. Selectman Miller is likely to present the award.

IX. The Board reviewed old business:

a. The Board discussed the changing of the speed limit on dirt roads. The Board asked Chief Burgess if he has been able to obtain information on the roads. Chief Burgess said some of the data is tough to gather but he will get what he can.

X. The Board reviewed upcoming important dates:

a. Capital Improvement Plan Meeting- Tuesday, May 10, 2022- 1:00pm

b. Hazard Mitigation Plan Meeting- Tuesday, May 17, 2022- 10:00am

XI. Chairman Maxfield recognized Jeff Leonard 68 Coaster Road. Mr. Leonard asked about the Planning Board appointment papers that were discussed and if the open positions are put out to the public? Ms. Pearl stated the two most recent Planning Board appointments were individuals that approached the Board with interest. The Board stated it would be a good idea to put out to the public if there is an open seat.

XII. Chairman Maxfield recognized Alisha Kingsbury 298 Bear Hill Road, Ms. Kingsbury asked what the concern with the 129 trail is that an Officer would be sent out and what the plan is going forward. Chairman Maxfield stated there was a concern with safety at one time. Chief Burgess said he does not believe they have been called out yet. Selectman Miller said it is well mitigated now. Ms. Kingsbury said she doesn't understand why they would be asked to accompany, and it seems like a waste of taxpayer dollars.

XIII. Chairman Maxfield recognized appointment Marc Griffin. Mr. Griffin requested a nonpublic session. He requested the Amy Griffin and Donna LaClair also attend. Selectman Miller made a motion to enter nonpublic session at 7:00pm. Seconded by Selectman Storrs. Discussion: Selectman Miller stated to his understanding the reason would be under RSA 91-A:3, II(c) Matters which, if discussed in public, would likely affect adversely the reputation of any person, other than a member of this board, unless such person requests an open meeting. This exemption shall extend to include any application for assistance or tax abatement or waiver of a fee, fine or other levy, if based on inability to pay or poverty of the applicant. Roll call vote, Selectman Miller- Yes, Selectman Storrs- Yes, Chairman Maxfield- Yes. All in favor. Motion carried.

Selectman Miller made a motion to come out of nonpublic session at 7:33pm. Seconded by Selectman Storrs. Discussion, Selectman Miller said it was regarding ongoing issues with an entity that the town gives money to. All in favor. Motion carried.

Selectman Miller made a motion to seal the minutes. Seconded by Selectman Storrs. Roll call vote, Selectman Miller- Yes, Selectman Storrs- Yes, Chairman Maxfield- Yes. All in favor. Motion carried.

XIV. Chief Burgess and requested a nonpublic session with the

Selectmen to discuss an employee. Selectman Miller made a motion to go into nonpublic session at 7:36pm under RSA 91-A:3, II (a) The dismissal, promotion, or compensation of any public employee or the disciplining of such employee, or the investigation of any charges against him or her, unless the employee affected (1) has a right to a public meeting, and (2) requests that the meeting be open, in which case the request shall be granted. Seconded by Selectman Storrs. Roll call vote, Selectman Miller- Yes, Selectman Storrs- Yes, Chairman Maxfield- Yes. All in favor. Motion carried. Selectman Miller made a motion to come out of nonpublic session at 8:10pm. Seconded by Selectman Storrs. All in favor. Motion carried.

Selectman Miller made a motion to seal the minutes. Seconded by Selectman Storrs. Roll call vote, Selectman Miller- Yes, Selectman Storrs- Yes, Chairman Maxfield- Yes. All in favor. Motion carried.

XV. Selectman Storrs made a motion to adjourn the meeting at 8:11pm. Seconded by Selectman Miller. All in favor. Motion carried.

Loudon Board of Selectmen

Selectmen Work Session Minutes
April 30, 2022

Chairman Maxfield opened the meeting at 9:00 AM.

Roll call: Selectmen Maxfield, Miller, and Storrs all present. Also present was Town Administrator Brenda Pearl

I. The Board reviewed the special detail rates for NHMS. After discussion the Board agreed to the following:

Police Department:

- NHMS will be billed \$65.00 per hour (minimum 4 hours)
- Supervisors will be paid \$53.00 per hour
- Officers (outside agencies and Loudon) will be paid \$47.50 per hour

Fire Department:

- NHMS will be billed \$55.00 per hour (minimum 4 hours)
- Command Staff will be paid \$50.00 per hour
- Non-Command Staff will be paid \$35.00 per hour

Administrative:

- No detail rate will be paid for Town Administrators.

Direct bill:

- Outside departments may direct bill the track.

II. Chairman Maxfield explained that the town history book is coming to completion; the next step is to get it published. He explained that since the town has paid for the author, the town is responsible for the cost to publish the books. He explained that the historical society has a proposal from Peter E. Randall to publish the book. Chairman

Maxfield said the cost for 2000 books will be \$20,511. The books would be sold to the public for \$25.00 each. He discussed the option of using ARPA (American Rescue Plan Act) funds to pay for the publication rather than using town funds through a warrant article at the next town meeting. The Board will look into this further.

Selectman Storrs made a motion to adjourn at 10:18 AM. All in favor. Motion carried.

Loudon Board of Selectmen

Loudon Planning
Board Minutes

Town of Loudon, New Hampshire
Planning Board Meeting Minutes
April 21, 2022

DRAFT

Chairman Phillips called the meeting to order at 7:01 p.m.

