

Town of Loudon, NH

Your source for important town specific information

Due to the Governor's imposed state of emergency and the limit of 10 people per gathering for the COVID-19 Virus and to protect all participants in the monthly meetings for the Zoning Board of Adjustment, we are cancelling this month's ZBA meeting for 3/26/2020 @ 7pm.

We will continue to monitor the situation as it unfolds from the information we receive from the Governor's office as to any further ZBA meetings. For the safety of all concerned, we at the ZBA office appreciate your patience and understanding. **Thank You!**
