#### PART 2 - Votes in Contest

Total A - <u>Ballots Cast</u> (Using Inventory)		701
Total B - <u>Voters</u> at Check-in		*** 700
Total C - <u>Voters</u> at Check-Out		701
Total D - Hand count of <u>Ballots</u>		701
Total count of Votes in Contest for one of the races		701

The above 5 numbers should be equal

\*\*\* The count of same day voters was off by 1 for Table 2. After discussion we believe this is due to a ballot clerk failing to check/cross off a voter when they presented themselves and were given a ballot.