Attendance: Forrest Green, Stanley Prescott, Josh Pearl, Marilyn Whitten, Chairman Rodney Phillips, Vice Chair Danielle Bosco, Ex-Officio John Storrs, Alternate Bob Phillips, Alternate Bill Taranovich.

Zoning Board (ZBA) Chairman Earl Tuson was present.

Acceptance of Minutes:

March 17, 2022, Regular Meeting Minutes – Josh Pearl made a motion to accept the minutes as printed, seconded by Ex-Officio John Storrs. Vice Chair Danielle Bosco abstained from voting; all voting members were in favor. March meeting minutes approved.

Discussions:

Link Moser – Commercial Traffic on Pleasant Street. Link Moser of 7227 Pleasant Street stated that he wanted to present his concerns about commercial truck traffic on Pleasant Street. Mr. Moser showed pictures with time stamps of truck traffic from a security camera at his home. He noted that the truck traffic was seven days per week heading to two commercial businesses down the road. Mr. Moser recalled that one particular truck made twenty one (21) trips in one day. He stated that he was not sure if there were any limitations that existed but that he wanted to bring it to the attention of the Board. Chairman Phillips stated that unless there were stipulations on a site plan or a new application came before the Board, there likely wasn't anything that they could do. He suggested speaking with the Selectmen, though he was not sure if there was anything that they could do either. Wes Jones of 7244 Pleasant Street was also present, stating that traffic is worst in the spring but agreed that it is happening seven (7) days per week and twenty four (24) hours a day.

Bob Wareham – Millican Nursery – Map 6 Lot 20. Chairman Phillips stated that a letter was sent to Millican Nursery asking them to speak with the Board about their site development on the property at Tax Map 6, Lot 20. Mr. Wareham stated that the property owner, Mr. Bryant, was present as well. Chairman Phillips stated that it was brought to their attention that there was truck parking on the property, and Mr.

Wareham stated that there were a few trailers used for harvesting trees. Chairman Phillips stated that there was also a building on the property, and Mr. Wareham stated that there was a 14'x 24' pump house for the well to irrigate the trees on the property. Chairman Phillips stated that they would need a Major Site Development plan because the building/ground coverage was being expanded by more than ten percent and there was expansion of the aggregate parking, loading, and unloading areas by more than twenty five percent. He stated that this information was in Section 7.2 1 (a) and (b) of the Regulations. Mr. Wareham stated that there would be no loading of trees at this point, but Chairman Phillips stated that they still had parking on the property. Mr. Wareham stated that he would bring this information back to the company to contact who ever they needed to do that.

David Moody – Excavation – Map 40 Lot 7. Chairman Phillips stated that DES was looking into the excavation on this lot. Mr. Moody responded that DES was out there that day and did not find a problem with it. Chairman Phillips stated that they had indicated to the office that there were some minor wetlands violations but the impact to correcting it would be more than the violations. He stated that they were also still looking into the AoT question. Mr. Moody stated that he had discussed it with DES that day and an AoT should not be needed because the whole thirty (30) acres was a grandfathered pit. Chairman Phillips stated that they would wait to hear back from them, but that there were still issues with both RSA 155-E and Section 9(b) of their excavation regulations. He read aloud the following, “No excavation shall be permitted below road level within fifty (50) feet of the Right of Way of a public highway as defined in RSA 229:1 unless such excavation is for the purpose of said highway.” Chairman Phillips stated that Mr. Moody’s excavation was within fifteen (15) to twenty (20) feet of Dump Road. Mr. Moody stated that he was still higher than Dump Road, and Chairman Phillips disagreed. Mr. Moody stated that he would look at it. Chairman Phillips asked about the seasonal high-water table on the property. Mr. Moody stated that when he dug test pits in the middle of the excavation several years ago, the high-water table was fifteen feet down. Chairman Phillips stated that he had dug quite deep, and that he was not supposed to be within four (4) feet of the seasonal high-water table. Mr. Moody stated that he did not think that he was. Chairman Phillips asked about the plan going forward and asked if he was aware of the reclamation requirements. Mr. Moody stated that he had material to move around and use on the berms and asked if the Intent to Excavate could be signed. Chairman Phillips stated that as long as the Dump Road issue could be figured out, then he would be in favor of it. Josh Pearl and Forrest Green agreed that if there were not residual problems then they did not see why this could not move forward.

Conceptual Consultations:

Carole Soule – Subdivision – Map 59 Lot 7. Carole Soule distributed paper plans to the Board. She stated that she wished to subdivide six acres off with the farmhouse so that they could build a new house on the other part of the property. Chairman Phillips asked where the line would go, and Ms. Soule indicated that it would follow a stone wall. Chairman Phillips asked if Whitehouse Road was a Town Road. Ms. Soule stated that it was approved by the Selectmen in 2019. Chairman Phillips confirmed with Ms. Soule that she was looking to carve off the farmhouse and build a new house behind the barn on the opposite side of the road. Chairman Phillips concluded that there would be agricultural buildings alone on the property until the new house was built, stating that their regulations addressed this issue. ZBA Chair Tuson stated that subdividing off the house and

leaving the barn alone on the property would make the use primarily agricultural, so she would be all set. He clarified that by subdividing those buildings off, they would no longer be accessory buildings because their primary use was agriculture. Stan Prescott asked how far the Town maintains the road, and Ms. Soule stated that they plowed down past the barn in order to be able to turn around. Several Board members discussed if there would be any setback issues. Ms. Soule asked if she would need to have the whole property surveyed.

Chairman Phillips stated that they could request a waiver to do only the part being subdivided with a little more for context.

BrightFarms Hydroponic Greenhouse – Site Development – Map 50 Lot 6. Mac Sullivan, Senior Project Manager from ARCO Murray, presented on behalf of BrightFarms and distributed plans and a project schedule to the Board. Chairman Phillips explained that for every application going before the Board, they vote on whether the development presents a regional impact. He stated that when BrightFarms comes in for a formal application, the probability was quite high for this to be voted as something of regional impact. Chairman Phillips explained that this stops the public hearing until surrounding towns and the regional planning commission can be notified. ZBA Chair Tuson asked if an applicant could make those notifications ahead of time in anticipation of a regional impact determination. Vice Chair Bosco stated that she did not believe they could do that, and Chairman Phillips suggested that they could check with Town Counsel. Sean O’Neill from BrightFarms asked about the criteria for regional impact. Chairman Phillips stated that it was typically things like traffic generated by a project or, in this case, light generated by a project. Mr. Sullivan stated that the goal is to have substantial completion of this project by October 2023, with eight (8) acres of greenhouse, a support building, and a packaging/loading area. He stated that the current roadway connection would not change, and a temporary access point would be used by permit during the construction phase. Chairman Phillips confirmed with Mr. Sullivan that there was still a state curb cut for this secondary entrance. The onsite storm management system would be closed out with an AoT permit at the end of May. Mr. Sullivan explained that they will know most of the information about the site, the structure and civil effects, but they won’t necessarily know the equipment that will be used because of changing technology. He stated that they anticipated phasing the permit process to accommodate this and asked if the Planning Board would allow this. Chairman Phillips asked if they would have full structural plans when they submit their application and Mr. Sullivan responded in the negative. Mr. Sullivan stated that it would initially be the Alteration of Terrain (AoT) side of things, but if that took a long time then they would try to bundle that with the civil side of things. Chairman Phillips and Stan Prescott agreed that they don’t typically do phased stuff. Chairman Phillips stated that the Planning Board wouldn’t necessarily be concerned with what is inside, and Stan Prescott agreed that they would need to see copies of the state permits but that the Board would have no say in them. Chairman Phillips stated that with things like grading, the Board would have the Town Engineer review and approve those plans. Mr. Sullivan stated that while working through the process, they would have the civil design finalized before they brought it in to the Board. Chairman Phillips noted that they will want to understand light control, given the specific history of this property. Mr. O’Neill acknowledged this and asked about the interior installation of a four (4) megawatt genset to off-set the constrained power supply. He asked if the Board would have anything to sign off on for the concept of putting a generator inside. Alternate Phillips asked if there was a way to anticipate how much light would leave the roof or sides of the

greenhouse when the blackout curtains are installed. Mr. O'Neill

stated that he could show pictures of other greenhouses with black out curtains to show what they will look like.

New Hampshire Motor Speedway – Site Development/Wetland Crossing – Map 61 Lot 6. Naomi Praul of Nobis Engineering presented on behalf of NHMS. Ms. Praul stated that they were proposing to connect the two existing parking lots of S4 and S6. She stated that the new driveway involved wetland impact so they would install a sixty (60) inch diameter culvert to hydraulically connect the wetland areas. Ms. Praul stated that they would be filing a wetland impact permit with DES and that they had already met with the Conservation Commission. They were scheduled to go before the ZBA next week for a Special Exception for working in the wetland and had submitted their minor site plan application earlier that day. Chairman Phillips asked if they had received their DES approvals yet. Ms. Praul stated that there was usually a thirty (30) day turn-around time, but she was not sure if the wetland scientist had submitted the packet yet. Ms. Praul thanked the Board for their time.

Public Hearings:

New Business –

Application #22-03 Milligan Family Trust & Clairmont Family 2017 Revocable Trust – Lot Line Adjustment – Map 57 Lot 8 & Map 58 Lot 67. Dan Mullen from Richard D. Bartlett & Associates represented the applicants. Applicants Joyce & Michael Milligan were present. Abutters Todd & Stephanie Gagnat of 115 Berry Road and Sandy McPherson of 129 Berry Road were present. Mr. Mullen explained that the Clairmonts own a seventeen (17) acre parcel at 117 Berry Road, 4,000 square feet of which lies east of Berry Road and serves as an ingress and egress to Clough Pond. He stated that they were removing the lot line to merge this area into Lot 67, which was owned by the Milligans. Mr. Mullen stated that the configuration of the Right of Way would remain the same because it was subject to the rights of others, but the land would change hands from the Clairmonts to the Milligans. Vice Chair Danielle Bosco made a motion to accept the application as complete, seconded by Ex-Officio John Storrs. All in favor; Application #22-03 accepted as complete. Josh Pearl made a motion that the application did not present a development of regional impact, seconded by Vice Chair Danielle Bosco. All in favor; application #22-03 determined not to be of regional impact. Chairman Phillips opened the public hearing at 8:24 p.m. Mr. Mullen reviewed the TRC comments, stating that the scale was now in an additional notation on the main plan and there was a note regarding maintenance of the ditchline along the roadway. Chairman Phillips stated that since these items were not addressed on the plan received by the Board they would become conditions of approval. Alternate Phillips asked if the drainage note would name the owner specifically, or if it gave the Map and Lot number in case the owner changes. Chairman Phillips suggested that the Owner of Record should maintain it in case the property was sold. Stan Prescott asked if this plan would go to the Town of Canterbury because the Clairmont property went into Canterbury. Mr. Mullen stated that there were two certifications on the plan, one for Loudon and one showing that there was to be no subdivision of land in Canterbury. Chairman Phillips asked if there was a way to flag the boundary of the easement. Chairman Phillips read the waiver request for Plat

Requirement 14.4 Section 13, location of structures. Josh Pearl made a motion to grant the waiver, seconded by Vice Chair Danielle

Bosco. All in favor; waiver request granted. Chairman Phillips closed the public hearing at 8:33 p.m. Chairman Phillips stated that the conditions that had been discussed were to include the scale of the main drawing on the plan, and to include a note that the owner of record will maintain the drainage ditch line. Vice Chair Danielle Bosco made a motion to approve the application with the two conditions, seconded by Forrest Green. All in favor; Application #22-03 approved with 2 conditions.

Application #22-04 Cobblestone Properties of Epsom – Condominium Subdivision – Map 49 Lot 123. Jon Rokeh of Rokeh Consulting, LLC represented the applicant. Abutter Paul Johnson, owner of Best Septic Service at 16 Shaker Brook Industrial Park, was present. Chairman Phillips asked about the waiver requests, specifically the Open Space Trail Systems waiver. Mr. Rokeh stated that he thought those were not applicable. Vice Chair Danielle Bosco made a motion to accept the application as complete, seconded by Marilyn Whitten. All in favor; Application #22-04 accepted as complete. Josh Pearl made a motion that this application was not a development of regional impact, seconded by Vice Chair Danielle Bosco. All in favor; Application #22-04 determined not to be a development of regional impact. Chairman Phillips opened the public hearing at 8:41 p.m. Mr. Rokeh stated that he was requesting a condo subdivision because they had requested a Variance from the Zoning Board in order to do a regular subdivision, but the ZBA determined that they did not have hardship. Mr. Rokeh stated that they already had an approved site plan so this was just to allow selling the buildings separately. He noted that each building had separate utilities and separate access so there would be minimal common maintenance, and the condominium documents would reflect this. Chairman Phillips confirmed that the only difference from the originally approved site plan was the condominium notes. Mr. Rokeh agreed, stating that he used the approved site plan as the existing conditions. He noted the correction of the vicinity map scale from 1":2000' to 1":1000' as mentioned during the TRC meeting. Chairman Phillips stated that the Fire Chief had asked for a condition that there would be no occupancy permit until the dry hydrant was done. Mr. Rokeh stated that to his knowledge the permits had been obtained for the hydrant, so it just needed to be put in. Chairman Phillips read aloud a waiver request for Site Specific Soils. Josh Pearl made a motion to accept the waiver request, seconded by Vice Chair Danielle Bosco. All in favor; waiver request granted. Chairman Phillips closed the public hearing at 8:51 p.m. Chairman Phillips stated that he had two conditions listed: correcting the Locus scale to 1":1000' and that no Certificate of Occupancy would be issued for the second until the dry hydrant was operational. Two more conditions were discussed to require all DES approvals and to require the submission of the condominium documents. Josh Pearl made a motion to approve the application pending those four (4) conditions, seconded by Vice Chair Danielle Bosco. All in favor; Application #22-04 approved with four (4) conditions.

Board Discussion/Correspondence:

Chairman Phillips reminded the Board members of the next Housing Subcommittee meeting and the next Capital Improvements Program (CIP) Committee meeting. He asked if anyone would be

interested in serving on the Hazardous Mitigation Committee. Vice Chair Bosco stated that she would like to think about it before she committed to attending. Chairman Phillips stated that the DES letters were discussed during the conversation with Mr. Moody. He stated that the DOT letter was about the widening of Route 106 from

Hemlock Hill to Soucook Lane in 2026.

CK5 Transportation Services Site Plan Approval – Chairman Phillips stated that this dealt with an October 2020 approval for Map 60 Lot 34. He noted that they had not completed a condition of approval that required them to work with the Fire Department. Chairman Phillips stated that according to the Regulations an approval lapses within 90 days if the conditions are not met, so he suggested sending a letter saying as much. Stan Prescott asked if anything needed to be sent to the Registry of Deeds. Rodney stated that nothing had been sent to the Registry regarding this application, so there would be nothing new to register.

Land Development Regulations Updates – Chairman Phillips distributed new copies of the proposed updates, stating that the only change was the monumentation issue for roadway construction where a statement was struck out. He stated that there was already a monumentation requirement in the Zoning Ordinance, so it didn't need to be repeated here. Chairman Phillips stated that he would like to move these updates along to a public hearing. Vice Chair Danielle Bosco made a motion to move the proposed Land Development Regulations updates to a public hearing on Thursday, May 19, 2022, at 6:30 p.m., seconded by Forrest Green. All in favor; public hearing scheduled for the Land Development Regulations updates on May 19, 2022.

Rules of Procedure Updates – Chairman Phillips stated that the Board had discussed these updates a lot, and that the only change was to increase the number of alternates from two (2) to three (3). He stated that they could adopt them that night and take immediate action to appoint the third alternate. Vice Chair Danielle Bosco made a motion to adopt the new Rules of Procedure, seconded by Ex-Officio John Storrs. All in favor; new Rules of Procedure adopted.

Fee Schedule Updates – Chairman Phillips stated that there was a new proposed fees column because Josh Pearl had reviewed what the new fee schedule would bring in from applications and felt that they needed to review the subdivision and site development fees again. Josh Pearl stated that subdivisions and non-residential major site developments were the really big ones, but the proposed fees had the cost of these projects going down. He stated that the fees might be on the higher end compared with some other municipalities, but that they were not drastic. Stan Prescott asked what the money was being gathered for. Josh Pearl stated that the increased fees were to fund Planning and Zoning services for the town in general, and for specific applications that buildout the town. Stan Prescott expressed his concern for the impact of these fees on smaller projects. Josh Pearl stated that in looking at the 2021-2022 budget, the expenses were \$70,304 while the total income was \$8,000. Alternate Phillips stated that a proposed 346,000 square foot greenhouse would be looking at \$72,000 in fees, with an additional \$16,000 for the office spaces. He asked if there should be a cap on the amount of fees charged. Chairman Phillips suggested holding off on adopting the fees for another month. Alternate Taranovich

expressed concern about changing the fee schedule right before a large project came before the Board, and Chairman Phillips stated that the Board could choose when to make the new fees effective.

Vice Chair Danielle Bosco made a motion to appoint Keith McNulty as an Alternate, seconded by Josh Pearl. Chairman Phillips asked if Vice Chair Bosco would like to amend her motion to appoint Mr. McNulty for a term of one (1) year to stagger the terms of the

alternates. Vice Chair Bosco amended her motion as suggested, and Josh Pearl seconded the amended motion. All in favor; Keith McNulty appointed as a Planning Board Alternate for the term of one (1) year.

Report of the Zoning Board of Adjustment:

Chairman Phillips stated that there was a Special Exception for reduced setbacks on two lots and increased lot coverage on one of those lots; a Variance for rental of storage area in an existing commercial structure; a Special Exception for a reduced setback; and a Special Exception for a wetland crossing.

Adjournment:

Josh Pearl made a motion to adjourn the meeting, seconded by Ex-Officio John Storrs. All in favor; meeting adjourned at 9:28 p.m.

Respectfully Submitted,

Kelly Pedersen

Administrative Assistant

Loudon Zoning Board of Adjustment Regular Meeting Minutes April 28, 2022

DRAFT

Chairman Earl Tuson called the meeting to order at 7:00 p.m.

Attendance: Vice Chair Todd Phelps, Peter Pitman, Chairman Earl Tuson, Charlie Aznive, Alvin See, Alternate Steve Ives.

Chairman Tuson stated that Alternate Ned Lizotte would be joining the meeting late.

Conservation Commission Chair Julie Robinson was present

Fire Chief Tom Blanchette was present

Acceptance of Minutes:

March 24, 2022, Regular Meeting Minutes – Peter Pitman made a motion to approve the minutes as presented, seconded by Charlie Aznive. All in favor; March meeting minutes approved.

Public Hearings:

Old Business –

Application #Z22-06 Loudon Property Holdings – Map 60 Lot 67 and Map 51 Lot 19 – Special Exception for Reduced Setback and Yard Requirements on both lots; Special Exception for Increased Lot Coverage for M60 L67. Brett Kay from Nobis Engineering represented the applicant. Brandon Cummings and Jim Howard from Priority Real Estate were present. Attorney Roy Tilsley from Bernstein Shur was present on behalf of abutter Elie Oil LLC. Mr. Kay explained that they were requesting seven (7) Special Exceptions between the two lots. Chairman Tuson asked how the Board's concerns from the last meeting had been addressed. Mr. Kay stated that Map 51 Lot 19 had been included in the application because they were seeking a zero setback between that property and Map 60 lot 67 for pavement and

parking. He stated that Map 60 Lot 67 needed an increase in the 50% lot coverage requirement, so they needed relief from Section 206.4 C for coverage, and 206.5 A, B, & C for setbacks on Map 60 Lot 67 and Map 51 Lot 19. Charlie Aznive asked about whether merging the properties had been discussed, and Mr. Kay stated that the properties are all in common ownership. Chairman Tuson recalled that they had discussed whether Section 206.4 C could be changed with a Special Exception. Chairman Tuson read through the application with Mr. Kay. Alvin See asked about the capacity for the new underground tanks, and Mr. Kay stated that the total amount of fuel being stored would remain the same at 40,000 gallons. Alternate Ives asked if the seven parking spaces on Map 51 Lot 19 were included in the required number of spaces for the gas station. Mr. Kay stated that they needed forty three (43) spaces and they were proposing fifty two (52) spaces. Chairman Tuson asked if any abutters were present, and Attorney Roy Tilsley explained that his client owned the two abutting properties across the street. Mr. Tilsley stated that they had concerns about the amount of fuel storage that had been previously approved for the site, noting that the Board had already addressed this. He stated that at 1.87 acres this was a non-conforming Lot of Record, so

any expansion of the existing development was not allowed by Section 601 of the Zoning Ordinance without a Variance. Mr. Tilsley stated that he had reviewed the minutes of the previous month's meeting and did not see where Section 206.4 C allowed the Board to reduce building or lot coverage by Special Exception. He stated that he had heard no reason for the Board to grant the reduced front setback because the property across the road was owned by his client, who would be affected by this, and not in common ownership with the speedway. He concluded by stating that the applicant needed to provide evidence for how this would or would not affect the abutters not related to the raceway. Mr. Kay stated that their interpretation was that they did meet the standards and did not need a Variance. Chairman Tuson asked Mr. Kay to explain the discrepancy between older applications listing the property as 2 acres when their application listed it as 1.873 acres. Mr. Kay stated that he thought there may have been some taking of land by the State for the widening of NH Route 106. Chairman Tuson stated that after viewing similar discrepancies on the tax maps, the Board members had concluded the change was from the widening of Route 106. Alternate Ives asked about combining the lots to help with the coverage problem, and Mr. Kay stated that he would have to speak with the Speedway owners about that. Vice Chair Phelps suggested a lot line adjustment could fix the issue. Chairman Tuson asked if the abutter had any further comment, and Mr. Tilsley stated that a lot line adjustment would not address the front setback issue because the lot across the street was not in common ownership. Chairman Tuson asked if they were maintaining that relief for the front setback would harm Mr. Tilsley's client. Mr. Tilsley stated that it would be sensible to maintain that setback in a busy area, and that the remedy for expansion on a nonconforming lot was through a Variance, whether or not it was made nonconforming by an Eminent Domain taking of land. Peter Pitman stated that he did not see how they could penalize the owner of this lot for the Eminent Domain loss of property. Alternate Ned Lizotte joined the meeting at 7:36 p.m. Chairman Tuson asked if there were any further questions or comments. Chairman Tuson closed the hearing at 7:39 p.m. Alvin See made a motion that this application did not present a development of regional impact, seconded by Peter Pitman. All in favor; application #Z22-06 not of regional impact. Chairman Tuson directed the Board's attention to Section 600 of the Ordinance, stating that the text discusses uses, buildings, and structures that existed prior to the Ordinance. Alternate Ives asked if they were going to

look at this lot as non-conforming, and Chairman Tuson stated that he did not know if this lot existed prior to zoning. He stated that when this lot was created, it met the lot dimension requirements, so it was not a Lot of Record that was non-conforming. Chairman Tuson stated that other dimensional requirements in Section 206.4 such as lot area or frontage had never been reduced by Special Exception. Charlie Aznive and Alvin See agreed. Chairman Tuson stated that the applicant had not adequately satisfied Question 1 on Page 2 for the relief that they requested from 206.4 C. Charlie Aznive stated that this meant there were several pathways; one option was the Variance, another was to complete a lot line adjustment, and the third was to stick with the same footprint. Chairman Tuson stated that a Variance became more difficult when there were other options. He asked if the Board was satisfied with the other aspects of the application. Chairman Tuson observed that the reduced

front setback seemed to be more to accommodate the new lot line because the fuel tanks were being replaced in the same spot. Charlie Aznive and Vice Chair Phelps agreed. Peter Pitman directed attention to the meeting minutes from the March 2022 meeting, stating that the Board had already approved an application for Central NH Trailers for a Special Exception for lot coverage. Chairman Tuson stated that the indicated section of the minutes was about the CN Brown approvals. Peter Pitman asked if they would need to take the application as a whole or if they could only approve part of it. Alternate Lizotte stated that with conditions they could break out the different requests. Vice Chair Phelps stated that he would make a motion, and Chairman Tuson suggested writing it out to make sure that they worded the motion correctly. Chairman Tuson observed that the applicant had asked for relief for the front setback on Map 51 Lot 19 but that it was not necessary. After considerable discussion among the Board of the proper wording for the motion, Vice Chair Todd Phelps made a motion to approve the following Special Exceptions for Map 60 Lot 67: Section 206.5 A front setback reduced to 29 feet where the property meets NH Route 106, Section 206.5 B reduction to a 0 foot side setback on both sides, and Section 206.5 C reduced rear setback to 23 feet; as well as the following Special Exception for Map 51 Lot 19: Section 206.5 B reduction to a 0 foot side setback where the lot abuts Map 60 Lot 67. Seconded by Peter Pitman. Roll call vote: Alvin See – Yes; Charlie Aznive – Yes; Chairman Earl Tuson – Yes; Peter Pitman – Yes; Vice Chair Todd Phelps – Yes. All in favor; four Special Exceptions approved. Peter Pitman made a motion to deny the Special Exception request for Section 206.4 C for Map 60 Lot 67 because the applicant failed to show where this was allowed by Special Exception, and to deny the Special Exceptions for Section 206.5 A & C for Map 51 Lot 19 because they were not applicable. Seconded by Alvin See. Roll call vote: Vice Chair Todd Phelps – No; Peter Pitman – Yes; Chairman Earl Tuson – Yes; Charlie Aznive – Yes; Alvin See – Yes. Three Special Exceptions denied.

New Business –

Application #Z22-07 Powerbuilt Investments, LLC – Map 51 Lot 24 – Variance for rental of storage area in existing commercial use structure. Jeff Green of Jeffrey L. Green Land Surveying Services represented the applicant. Applicant Scott Hagerty and property owner Karen Mossman were present. Mr. Green stated that they had been in during the Fall for an approval to allow Powerbuilt Electrical to rent part of a building and run their business there, but they were coming in now for Powerbuilt Investments to be able to rent out some storage bays in the garage. Mr. Green stated that this was in a residential zone and had been an approved use since 1998. Chairman Tuson asked if there were any abutters present.

Peter Pitman stated that the Notice of Decision indicated that there would be no subletting, and that nothing had been presented that would make the Board change their mind. Mr. Green stated that the subletting condition was for Powerbuilt Electrical, not the property. Vice Chair Phelps stated that the approval goes with the property. Alternate Lizotte concluded that they were looking for the owner of the property to be able to lease a second portion of the building without affecting the operation of Powerbuilt Electrical. Mr. Green agreed. Peter Pitman stated that the idea behind the earlier decision was to keep traffic at a minimum and renting the last bays would do the opposite. Chairman Tuson

asked if they were coming in to look for an additional business use when the current use was an electrical contractor. Mr. Green stated that the additional use would be rental storage. Chairman Tuson read through the application with Mr. Green. Chairman Tuson closed the public hearing at 8:43 p.m. Alternate Lizotte stated that this was reminiscent of when Harry-O shutdown the car wash on his property. Chairman Tuson stated that Harry-O's property was on Route 129 and was likely zoned C/I. He noted that renting parts of the property would bring in an untold number of entities other than Powerbuilt Investments and Powerbuilt Electrical. Several members agreed that they were never told whether Powerbuilt Electrical was the only business in the building, but Charlie Aznive stated that the earlier decision was based on a business going in there. Vice Chair Phelps stated that this took a lot with a nonconforming use of one business to a less conforming use with multiple businesses in the Rural Residential district. Vice Chair Phelps suggested that they should go through the application and vote on each point. Vice Chair Todd Phelps made a motion that the application did not present a development of regional impact, seconded by Alvin See. All in favor; application #Z22-07 determined not to be of regional impact. Chairman Tuson read the first Variance criteria. Vice Chair Phelps concluded that additional traffic in that area may not be contrary to the public interest but that it would not help the public interest. Chairman Tuson stated that having commercial use and residential use together invited incompatible land use, which is what zoning was meant to prevent. Vice Chair Todd Phelps made a motion that the applicant did not satisfy Variance question #1, seconded by Peter Pitman. Roll call vote: Vice Chair Todd Phelps – Yes; Peter Pitman – Yes; Chairman Earl Tuson – Yes; Charlie Aznive – Yes; Alvin See – Yes. All in favor, application #Z22-07 fails Variance criteria #1. Chairman Tuson read the second Variance criteria. He stated that the spirit of the Ordinance was to not have a lot of commercial businesses in the RR district, so allowing further businesses in that area would not follow that spirit. Vice Chair Todd Phelps made a motion that the applicant did not satisfy Variance criteria #2, seconded by Peter Pitman. Roll call vote: Alvin See – Yes; Charlie Aznive – Yes; Chairman Earl Tuson – Yes; Peter Pitman – Yes; Vice Chair Todd Phelps – Yes. All in favor, application #Z22-07 fails Variance criteria #2. Chairman Tuson read the third Variance criteria. Chairman Tuson stated that this was a unique property that had a use already allowed on it, so he did not see how allowing additional uses represented substantial justice. Peter Pitman agreed that the Board had been very specific that they did not want more businesses on that property. Peter Pitman made a motion that the applicant did not satisfy Variance criteria #3, seconded by Charlie Aznive. Roll call vote: Vice Chair Todd Phelps – Yes; Peter Pitman – Yes; Chairman Earl Tuson – Yes; Charlie Aznive – Yes; Alvin See – Yes. All in favor, application #Z22-07 fails Variance criteria #3. Chairman Tuson read the fourth Variance criteria. Vice Chair Phelps stated that the impact might be negligible, and Chairman Tuson stated that no testimony was provided showing that property values would be diminished. Alvin See noted that they did not know what other businesses might

go in there. Vice Chair Todd Phelps made a motion that the applicant satisfied Variance criteria #4, seconded by Peter Pitman. Roll call vote: Alvin See – No; Charlie Aznive – No; Chairman Earl Tuson – Yes; Peter Pitman – No; Vice Chair Todd Phelps – Yes. In a 3-2 vote the motion did not carry; application #Z22-07 failed Variance criteria #4. Chairman Tuson read the fifth Variance criteria. Chairman Tuson stated that there were special conditions for this property. Peter Pitman stated that this was for a business, not multiple businesses. Vice Chair

Phelps stated that not approving the application did not create a hardship. Vice Chair Todd Phelps made a motion that the applicant did not satisfy Variance criteria #5, seconded by Peter Pitman. Roll call vote: Alvin See – Yes; Charlie Aznive – Yes; Chairman Earl Tuson – Yes; Peter Pitman – Yes; Vice Chair Todd Phelps – Yes. All in favor; application #Z22-07 failed Variance criteria #5. Chairman Tuson stated that the Board had determined that the application failed all five questions. Vice Chair Todd Phelps made a motion to deny the application because it failed all five criteria required for a Variance, seconded by Peter Pitman. Roll call vote: Vice Chair Todd Phelps – Yes; Peter Pitman – Yes; Chairman Earl Tuson – Yes; Charlie Aznive – Yes; Alvin See – Yes. All in favor; Application #Z22-07 was denied.

Application #Z22-08 Scott & Jenn Pihl – Map 38 Lot 43 – Special Exception for Reduced Setback. Applicant Scott Pihl was present. Mr. Pihl stated that he needed a five (5) foot reduction in the setback on the side of his property to build a garage. Peter Pitman asked if this number allowed for the overhang of the building. Mr. Pihl stated that he had figured to the wall of the building. Peter Pitman suggested asking for a twenty (20) foot setback instead of a twenty five (25) foot setback to allow for the building overhang. Mr. Pihl amended the application to reflect this change. Chairman Tuson asked if any abutters were present. He read through the application with Mr. Pihl. Todd Phelps asked about the height of the garage and roof. Mr. Pihl stated that it would have twelve (12) foot walls and a narrow-peaked roof. Charlie Aznive asked how far the structure needed to be from the propane tank. Mr. Pihl stated ten (10) feet. Alvin See made a motion that this application did not present a development of regional impact, seconded by Peter Pitman. All in favor; application #Z22-08 not of regional impact. Chairman Tuson closed the public hearing at 9:07 p.m. Peter Pitman made a motion to accept the application as amended, seconded by Charlie Aznive. Roll call vote: Vice Chair Todd Phelps – Yes; Peter Pitman – Yes; Chairman Earl Tuson – Yes; Charlie Aznive – Yes; Alvin See – Yes. All in favor; application #Z22-08 approved as amended.

Application #Z22-09 NH Speedway, Inc. – Map 61 Lot 6 – Special Exception for a Wetland Crossing. Cindy Balcius with Stoney Ridge Environmental represented the applicant. Ms. Balcius stated that with the recent approval for the concerts on another lot this project was necessary for emergency access, for pedestrians, and for equipment. She stated that the crossing would be in a narrow neck of a forested wetland area. Ms. Balcius stated that the proposed impact would be 2,850 square feet so there would be a Minimum Expedited Wetlands permit through DES. She stated that they had met with the Loudon Conservation Commission and completed a site walk. Ms. Balcius stated that they had originally proposed a two (2) foot wide culvert for hydrologic equilibrium but after meeting with the Conservation Commission planned to instead use a five (5) foot culvert embedded 2.5 feet into the wetland. She stated that this would allow for aquatic and wildlife passage to minimize impact. The culvert would be sixty (60) linear feet long. Ms. Balcius stated that there would be guardrails with two five (5) foot walkways for pedestrian access. Chairman

Tuson confirmed with Ms. Balcius that the only vehicles through that area during events would be emergency vehicles. Chairman Tuson asked if there were any abutters present. Conservation Commission Chair Robinson stated that the five (5) foot diameter culvert would have less impact and be easier to keep clean, so the Commission was happy with that. Chief Blanchette stated that this would create better emergency access.

Alvin See expressed concern that one five (5) foot culvert would adequately handle water and wildlife passage. Ms. Balcius stated that the engineer had determined that a two (2) foot culvert would adequately handle the water, and that recent studies had shown that culverts were used by wildlife more than previously believed. Chairman Tuson read through the application with Ms. Balcius. Chairman Tuson closed the hearing at 9:27 p.m. Vice Chair Todd Phelps made a motion that the application did not present a development of regional impact, seconded by Peter Pitman. Roll call vote: Alvin See – Yes; Charlie Aznive – Yes; Chairman Earl Tuson – Yes; Peter Pitman – Yes; Vice Chair Todd Phelps – Yes. All in favor; application #Z22-09 not of regional impact. Chairman Tuson stated that this seemed like a reduction in municipal services demand. Peter Pitman made a motion to accept the application as presented, seconded by Charlie Aznive. Roll call vote: Vice Chair Todd Phelps – Yes; Peter Pitman – Yes; Chairman Earl Tuson – Yes; Charlie Aznive – Yes; Alvin See – Yes. All in favor; application #Z22-09 approved as presented.

Board Discussion & Correspondence:

Map 1 Lot 23 Complaint Letters - Chairman Tuson read aloud a letter dated March 28, 2022, that was sent to the office by Donald and Nancy Owens of 135 Staniels Road. He then read aloud a letter sent by Code Enforcement on March 29, 2022, to Thomas Marquis and Alicia Schroeder, the owners of the property being complained of. The Administrative Assistant stated that a copy of a Notice of Violation for this property had been received in the office that week. Alvin See asked if an application had been submitted for this property and the Administrative Assistant responded in the negative. Chairman Tuson stated that the Board would not respond in this matter but that they had the information. Chairman Tuson then read aloud a letter dated April 5, 2022, addressed to the Code and Building Departments regarding 7 Cooper Street. The Administrative Assistant stated that these letters had been forwarded to the office by Code Enforcement Officer Lake. Chairman Tuson stated that there was also a letter from three days later from Cronin, Bisson & Zalinsky in Manchester. Charlie Aznive and Todd Phelps agreed that this was not an application.

Report of Board of Permit:

Chairman Tuson stated that there was no Board of Permit meeting for April.

Adjournment:

Peter Pitman made a motion to adjourn, seconded by Alvin See. All in favor; meeting adjourned at 9:41 p.m.

Respectfully Submitted,

Kelly Pedersen
